A photograph of a person running on a beach at sunset. The person is seen from behind, wearing a light-colored t-shirt and dark shorts. The background is a bright, hazy orange and yellow sky over the ocean. The person's shadow is cast long on the sand.

Always With You **The Social Structure of the Rabbinic Movement in Roman Palestine** Catherine Hezser,1997 While rabbinic literature enables us to know more about the rabbis than any of the other members of the Jewish population of Roman Palestine the social structure of the rabbinic movement remained largely unexplored In the present study Catherine Hezser combines a critical analysis of the available literary legal and epigraphic evidence with a selective employment of sociological models She examines the definition of the boundaries of the rabbinic movement deals with the nature of the relationships amongst rabbis and investigates the relationship between rabbis and their contemporaries that is students the community and the patriarch BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights

Reserved **Rabbis as Romans** Hayim Lapin,2012-07-02 Conventionally the history of the rabbinic movement has been told as a distinctly intra Jewish development a response to the gaping need left by the tragic destruction of the Jerusalem Temple in 70 CE In Rabbis as Romans Hayim Lapin reconfigures that history by drawing sustained attention to the extent to

which rabbis participated in and were the product of a Roman and late antique political economy Rabbis as a group were relatively well off literate Jewish men an urban sub elite in a small generally insignificant province of the Roman empire That they were deeply embedded in a wider Roman world is clear from the urban orientation of their texts the rhetoric they used to describe their own group mirroring that used for Greek philosophical schools their open embrace of Roman bathing and their engagement in debates about public morals and gender that crossed regional and ethnic lines Rabbis also form one of the most accessible and well documented examples of a nativizing traditionalist movement in a Roman province It was a movement committed to articulating the social ritual and moral boundaries between an Israelite us and the nations To attend seriously to the contradictory position of rabbis as both within and outside of a provincial cultural economy says Lapin is to uncover the historical contingencies that shaped what later generations understood as simply Judaism and to reexamine in a new light the cultural work of Roman provincialization itself Buch Journal ,1996 *Die Zehn.
