

Nature of Moral judgement

- Moral judgment is active in nature.
 - Because moral judgment is given upon voluntary and habitual acts of persons and not upon their passive experiences.
- Moral judgment is social in character.
 - Because, as we know, voluntary acts of a person are right or wrong, because they more or less affect the of interest of others.
- Moral judgment can be said to be obligatory in character.
 - Because a judgment can be given as right, while we feel the moral obligation to do it.
