Natural Sex Boosters Ray Sahelian, 2015 *Natural Sex Boosters* Ray Sahelian, 2012-04-16 Although science has made great breakthroughs in the treatment of sexual dysfunction it has been found that the new prescription drugs do not help everyone and that they involve risk. Fortunately there are effective alternatives: herbs, nutrients, and natural hormones that have been used for centuries around the world. Now best selling author and physician Dr Ray Sahelian has written an easy to understand book on these sex boosters. In this A to Z guide Dr Sahelian discusses each natural substance explaining what it is, what it does, and how it is taken. He also presents the research behind each supplement's claims and shares both his own and his patients' personal experiences with natural sex boosters. Throughout the book Dr Sahelian highlights how these alternatives can remedy such issues as decreased desire, impotency, poor staying power, and decreased hormone production, as well as simply enhance sexual pleasure. *Natural Sex Boosters* provides new solutions to some very old problems.

Integrative Sexual Health Barbara Bartlik, Geovanni Espinosa, Janet Mindes, 2018-03-14 *Integrative Sexual Health* explores beyond the standard topics in men's and women's health, drawing on a diverse research literature to provide an overview of sexual biology and sexual dysfunction, diverse lifespan, lifestyle, and environmental impacts on sexual function, integrative medicine solutions to sexual problems, and traditional eastern and western treatment approaches to healing sexual difficulties. This comprehensive guide, written by experts in the field, provides clinical vignettes, detailed treatment strategies for mitigating the side effects of both medications and sexual dysfunction associated with medical illness and poor lifestyle habits, and extensive further reading resources. Integrative treatment modalities not typically consulted in mainstream medicine, such as traditional Chinese medicine, Ayurvedic medicine, aromatherapy, and botanical medicine, are presented with the best evidence in a clinically relevant manner. Part of the Weil Integrative Medicine Library, this volume is a must read for the specialist and non-specialist alike who wish to address sexual problems using an integrative medicine approach and acquire tools to maintain lifetime optimal health and vitality that supports healthy sexuality. Integrative medicine is defined as healing-oriented medicine that takes account of the whole person: body, mind, and spirit, as well as all aspects of lifestyle. It emphasizes the therapeutic relationship and makes use of appropriate therapies, both conventional and alternative. Series editor Andrew Weil, MD, is Professor and Director of the Arizona Center for Integrative Medicine at the University of Arizona. Dr. Weil's program was the first such academic program in the U.S., and its stated goal is to combine the best ideas and practices of conventional and alternative medicine into cost-effective treatments without embracing alternative practices uncritically. *Earl Mindell's New Vitamin Bible* Earl Mindell, Hester Mundis, 2011-11-01 America's 1 vitamin book, now with extensive new material and special sections.
