prejudice challenged the band of walkers as much as Mother Nature however angels in everyday clothes helped them overcome their personal limitations bloody blisters broken bones and life threatening situations Eleanor and her companions carried Mary's courageous story from Kentucky to Virginia in their own remarkable feat of determination and achievement As an act of self preservation Eleanor did not understand initially her physical journey became a transformative personal journey that redefined her as a capable strong and independent woman The inspiration is contagious and it affects us all in different ways Eleanor's book is another carrier of the inspiration James Alexander Thom author of the best seller *Follow the River*
