Maritime Law in China Johanna Hjalmarsson, Jenny Jingbo Zhang, 2016-09-19 The Chinese maritime and shipping market has been expanding enormously in recent times as its commercial capacity to perform shipping ship building banking and insurance activities grows and the role of the State as guarantor of commerce is gradually reduced This book provides a detailed guide to current Chinese maritime law written by an expert team of contributors and systematically covering key areas such as carriage of goods by sea international trade vessels and seafarers and maritime liabilities The authors explore cutting edge issues within each topic and analyse current trends in law reform The book will be of interest to academics researching commercial and maritime law as well as maritime law practitioners and shipping industry professionals working with aspects of Chinese maritime practice

Shakespeare and the Environment: A Dictionary Sophie Chiari, 2022-01-27 While our physical surroundings fashion our identities we in turn fashion the natural elements in which or with which we live This complex interaction between the human and the non human already resonated in Shakespeare s plays and poems As details of the early modern supra and infra celestial landscape feature in his works this dictionary brings to the fore Shakespeare s responsiveness to and acute perception of his environment and it covers the most

significant uses of words related to this concept In doing so it also examines the epistemological changes that were taking place at the turn of the 17th century in a society which increasingly tried to master nature and its elements For this reason the intersections between the natural and the supernatural receive special emphasis All in all this dictionary offers a wide variety of resources that takes stock of the green criticism that recently emerged in Shakespeare studies and provides a clear and complete overview of the idea imagery and language of environment in the canon **Annual Reports of the**
