

science alive level 6

for Victorian Essential Learning Standards

Science Alive for Victorian Essential Learning Standards Level 6 is specifically designed to cater for the learning standards of Level 6. It is designed as a flexible teaching resource to target various curriculum needs over the two years of Level 6. The wealth of material can be used as part of a core and elective curriculum, as stand alone units or to address a complete two-year Science curriculum.

The Science Alive for Victorian Essential Learning Standards series encompasses a wide range of learning materials to help teachers build breadth and depth into science learning. The material is designed to fascinate and engage adolescent learners, and encourage curiosity in the world around them. Deep learning is fostered through students probing science in many layered ways, developing a range of skills as they do so.

Key features

- Complete coverage of the Level 6 Science learning focus and standards with links to **Physical, Personal and Social Learning and Interdisciplinary Learning** strands.
- Hands-on activities and experiments to provide opportunities for coverage of the Science at Work dimension.
- Special chapter questions focusing on the links between the domain of Science and the domains of Health and Physical Education and Design, Creativity and Technology.
- CD-ROM with the entire text, and links to animations of key concepts, interactive activities and self-testing revision exercises.

The complementary text, **Science Alive for Victorian Essential Learning Standards, Teacher Support Kit, Level 6**, contains a wealth of material to support the busy teacher. It includes answers for all activities in the student text, suggested teaching strategies for all spreads, links between chapter content and the VELS standards, tips and suggestions for experiments, risk assessment sheets, and a diversity of **Interdisciplinary Learning and Physical, Personal and Social Learning** worksheets. The teacher's CD-ROM contains a testmaker and a VELS curriculum grid in adaptable Word format.
