Navigating Interracial Borders Black White Couples And Their Social Worlds:

Navigating Interracial Borders Erica Chito Childs, 2005-05-24 One of the best books written about interracial relationships to date Childs offers a sophisticated and insightful analysis of the social and ideological context of black white interracial relationships Heather Dalmage author *Tripping on the Color Line* A pioneering project that thoroughly analyzes interracial marriage in contemporary America Eduardo Bonilla Silva author of *Racism without Racists Color Blind Racism and the Persistence of Racial Inequality in the United States* Is love color blind or at least becoming increasingly so Today's popular rhetoric and evidence of more interracial couples than ever might suggest that it is But is it the idea of racially mixed relationships that we are growing to accept or is it the reality What is the actual experience of individuals in these partnerships as they navigate their way through public spheres and intermingle in small close knit communities In *Navigating Interracial Borders* Erica Chito Childs explores the social worlds of black white interracial couples and examines the ways that collective attitudes shape private relationships Drawing on personal accounts in depth interviews focus group responses and cultural analysis of media sources she provides compelling evidence that sizable opposition still exists toward black white unions Disapproval is merely being expressed in more subtle color blind terms Childs reveals that frequently the same individuals who attest in surveys that they approve of interracial dating will also list various reasons why they and their families wouldn't shouldn't and couldn't marry someone of another race Even college students who are heralded as racially tolerant and open minded do not view interracial couples as acceptable when those partnerships move beyond the point of casual dating Popular films Internet images and pornography also continue to reinforce the idea that sexual relations between blacks and whites are deviant Well researched candidly written and enriched with personal narratives *Navigating Interracial Borders* offers important new insights into the still fraught racial hierarchies of contemporary society in the United States

Fade to Black and White Erica Chito Childs, 2009-06-16 There is no teasing apart what interracial couples think of themselves from what society shows them about themselves Following on her earlier ground breaking study of the social worlds of interracial couples Erica Chito Childs considers the larger context of social messages conveyed by the media that inform how we think about love across the color line Examining a range of media from movies to music to the web *Fade to Black and White* offers an informative and provocative account of how the perception of interracial sexuality as deviant has been transformed in the course of the 20th century and how race relations are understood today

Boundaries of Love Chinyere K. Osuji, 2019-05-21 How interracial couples in Brazil and the US navigate racial boundaries How do people understand and navigate being married to a person of a different race Based on individual interviews with forty seven black white couples in two large multicultural cities Los Angeles and Rio de Janeiro *Boundaries of Love* explores how partners in these relationships ultimately reproduce negotiate and challenge the us versus them mentality of ethno racial boundaries By centering marriage Chinyere Osuji reveals the family as a primary site for understanding the social construction of race She

challenges the naive but widespread belief that interracial couples and their children provide an antidote to racism in the twenty first century instead highlighting the complexities and contradictions of these relationships Featuring black husbands with white wives as well as black wives with white husbands *Boundaries of Love* sheds light on the role of gender in navigating life married to a person of a different color Osuji compares black white couples in Brazil and the United States the two most populous post slavery societies in the Western hemisphere These settings she argues reveal the impact of contemporary race mixture on racial hierarchies and racial ideologies both old and new *The Harlem Renaissance* Lynn Domina,2014-11-25 A perfect guide for use in high school classes this book explores the fascinating literature of the Harlem Renaissance reviewing classic works in the context of the history society and culture of its time The Harlem Renaissance is one of the most interesting eras in African American literature as well as a highly regarded period in our country s literary history The works produced during this span reflect a turbulent social climate in America a time fraught with both opportunities and injustices for minorities In this enlightening guide author and educator Lynn Domina examines the literature of the Harlem Renaissance along with the cultural and societal factors influencing its writers This compelling book illuminates the cultural conditions affecting the lives of African Americans everywhere addressing topics such as prohibition race riots racism interracial marriage sharecropping and lynching Each chapter includes historical background on both the literary work and the author and explores several themes through historical document excerpts and thoughtful analysis to illustrate how literature responded to the surrounding social circumstances Chapters conclude with a discussion of why and how the literary work remains relevant today **Getting Real About Race** Stephanie M. McClure,Cherise A. Harris,2014-06-19 Stephanie McClure and Cherise A Harris s Second Thoughts on Race in the United States *Hoodies Model Minorities and Real Americans* is an edited collection of short essays that address the most common misconceptions about race held by students and by many in the United States in general it is a one stop shopping reader on the racial topics most often pondered by students and derived from their interests and concerns There is no existing reader that summarizes the research across a range of topics in a consistent easily accessible format and considers the evidence against particular racial myths in the language that students themselves use *Black Sexualities* Juan Battle,Sandra L. Barnes,2009-11-24 Why does society have difficulty discussing sexualities Where does fear of Black sexualities emerge and how is it manifested How can varied experiences of Black females and males who are lesbian gay bisexual transgender LGBT or straight help inform dialogue and academic inquiry From questioning forces that have constrained sexual choices to examining how Blacks have forged healthy sexual identities in an oppressive environment *Black Sexualities* acknowledges the diversity of the Black experience and the shared legacy of racism Contributors seek resolution to Blacks understanding of their lives as sexual beings through stories of empowerment healing self awareness victories and other historic and contemporary life course panoramas and provide practical information to foster more culturally relative research tolerance and acceptance

