Rolle, 1999-03-01 As an explorer John Charles Fremont led five expeditions into the American West two of them disastrous He was also one of California's first two senators 1850 America's first Republican candidate for president 1856 a Civil War general and the territorial governor of Arizona 1878-83 But his life was one of rash and rebellious conduct against authority During the Mexican War he claimed to be the military governor of California which resulted in a court martial in 1848 At the

outbreak of the Civil War he reentered the army as one of four major generals outranking even Ulysses S Grant However when he antagonized President Abraham Lincoln by issuing his own emancipation proclamation in advance of the president s Lincoln relieved him of command In this comprehensive biography Andrew Rolle carefully examines the historical record with a psychobiographical approach that explores and explains the many irrationalities of Fr mont s character *University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects* University of California (System).
