selling them If you re teaching middle school and you need lessons that don t repeat the skits for Spanish 1 at the high school level then these books are a good bet The lessons are designed to get students speaking and writing basic Spanish with enthusiasm and confidence by the end of the first semester primarily by acquiring vocab sets with skits and readings Included are lessons on basic greetings and introductions descriptions of people subject and object pronouns and basic verbs like tener ser estar and ir Vocab sets are taught with TPR and skits and reinforced with page long Spanish readings By the end of these level 1 lessons most students should be writing 100 word 10 minute narrative Spanish essays with no dictionary help as well as narrating simple Spanish stories by looking at stick figure drawings and describing what s going on also with no dictionary help The lessons include a complete vocab list by semester daily warm up quizzes skit scripts page long Spanish readings recycling the vocab grammar content of the skit graphic organizers writing activities cooperative learning activities a 9 weeks test and a final exam These lessons are designed so that once you have your copies made you can just flip the pages and teach All masters are included and ready to copy including sub plans Follow Jalen at www.waltmania.com

Funston,Alejandro Vargas Bonilla,2006 **Jalen Waltman's Complete Lesson Plans for the TPRS Classroom 1A English Version** Jalen Waltman,2005-08-15 Jalen Waltman s English Version 1A is for first semester middle school level 1 English as a Foreign Language and 1B is for second semester middle school level 1 English as a Foreign Language These books are an English translation of my original 2005 Spanish 1 lesson plans written for level 1 middle school Spanish with all the skits quizzes tests and activities in English so the first skit is The Baby instead of El beb The lessons can be used for teaching English as a foreign second language or as a resource for teachers of languages other than Spanish Chinese German etc who would just like some good skits to translate and use in their classes These books have a lot more stick figure drawings because the quizzes and tests had to be modified to match English word to picture rather than English to Spanish Other than that they follow the exact format and include everything that s in my older 2005 Spanish lesson plan books I sell them mostly to people who are teaching English as a Foreign or Second Language here in the US as well as overseas The lessons are designed to get students speaking and writing basic English with enthusiasm and confidence by the end of the first semester primarily by acquiring vocab sets with skits and readings Included are lessons on basic greetings and introductions descriptions of people subject and object pronouns and basic verbs like to have to be and to go Vocab sets are taught with TPR and skits and reinforced with page long English readings By the end of these level 1 lessons most students should be writing 100 word 10 minute narrative English essays with no dictionary help as well as narrating simple English stories by looking at stick figure drawings and describing what s going on also with no dictionary help The lessons include a complete vocab list by semester daily warm up quizzes skit scripts page long English readings recycling the vocab grammar content of the skit graphic organizers writing activities cooperative learning activities a 9 weeks test and a final exam These lessons are designed so
