**Franz Schubert, Wilhelm Müller**

## Schubert Song Cycles:

**The Schubert Song Cycles** Gerald Moore, 1975      **Distant Cycles** Richard Kramer, 1994-09-15 Franz Schubert's song cycles *Schöne Müllerin* and *Winterreise* are cornerstones of the genre. But as Richard Kramer argues in this book, Schubert envisioned many other songs as components of cyclical arrangements that were never published as such. By carefully studying Schubert's original manuscripts, Kramer recovers some of these distant cycles and accounts for idiosyncrasies in the songs which other analyses have failed to explain. Returning the songs to their original keys, Kramer reveals linkages among songs which were often obscured as Schubert readied his compositions for publication. His analysis thus conveys even familiar songs in fresh contexts that will affect performance interpretation and criticism. After addressing problems of multiple settings and revisions, Kramer presents a series of briefs for the reconfiguring of sets of songs to poems by Goethe, Rellstab, and Heine. He deconstructs *Winterreise* using its convoluted origins to illuminate its textual contradictions. Finally, Kramer scrutinizes settings from the *Abendrote* cycle on poems by Friedrich Schlegel for signs of cyclic process. Probing the farthest reaches of Schubert's engagement with the poetics of *Lieder*, *Distant Cycles* exposes tensions between Schubert the composer and Schubert the merchant entrepreneur.

**Schubert's Late Lieder** Susan Youens, 2006-11-02 Schubert's *Late Lieder* is a study of selected songs for voice and piano composed by Schubert between 1822 and his death on 19 November 1828. Circa late 1822, Schubert was diagnosed with syphilis, and many of the songs discussed in this book were written under the seal of impending death. It is possible to locate in these songs a late song style full of elegiac references to Schubert's other death-haunted works and marked by distinctive variation techniques. Youens also introduces six of the poets whose texts Schubert set to music.

**The Song Cycles of Franz Schubert** Walter Bernard Gray, 1957      **Rediscovering Forgotten Meanings in Schubert's Song Cycles** Angeline Ashley Smith Van Evera, 2012 An essential element of Franz Schubert's *Lieder* has been lost since the advent of equal temperament: the meanings and emotions that manifest when his songs are played in well temperament. Not only did well and equal temperament exist concurrently in the nineteenth century, but a truly equal temperament was not attainable until early in the twentieth century. What was called equal temperament in the nineteenth century sounded like well temperament. Schubert's music was composed and performed in a system that, regardless of name, sounded like well temperament. Twentieth-century equal temperament eliminates the meanings and emotions that manifest through what I call *Temperaturfarben* or timbral colors created through the uniquely sized intervals in well temperament. This dissertation presents evidence that Schubert's songs were conceived in well temperament and argues that Schubert exploited the colors of keys and chords to create musical-literary tools. Examining Schubert's use of *Temperaturfarben* provides us with new insights into his interpretation of the song cycles *Schöne Müllerin* and *Winterreise* and provides insight into whether or not *Schwanengesang* constitutes a cycle. In this dissertation, I present an analytical system for examining *Temperaturfarben* which includes rankings of major and minor keys according to the amount of color.

each contains which are derived primarily from the systematic changes in interval sizes in the tonic dominant and subdominant chords I also examine elements other than key and chord quality such as melodic vs harmonic context tessitura dynamics and tempo that impact how temperament is perceived in a composition I provide detailed temperament based analyses of the songs in Die sch ne M llerin and Winterreise that highlight the extra musical meanings that Schubert associated with certain keys and chords and reveal how he used Temperaturlfarben as a tool on par with melodic harmonic and rhythmic elements to depict poetic meaning I also examine how Temperaturlfarben impacted key choices and the overall formal design of the cycles The discussion of Schwanengesang uses Temperaturlfarben to examine the cyclical nature of the work including the potential mini cycles within the work as a whole Rellstab and Heine and the often discussed reordering of the Heine songs

