Natures Ecosystems Paperback By Norris:

Your Natural Garden Kelly D. Norris, 2024-12-03 A valuable and artfully crafted guide to tending a naturalistic garden From plantsman Kelly Norris author of *New Naturalism* comes a much needed handbook to maintaining today's natural gardens Naturalistic plantings overflowing with biodiverse communities of plants are filling front and backyards around the globe with colorful blooms easy care plants and wildlife habitat But caring for a naturalistic garden is vastly different than caring for a traditional home landscape of carefully manicured plants separated by mulch and regularly pruned and pruned In *Your Natural Garden* tending your garden properly means understanding its connection to the greater natural world and using garden care methods that mimic nature instead of controlling it Page by page you're guided through all the seasons of a naturalistic garden's life and the tasks and to dos that come with each of them Including how to Encourage and establish complexity in a new garden Promote growth and variation by letting your plants self propagate Determine when and what to edit and when it's best to let chaos reign Decide if and when weeding is necessary Foster the insects and other animals that rely on your plants Understand succession in the naturalistic garden and why it's important Know when it's time to cut back your garden and how to do it right Verdant photographs accompany the text throughout offering examples of well tended naturalistic plantings and the tasks that are needed to properly care for them
