The Stalinist Becomes Bogomil Michael Yarbrough,2019-09-16 At war s end Europe was divided between ourselves and the Soviet Union With the author Michael Yarbrough it has never been an issue whether our side of the barbed wire was the better place to be I ve ALWAYS assumed as much But I ve ALWAYS regarded it as beside the point The point is that on our side there was the reconstitution with brilliant reforms of the very socio economic order that led to the Depression in the first place which in its turn led to World War II and 60 million dead by conservative estimate On the last Friday of January 2020 Kristalina Georgeva of the International Monetary Fund expressed dismay at the parallels between the international economic situation of the roaring 1920s that led to the Depression with the situation today No surprise to me it was inevitable What else is inevitable So who is Jean LeFey At war s end a question loomed Would there be a Communist revolution in Italy and France This question impinged on the very life the dream and lethal conspiracy of a French Canadian American visionary serving in the American Army in Italy in the closing days of World War II and the opening days of the Cold War He was once a Catholic priest an ancient history professor committed to the defense of Christendom Christian civilization He is now a Stalinist committed to the revolutionary Communist unification of Europe which he believes will be an intellectuals Europe secure from depression and world war resurgent in power and culture He does not seriously suspect that for reasons of state Stalin does not want a revolution in Italy and has since the war s outset exerted himself to prevent it All of this in keeping with the novel s theme The elusiveness of reality or the uncertainty of life It is inspired by classical Greek tragedy and Graeco Roman and Germanic epics A paean to internationalist inspired high treason as well as a cautionary tale against it A metaphor of a spiritual ordeal not only transfixing the epoch of the Cold War but in different guises our own as well Passionate heroic brooding romantic sinister threatening poignant tender wildly ribald A national epic for an Italy even a Europe never to be born Its hero Jean LeFey a professorial blend of Captain Ahab Lenin and Woody Allen

Punch ,1927 *Pearson's Magazine* ,1909 **America for Americans** Lee Dobry,2020-02-21 America for Americans is Dobry s attempt to explain some of the basic concepts of America things that the schools are not allowed to teach nowadays Basic things like what is the idea of America What makes this country unique in the history of the world Where does money come from and who decides how much each country gets We hear about everyone s Constitutional Rights but what are they Why would anyone in their right mind want to destroy the Constitution the one document that guarantees our protections against a tyrannical government What is socialism at least today s version of it Can socialism really work long term in America What is the cost of socialism What is the socialist agenda What is the conservative agenda These are things that all Americans need to understand well what we have and what we stand to lose America is at a critical point right now What we do in the 2020 elections will not only determine what kind of life we will have but also what kind of life our children and grandchildren and their children will have and we need to be keenly aware of that Will they live free or will they live as subjects under an all controlling government We need to consider that very carefully because your freedom is like your life once you give it up you won t get it back We all need to be well informed with the truth before we make decisions that will have irreversible consequences for the future generations of Americans We have the right to throw away our own freedoms if we so choose We do not have the right to throw away theirs And it s not just about the 2020 elections It won t end there The fight to keep socialist forces from taking away Americans freedom will go on until either they win or we defeat them There can be no compromise between freedom and slavery It s one or the other There is no middle ground Good Housekeeping Magazine ,1909 **American Book Publishing Record** ,1984-04 *Love and Other Natural Disasters* Holly Shumas,2009-01-08 The witty yet poignant story of a woman in her early thirties who discovers that her seemingly devoted husband has been having an emotional affair for the past year Eve is eight months pregnant and in the middle of a Thanksgiving celebration when she discovers that her husband Jonathan has developed an intimate relationship with a woman over the past year Jonathon asserts his innocence an affair involves physical intimacy and he didn t have any while Eve feels deeply betrayed by the emotional connection he shared with someone else What Jon has done seems so terrifyingly out of character that Eve finds herself questioning her entire reality Did she ever really know Jon at all Was their happiness together a lie Is emotional intimacy more forgivable than sexual intimacy And can their marriage survive *The Yellow Wallpaper and Other Stories* Charlotte Perkins Gilman,2022-05-16 In the Longsellers collection you will find the most read and loved books of all time Published in 1892 The Yellow Wallpaper became a classic whenever we talk about feminist literature The story told in the format of a diary tells the story of a woman confined to a room in a country house under the