**Schubert's Winterreise** Franz Schubert, Wilhelm Müller, 2003 This book CD package guides readers and listeners on a journey through Franz Schubert's Winterreise song cycle in which the composer set the poetry of Wilhelm Müller to music The complete text of the 24 poems is presented in both German and English with 116 b/w photographs of winter scenes on the facing pages An introductory essay by Susan Youens musicology U of Notre Dame offers a critical examination of the song cycle The music CD features a new recording of Winterreise performed by baritone Paul Rowe and pianist Martha Fischer Oversize 10 25x10 25 Annotation c 2003 Book News Inc Portland OR booknews.com

**Schuberts Liederzyklen The Schubert song cycles, dt** Gerald Moore, 1975 Complete Song Cycles Frank Schubert, 1970-06-01

**Retracing a Winter's Journey** Susan Youens, 2013-01-14 I like these songs better than all the rest and someday you will too Franz Schubert told the friends who were the first to hear his song cycle Winterreise These lieder have always found admiring audiences but the poetry he chose to set them to has been widely regarded as weak and trivial In Retracing a Winter's Journey Susan Youens looks not only at Schubert's music but at the poetry drawn from the works of Wilhelm Müller who once wrote in his diary perhaps there is a kindred spirit somewhere who will hear the tunes behind the words and give them back to me Youens maintains that Müller in depicting the wanderings of the alienated lover produced poetry that was simple but not simple minded poetry that embraced simplicity as part of its meaning In her view Müller used the ruder folk forms to give his verse greater immediacy to convey more powerfully the wanderer's complex inner state Youens addresses many different aspects of Winterreise the cultural milieu to which it belonged the genesis of both the poetry and the music Schubert's transformation of poetic cycle into music the philosophical dimension of the work and its musical structure

The Song Cycle Laura Tunbridge, 2010 Investigates how other types of music have influenced the scope of the song cycle from operas and symphonies to popular song

**Schubert's Song Sets** Michael Hall, 2017-11-22 This title was first published in 2003 From 1821 until his death Schubert compiled or specially composed for publication 42 song sets yet during his own lifetime and until now their integrity and importance as sets have been virtually ignored In this book Michael Hall asserts that these songs sets are not arbitrary collections as so often assumed but highly integrated works in their own right

Approaching these songs as sets the book throws light on Schubert's largely undiscussed intellectual preoccupations. They reveal that he was au fait with most of the philosophical concerns of his time especially those which touched on Romanticism. But although the sets reflect Romanticism in their topics Hall maintains that they are the epitome of classical balance. In encouraging students and performers to approach these songs as sets this study aims to alter perceptions of this important repertory.

**Encyclopedia of the Romantic Era, 1760-1850** Christopher John Murray, 2004. Review. Written to stress the crosscurrent of ideas this cultural encyclopedia provides clearly written and authoritative articles. Thoughts, themes, people and nations that define the Romantic Era as well as some frequently overlooked topics receive their first encyclopedic treatments in 850 signed articles with bibliographies and coverage of historical antecedents and lingering influences of romanticism. Even casual browsers will discover much to enjoy here. The Top 20 Reference Titles of the Year American Libraries May 2004.

**Schubert's Theater of Song** Mark Ringer, 2009-03. CD. enth. It 20. Lieder von Schubert.

**Death in Winterreise** Lauri Suurpää, 2014-01-06. Lauri Suurpää brings together two rigorous methodologies: Greimassian semiotics and Schenkerian analysis to provide a unique perspective on the expressive power of Franz Schubert's song cycle. Focusing on the final songs Suurpää deftly combines textual and tonal analysis to reveal death as a symbolic presence if not actual character in the musical narrative. Suurpää demonstrates the incongruities between semantic content and musical representation as it surfaces throughout the final songs. This close reading of the winter songs coupled with creative applications of theory and a thorough history of the poetic and musical genesis of this work brings new insights to the study of text-music relationships and the song cycle.

**The Schubert song transcriptions for solo piano: Winterreise ; Geistliche Lieder ; La rose ; Lob der Thränen ; Die Forelle** Franz Liszt, 1996-01-01. Of the many piano transcriptions Franz Liszt made of the works of other composers those he made of the songs of Franz Schubert are among his most inspired. This volume contains the legendary pianist's twelve transcriptions from Schubert's great song cycle Winterreise along with the four songs of Geistliche Lieder and the beloved single songs La Rose, Lob der Thranen and Die Forelle. These rare transcriptions offer a unique blending of Classical inspiration with Romantic virtuosity. Here Liszt retained the intense lyricism and emotional impact of Schubert's songs as he transformed them into dazzling compositions for solo piano. For generations pianists and their audiences savored the rich rewards of Liszt's memorable achievement even as the long-awaited publication of this Dover volume: nineteen rare gems of the keyboard literature are once more available reproduced from extremely rare early editions.

