Swim Andrew Kopec,2025-09-30 People living in the nineteenth century United States saw shocking upheavals in both the economy and in ideas of selfhood in a commercial society Narratives such as Horatio Alger s rags to riches tales allured Americans with visions of financial success while events such as the Panics of 1819 1837 1857 and 1865 threatened them with sudden and devastating financial failure The antebellum period s go ahead ethos encouraged individuals to form an identity amid this chaos by striving for financial success through risk taking that is to form a capitalist self Andrew Kopec argues that writers of this era were not immune to this business turbulence rather their responses to it shaped the development of American literature By examining the public and private writings of well known American writers including Washington Irving Catharine Maria Sedgwick Nathaniel Hawthorne Herman Melville and Frederick Douglass Kopec contends that instead of anxiously retreating from the volatile market these figures deliberately engaged with it in their writing These writers grappled with both the limits and opportunities of capitalist selfhood and tried in various ways to harness the economy s energies for the benefit of the self In making this argument Kopec invites readers to consider how this era of American literature questioned the ideologies of capitalist identity that seem inescapable today **Moments of**

Despair David Silkenat,2011-03-07 During the Civil War era black and white North Carolinians were forced to fundamentally reinterpret the morality of suicide divorce and debt as these experiences became pressing issues throughout the region and nation In Moments of Despair David Silkenat explores these shifting sentiments Antebellum white North Carolinians stigmatized suicide divorce and debt but the Civil War undermined these entrenched attitudes forcing a reinterpretation of these issues in a new social cultural and economic context in which they were increasingly untethered from social expectations Black North Carolinians for their part used emancipation to lay the groundwork for new bonds of community and their own interpretation of social frameworks Silkenat argues that North Carolinians attitudes differed from those of people outside the South in two respects First attitudes toward these cultural practices changed more abruptly and rapidly in the South than in the rest of America and second the practices were interpreted through a prism of race Drawing upon a robust and diverse body of sources including insane asylum records divorce petitions bankruptcy filings diaries and personal correspondence this innovative study describes a society turned upside down as a consequence of a devastating war **A**
