

What is the history and nature of sacrifice?

- If we look at the history and the nature of sacrifice, we see that sacrifice began at the beginning of Creation.
 - Adam and Eve offered sacrifices to God.
 - Cain and Abel offered sacrifices to God.
 - For example, Abel offered a sheep. Cain offered the fruits of the Earth.
- The idea of sacrifice is to take something that God has given us, and we give it back to God
 - (to offer something back to God).

The Hero's Quest and the Cycles of Nature Rachel S. McCoppin, 2016-10-25 This examination of the heroic journey in world mythology casts the protagonist as a personification of nature a botanical hero one might say who begins the quest in a metaphorical seed like state then sprouts into a period of verdant strength But the hero must face a mythic underworld

where he or she contends with mortality and sacrifice embracing death as a part of life For centuries humans have sought superiority over nature yet the botanical hero finds nothing is lost by recognizing that one is merely a part of nature Instead a cyclical promise of continuous life is realized in which no element fully disappears and the hero's message is not to dwell on death *A True Scripture Account of the Nature and Benefits of the Holy Eucharist*, Thomas Brett,1736 *The Popular*
