Nature Has No Borders Nationals And Conservation Association:

Transboundary Policy Challenges in the Pacific Border Regions of North America Donald K. Alper, John Chadwick Day, James Loucky, 2008 Transboundary Policy Challenges responds to a growing interest in borderlands environmental policy by highlighting significant transboundary research and practices being undertaken within and across the Pacific border regions of North America Growing concern about the seriousness of environmental problems particularly in high growth border areas coupled with the rising awareness of the complexities entailed in wise development decisions has spurred recognition that new realities require new responses Critical for effective environmental protection restoration and education is a sharing of understanding and effort across borders Transboundary Policy Challenges advances transborder environmental research and discusses sensible policy directions with particular focus on critical areas of international concern and engagement land and water use planning regional growth management trade and transportation corridors environmental education and travel and tourism Contributors to the volume represent a range of disciplines as well as institutions in Canada the United States and Mexico *Protected Areas and the Regional Planning Imperative in North America* James Gordon Nelson, Lucy M. Sportza, 2003 Based on a workshop on Regional Approaches to Parks and Protected Areas in North America held at Tijuana Mexico March 1999 p xv *Ski Trails and Wildlife* Eric Burr, 2008-05-08 Snow sports are usually the first step to learning about snow country wildlife which is only as safe as knowledgeable people want it to be Unfortunately knowledge is too often lacking and skiing is perceived as detrimental too wildlife Reality is that skiing in all its many forms from ski lift resorts to far flung Scandinavian style ski touring holds the keys to wildlife conservation and restoration No amount of litigation can change this basic fact of life although the Mineral King Case from the Supreme Court of the United States certainly changed the legal landscape for all environmental litigation Mineral King s near miss at becoming another ski lift avalanche disaster area preceded Early Winters another almost ski lift area which shares the honor of being a Supreme Court case and is the last chapter of this book Olympic National Park is the other ski history explored so that the National Parks are given equal emphasis with America s National Forests and Canada s Crown Lands An extensive bibliography also includes many electronically available sources The language is not technical and no prior experience with either skiing or wildlife is presumed The book is primarily written for both skiing and wildlife enthusiasts who may not know much about each other It is intended as a peace offering to hopefully prevent future ski wars and unnecessary trips through the legal system That effort could be better spent restoring wildlife and the life support system of our circumpolar boreal forest Political Culture and Public Policy in Canada and the United States John C. Pierce, 2000 This text focuses on the shared Pacific West political arena of Washington State and the province of British Columbia but has many implications for comparison drawn at the national level Using multiple methodologies the book reports the results of investigative differences in the two countries including political cultures and public preferences in three major areas of public policy native claims