Re-visioning Family Therapy Monica McGoldrick, Kenneth V. Hardy, 2008-07-29 Now in a significantly revised and expanded second edition this groundbreaking work illuminates how racism sexism and other forms of oppression constrain the lives of diverse clients and family therapy itself Practitioners and students gain vital tools for re evaluating prevailing conceptions of family health and pathology tapping into clients cultural resources and developing more inclusive theories and therapeutic practices From leaders in the field the second edition features many new chapters case examples and specific recommendations for culturally competent assessment treatment and clinical training The section in which authors reflect on their own cultural and family legacies also has been significantly expanded Mixed Families in a Transnational World Josiane Le Gall, Catherine Therrien, Karine Geoffrion, 2021-11-29 Offering a transnational perspective on the processes of identity transmission and identity construction of mixed families in various parts of the world this book provides an overview of how local national global contexts and inter group relations structure the development of specific forms of belonging and identification Featuring nine rich ethnographic studies situated in geographic areas less covered by scholarship on mixed families such as Quebec Morocco Italy France Switzerland Belgium the Philippines Thailand and Israel the book's contributions reveal how families everyday lives are shaped by historical and sociopolitical contexts as well as by transnational dynamics and mobility trajectories The studies illustrate the context specific realities that shape social definitions of mixedness whether religious national cultural ethnic or racial at local and transnational levels The articulation of local and transnational perspectives on mixed families will be of interest to students and scholars of migration transnationalism families ethnicity race and racism in the social sciences anthropology sociology history social work international relations and global studies The book will also be of interest to policymakers as well as activists and practitioners working in organizations offering services to mixed individuals migrants and their families Families on the Margins Lynn H. Turner, 2021-05-04 This book focuses on the diverse tapestry of families in contemporary U S culture Each chapter explores a different kind of family and examines their specific communication behaviors We live in times of increasing diversity that complicate our understandings of ourselves as well as others who may be quite different from us These complexities also impact our definition of family in addition to our interpretation of family communication behaviors This book provides an examination of family communication practices in families that are underrepresented in the research of the discipline and underserved in U S culture immigrant families family members in interracial relationships LGBTQ families low income Latinx families families with an incarcerated parent and families headed by grandparents The book is an initial effort to expand the lens of family communication scholarship to focus on families on the margins Through a variety of sometimes unique methods including textual analysis in depth interviews and analysis of art projects collected at a Pride festival each chapter in this collection adds to our knowledge of how we define family and how families communicate in the 21st century The chapters in this book were originally published in a special issue of the Journal of Family Communication

Red and Yellow, Black and Brown Joanne L. Rondilla, Rudy P. Guevarra, Paul Spickard, 2017-07-03 Red and Yellow Black and Brown gathers together life stories and analysis by twelve contributors who express and seek to understand the often very different dynamics that exist for mixed race people who are not part white The chapters focus on the social psychological and political situations of mixed race people who have links to two or more peoples of color Chinese and Mexican Asian and Black Native American and African American South Asian and Filipino Black and Latino a and so on Red and Yellow Black and Brown addresses questions surrounding the meanings and communication of racial identities in dual or multiple minority situations and the editors highlight the theoretical implications of this fresh approach to racial studies

The Dynamics and Complexities of Interracial Gay Families in South Africa: A New Frontier Oluwafemi Adeagbo, 2018-12-12 This book provides an in depth account of a qualitative study on the familial arrangements and domestic settings shaping interracial gay partnerships in the South African context and it offers both empirical and theoretical insights on the topic While heterosexual intimate relationships particularly mixed race couples have attracted societal and scholarly attention in South Africa due to the country s past history of racial segregation it is however striking how little emphasis is placed on understanding same sex unions in a transforming South Africa This book is timely and important because it explores the vignettes complexities and dynamics of interracial gay intimate relationships an area that hardly gets the scholarly attention it deserves The book addresses the intersectionality and the question of how sexuality gender racial identity and personal resources influence the relationship as well as the way resilience strategies are drawn upon to sustain the partnership

