Schwenkfelders In America:

Schwenkfelders in America Peter C. Erb,1987-01-01 The Schwenkfelders in Pennsylvania Howard Wiegner Kriebel,1904 *Migration and Faith* Horst Weigelt,2017-04-03 Migrations are a phenomenon that can be traced back to the beginning of the history of mankind In modern times especially in the eighteenth and nineteenth centuries numerous migration movements took place from Europe to North America It was also at this time that the migrations of the Schwenkfelders followers of Caspar Schwenckfeld s teachings from Silesia then belonging to the Austrian Habsburg Monarchy to Pennsylvania took place On the basis of their spiritualistic theology as well as their intense personal piety they rejected some essential doctrines of Christianity and ecclesiastical institutions Therefore governmental and ecclesiastical authorities meted out severe punishments to them However it was not until the establishment of a Jesuit Mission for their catholicization in 1719 that more than two hundred of them left Silesia for the sake of their faith They emigrated first to the Electorate of Saxony and several years later to Pennsylvania where they settled scattered widely northwest of Philadelphia between 1731 and 1737 In this multireligious multicultural and multiethnic English colony they become acquainted with other religious beliefs and forms of piety Here moreover they were challenged by other social political and cultural circumstances This monograph is the first to pursue in detail the effects of these acquaintanceships and challenges on the faith of the Silesian refugees These effects ranged as becomes clear from declines and multifarious alterations modifications changes or even revisions to the strengthening and deepening of their traditional faith and piety However the study shows for most of the Schwenkfelders the migrations did not primarily involve risks Rather they opened up great opportunities for their religious development and their individual and community life Without doubt the Schwenkfelder migrations are characterized by uniqueness nevertheless certain features can also be detected in other religious migrations Therefore their migrations represent in certain ways a paradigm for this time and beyond *Germany and the Americas* Thomas Adam,2005-11-07 This comprehensive encyclopedia details the close ties between the German speaking world and the Americas examining the extensive Germanic cultural and political legacy in the nations of the New World and the equally substantial influence of the Americas on the Germanic nations From the medical discoveries of Dr Johann Siegert surgeon general to Simon Bolivar to the amazing explorations of the early 19th century German explorer Alexander von Humboldt whose South American and Caribbean travels made him one of the most celebrated men in Europe Germany and the Americas examines both the profound Germanic cultural and political legacy throughout the Americas and the lasting influence of American culture on the German speaking world Ever since Baron von Steuben helped create George Washington s army German Americans have exhibited decisive leadership not only in the military but also in politics the arts and business Germany and the Americas charts the lasting links between the Germanic world and the nations of the Americas in a comprehensive survey featuring a chronology of key events spanning 400 years of transatlantic history

Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation *A Documentary History of Religion in America to 1877* Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to contemporary students and general readers **Down and Out in Early America** Billy G. Smith, 2010-11-01 It has often been said that early America was the best poor man's country in the world After all wasn't there an abundance of land and a scarcity of laborers The law of supply and demand would seem to dictate that most early American working people enjoyed high wages and a decent material standard of living Down and Out in Early America presents the evidence for poverty versus plenty and concludes that financial insecurity was a widespread problem that plagued many early Americans The fact is that in early America only an extremely thin margin separated those who required assistance from those who were able to secure independently the necessities of life The reasons for this were many seasonal and cyclical unemployment inadequate wages health problems including mental illness alcoholism a large pool of migrants low pay for women abandoned families The situation was made worse by the inability of many communities to provide help for the poor except to incarcerate them in workhouses and almshouses The essays in this volume explore the lives and strategies of people who struggled with destitution evaluate the changing forms of poor relief and examine the political religious gender and racial aspects of poverty in early North America Down and Out in Early America features a distinguished lineup of historians In the first chapter Gary B Nash surveys the scholarship on poverty in early America and concludes that historians have failed to appreciate the numerous factors that generated widespread indigence Philip D Morgan examines poverty among slaves while Jean R Soderlund looks at the experience of Native Americans in New Jersey In the other essays Monique Bourque Ruth Wallis Herndon Tom Humphrey Susan E Klepp John E Murray Simon Newman J Richard Olivas and Karin Wulf look at the conditions of poverty across regions making this the most

complete and comprehensive work of its kind "*Pennsylvania Dutch*"; *And other essays* Phebe Earle Gibbons, 2025-08-31
Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Schwenkfelder Hymnology and the Sources of the First Schwenkfelder Hymn-book Printed in America Allen Anders Seipt, 1909 *Voices of Revolutionary America* Carol Sue Humphrey, 2011-05-23 This book describes the everyday lives of people during the American Revolution as they adapted to the political and military conflicts of the time Students studying the American Revolutionary War learn primarily about battles and how independence from the British was achieved In *Voices of Revolutionary America* Contemporary Accounts of Daily Life readers get the largely untold story of the American Revolution the ongoing issues and details of life in the background behind the battles This book surveys the entirety of the Revolutionary era describing topics like marriage childbirth learning a trade cost of living slavery and religion in the late 18th century While some documents from the 1760s and early 1770s are provided to present general information about life the book focuses on the years of the war from 1775 to 1783 and describes how the prolonged conflict impacted people's day to day lives *Twentieth Century Schwenkfelders* W. Kyrel Meschter, 1984 *The Genealogical Record of the Schwenkfelder Families* Samuel Kriebel Brecht, 1923 *Early American Technology* Judith A. McGaw, 2014-01-01 This collection of original essays documents technology's centrality to the history of early America Unlike much previous scholarship this volume emphasizes the quotidian rather than the exceptional the farm household seeking to preserve food or acquire tools the surveyor balancing economic and technical considerations while laying out a turnpike the woman of child bearing age employing herbal contraceptives and the neighbors of a polluted urban stream debating issues of property odor and health These cases and others drawn from brewing mining farming and woodworking enable the authors to address recent historiographic concerns including the environmental aspects of technological change and the gendered nature of technical knowledge Brooke Hindle's classic 1966 essay on early American technology is also reprinted and his view of the field is reassessed A bibliographical essay and summary of Hindle's bibliographic findings conclude the volume The contributors are Judith A McGaw Robert C Post Susan E Klepp Michal McMahon Patrick W O Bannon Sarah F McMahon Donald C Jackson Robert B Gordon Carolyn C Cooper and Nina E Lerman *Historische Anmerkungen und Schwenkfelder School Documents* Marion Dexter Learned, 1898 "*Rememb'ring Our Time and Work is the Lords*" Karen Guenther, 2005
Pennsylvania's role in the development of American culture and society has received an increasing amount of attention in the past two decades as the tercentenary celebrations of the founding of the province led to a reexamination of the colony and state's contributions to the ethnic and religious diversity of modern America With increasing pluralism however the religious group that was most prominent in the establishment of the province the Society of Friends or Quakers declined in its impact and importance **Brief History of German Immigration into America - from Where, to Where, Why They Came**

and What They Contributed. Wolfgang H Vogel, 2020-10-21 A large number of American citizens trace their ancestry back to German immigrants who entered this country over the last centuries This book is written for these German Americans but also for others interested in history to find an answer why these early Germans left their Home country and ventured across the ocean The book describes the political and economic conditions in Germany which determined to a significant extent why Germans left their home country The book illustrates the arrival and early life of the immigrants in their new homeland which was often filled with many hardships or even death The book describes many of the major contributions these immigrants made to American life in general and its progress over time The author being of German origin presents all these different aspect in an interesting and informative way in BRIEF HISTORY OF GERMAN IMMIGRATION INTO AMERICA from where to where why they came and what they contributed