[The Schubert Song Transcriptions for Solo Piano/Series II](#) Franz Liszt, 2013-02-21. All 24 songs of Schubert's great song cycle Winterreise along with the 4 songs of Geistliche Lieder and the beloved single songs La Rose, Die Forelle and Lob der Thranen.

**The Harvard Dictionary of Music** Don Michael Randel, 2003-11-28. This classic reference work, the best one-volume music dictionary available, has been brought completely up to date in this new edition. Combining authoritative scholarship and lucid, lively prose, the Fourth Edition of The Harvard Dictionary of Music is the essential guide for musicians.

students and everyone who appreciates music The Harvard Dictionary of Music has long been admired for its wide range as well as its reliability This treasure trove includes entries on all the styles and forms in Western music comprehensive articles on the music of Africa Asia Latin America and the Near East descriptions of instruments enriched by historical background and articles that reflect today's beat including popular music jazz and rock Throughout this Fourth Edition existing articles have been fine tuned and new entries added so that the dictionary fully reflects current music scholarship and recent developments in musical culture Encyclopedia length articles by notable experts alternate with short entries for quick reference including definitions and identifications of works and instruments More than 220 drawings and 250 musical examples enhance the text This is an invaluable book that no music lover can afford to be without **Winterreise** Carolyn Trant, 2005 **Essays on the Song Cycle and on Defining the Field**, 2022-07-18 This volume assembles twelve interdisciplinary essays that were originally presented at the Second International Conference on Word and Music Studies at Ann Arbor MI in 1999 a conference organized by the International Association for Word and Music Studies WMA The contributions to this volume focus on two centres of interest The first deals with general issues of literature and music relations from culturalist historical reception aesthetic and cognitive points of view It covers issues such as conceptual problems in devising transdisciplinary histories of both arts cultural functions of opera as a means of reflecting postcolonial national identity the problem of verbalizing musical experience in nineteenth century aesthetics and of understanding reception processes triggered by musicalized fiction The second centre of interest deals with a specific genre of vocal music as an obvious area of word and music interaction namely the song cycle As a musico literary genre the song cycle not only permits explorations of relations between text and music in individual songs but also raises the question if and to what extent words and or music contribute to creating a larger unity beyond the limits of single songs Elucidating both of these issues with stimulating diversity the essays in this section highlight classic nineteenth and twentieth century song cycles by Franz Schubert Robert Schumann Hugo Wolf Richard Strauss and Benjamin Britten and also include the discussion of a modern successor of the song cycle the concept album as part of today's popular culture **The Romantic Generation** Charles Rosen, 1998-09-15 Accompanied by a sound disc digital 4 3 4 in by the same name which is available in Multimedia CD 6

This is likewise one of the factors by obtaining the soft documents of this **Schubert Song Cycles** by online. You might not require more grow old to spend to go to the books establishment as capably as search for them. In some cases, you likewise complete not discover the broadcast Schubert Song Cycles that you are looking for. It will unquestionably squander the time.

However below, past you visit this web page, it will be hence very simple to get as competently as download lead Schubert Song Cycles

### **Schubert Song Cycles Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Schubert Song Cycles has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Schubert Song Cycles has opened up a world of possibilities. Downloading Schubert Song Cycles provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Schubert Song Cycles has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Schubert Song Cycles. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Schubert Song Cycles. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Schubert Song Cycles, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Schubert Song Cycles has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Schubert Song Cycles Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Schubert Song Cycles is one of the best book in our library for free trial. We provide copy of Schubert Song Cycles in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Schubert Song Cycles. Where to download Schubert Song Cycles online for free? Are you looking for Schubert Song Cycles PDF? This is definitely going to save you time and cash in something you should think about.