Between Black and Brown Rebecca Romo, G. Reginald Daniel, J. Sterphong, 2024-10 Between Black and Brown begins with a question How do individuals with one African American parent and one Mexican American parent identify racially and ethnically In answer the authors explore the experiences of Blaxicans individuals with African American and Mexican American heritage as they navigate American culture which often clings to monoracial categorizations Part 1 analyzes racial formation and the Blaxican borderlands comparing racial orders in Anglo America and Latin America The Anglo Americanization of Latin North America particularly in the Gulf Coast and Southwest regions shapes Black and Mexican American identities Part 2 delves into Blaxicans lived experiences examining their self identification with pride and resilience The book explores challenges and agency in navigating family school and community dynamics and discusses expectations regarding cultural authenticity It also delves into Black and Brown relations and how situational contexts influence interactions This work contributes to the discourse on multiracial identities and challenges prevailing monoracial norms in academia and society Ultimately Between Black and Brown advocates for a more inclusive and nuanced understanding of identity race and culture

Handbook of the Sociology of Racial and Ethnic Relations Hernan Vera, Joe R Feagin, 2007-08-03 The study of racial and ethnic relations has become one of the most studied aspects in sociology and sociological research In both North America and Europe many traditional cultures are feeling threatened by

immigrants from Latin America Africa and Asia Sociology is at the hub of the human sciences concerned with racial and ethnic relations Since this discipline is made of multiple paradigms and methodological orientations it has been able to make relevant contributions to disciplines ranging from individual psychology social psychology and psychiatry to economics anthropology linguistics cultural studies health care delivery and education

The Myth of the Missing Black Father Roberta L. Coles, Charles St. Clair Green, 2010 Common stereotypes portray black fathers as being largely absent from their families Yet while black fathers are less likely than white and Hispanic fathers to marry their child's mother many continue to parent through cohabitation and visitation providing caretaking financial and other in kind support This volume captures the meaning and practice of black fatherhood in its many manifestations exploring two parent families cohabitation single custodial fathering stepfathering noncustodial visitation and parenting by extended family members and friends Contributors examine ways that black men perceive and decipher their parenting responsibilities paying careful attention to psychosocial economic and political factors that affect the ability to parent Chapters compare the diversity of African American fatherhood with negative portrayals in politics academia and literature and through qualitative analysis and original profiles illustrate the struggle and intent of many black fathers to be responsible caregivers This collection also includes interviews with daughters of absent fathers and concludes with the effects of certain policy decisions on responsible parenting

Transcending Racial Barriers Michael O. Emerson, George A. Yancey, 2011

Despite recent progress against racial inequalities American society continues to produce attitudes and outcomes that reinforce the racial divide In *Transcending Racial Barriers* Michael Emerson and George Yancey offer a fresh perspective on how to combat racial division They document the historical move from white supremacy to institutional racism then look at modern efforts to overcome the racialized nature of our society The authors argue that both conservative and progressive approaches have failed as they continually fall victim to forces of ethnocentrism and group interest They then explore group interest and possible ways to account for the perspectives of both majority and minority group members They look to multiracial congregations multiracial families the military and sports teams all situations in which group interests have been overcome before In each context they find the development of a core set of values that binds together different racial groups along with the flexibility to express racially based cultural uniqueness that does not conflict with this critical core *Transcending Racial Barriers* offers what is at once a balanced approach towards dealing with racial alienation and a bold step forward in the debate about the steps necessary to overcome present day racism

Amigas y Amantes Katie L. Acosta, 2013-10-30 *Amigas y Amantes* Friends and Lovers explores the experiences of sexually nonconforming Latinas in the creation and maintenance of families It is based on forty two in depth ethnographic interviews with women who identify as lesbian bisexual or queer LBQ Additionally it draws from fourteen months of participant observation at LBQ Latina events that Katie L Acosta conducted in 2007 and 2008 in a major northeast city With this data Acosta examines how LBQ Latinas manage loving relationships with the families who raised them and with their partners their children and their friends Acosta investigates how sexually nonconforming Latinas negotiate cultural expectations combat compulsory heterosexuality and reconcile tensions with their families She offers a new way of thinking about the emotion work involved in everyday lives which highlights the informal sometimes invisible labor required in preserving family ties Acosta contends that the work LBQ Latinas take on to preserve connections with biological families lovers and children results in a unique way of doing family Paying particular attention to the negotiations that LBQ Latinas undertake in an effort to maintain familial order *Amigas y Amantes* explores how they understand femininity how they negotiate their religious faiths how they face the unique challenges of being in interracial interethnic relationships and how they raise their children while integrating their families of origin

Racist America Joe R. Feagin, Kimberley Ducey, 2018-09-03 This fourth edition of *Racist America* is significantly revised and updated with an eye toward racism issues arising regularly in our contemporary era This edition incorporates many recent research studies and reports on U S racial issues that update and enhance the last edition s chapters It expands the discussion and data on social science concepts such as intersectionality and gendered racism as well as the concepts of the white racial frame systemic racism and the elite white male dominance system from research studies by Joe Feagin and his colleagues The authors have further polished the book and added more examples anecdotes and narratives about contemporary racism to make it yet more readable for undergraduates
