Nazis in Newark Warren Grover,2017-09-29 Well researched readable and very interesting Choice Nazis in Newark is a model local history that reaches well beyond the border of Essex County New Jersey to the national and international arenas By recounting so many sides of the complicated encounter between Nazis and Jews in Newark Warren Grover has fashioned a world of street politics boycotts Nazi louts and Jewish bruisers that is as compelling and telling in its detail as any grand tome on the supposed failures and successes of American Jewish resistance to the Holocaust I recommend Nazis in Newark I intend to use it as a cornerstone of my teaching for some time to come Professor Michael Alexander The Jewish Quarterly Review Very few people today realize that the U S mainland was the scene of battles against the Nazis Warren Grover has produced an outstanding work on this subject The writing is incisive the ideas are both original and insightful and the thesis

masterfully developed and executed Must reading for anyone interested in American history and ethnic studies William B Helmreich CUNY Graduate Center and author of The Enduring Community Thanks to tenacious research and deft story telling Warren Grover has put the politics of extremism in one city in the shadow of Fascism Nazism and Communism and has thus illuminated the terrible dilemmas of the 1930s His book also compels the reader to consider an historical anomaly champions of the Third Reich come across as victims whose civil liberties were infringed and the gangs of Newark responsible for these violations tended to be Jewish Such ironies make Nazis in Newark worth the interest of anyone intrigued by ethnic conflict and political violence in urban America Stephen Whitfield Max Richter Professor of American Civilization Brandeis University In this fast paced thorough study of anti Nazism in Newark scholar Warren Grover tells th

Gangsters vs. Nazis Michael Benson, 2024-07-23 Now in paperback The stunning true story of the rise of Nazism in America in the years leading to WWII and the fearless Jewish gangsters and crime families who joined forces to fight back With an intense cinematic style acclaimed nonfiction crime author Michael Benson reveals the thrilling role of Jewish mobsters like Bugsy Siegel in stomping out the terrifying tide of Nazi sympathizers during the 1930s and 1940s As Adolph Hitler rose to power in 1930s Germany a growing wave of fascism began to take root on American soil Nazi activists started to gather in major American cities and by 1933 there were more than one hundred anti Semitic groups operating openly in the United States Few Americans dared to speak out or fight back until an organized resistance of notorious Jewish mobsters Meyer Lansky Bugsy Siegel Red Levine and others waged their own personal war against the Nazis in their midst gangland style Packed with surprising little known facts graphic details and unforgettable personalities Gangsters vs Nazis chronicles the mob s most ruthless tactics in taking down fascism inspiring ordinary Americans to join them in their fight The book culminates in one of the most infamous events of the pre war era the 1939 Nazi rally in Madison Square Garden in which law abiding citizens stood alongside hardened criminals to fight against the Nazis for the soul of America This is the story of the mob that s rarely told one of the most fascinating chapters in American history and American organized crime **Notorious**

New Jersey Jon Blackwell, 2007-10-29 Notorious New Jersey is the definitive guide to murder mayhem the mob and corruption in the Garden State With tabloid punch Jon Blackwell tells riveting accounts of Alexander Hamilton falling mortally wounded on the dueling grounds of Weehawken Dutch Schultz getting pumped full of lead in the men s room of the Palace Chop House in Newark and a gang of Islamic terrorists in Jersey City mixing the witch s brew of explosives that became the first bomb to rock the World Trade Center Along with these dramatic stories are tales of lesser known oddities such as the nineteenth century murderer whose skin was turned into leather souvenirs and the state senator from Jersey City who faked his death in a scuba accident in the 1970s in an effort to avoid prison Blackwell also sheds light on some historical whodunits was Bruno Hauptmann really guilty of kidnapping the Lindbergh baby Who was behind the anthrax attacks of 2001 Not forgotten either are notorious characters who may actually be innocent including Rubin Hurricane Carter and

those who have never been convicted of wrongdoing although they left office in scandal including Robert Torricelli and James McGreevey Through 100 historic true crime tales that span over 300 years of history Blackwell shows readers a side of New Jersey that would make even the Sopranos shudder Alleged Nazi War Criminals United States. Congress. House. Committee on the Judiciary. Subcommittee on Immigration, Citizenship, and International Law,1979 *Jewish Currents* ,2004 Summary of Michael Benson's Gangsters vs. Nazis Everest Media,2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Jewish migration to America began in the nineteenth century and by the 1920s there were four million Jews in the country While some Jews lives were dominated by Old World religious practices there were also teenaged boys who sought to avoid a life of shopkeeping or factory drudgery and instead pursue careers in crime 2 The Jewish gangsters that the boys admired were not afraid of danger and they were often the danger They were not cowering behind a desk they were wading into fights and tossing people on their ears into the street 3 Jewish gangsters and their Italian cousins ruled the underworld and many young Jewish boys found a brotherhood in the gangs As the fascist menace grew in New York Meyer Lansky became the nation s top Jewish gangster 4 Fascist ideology is based on the belief that a dictator is better than an elected one because many voters are enemies of the people and need to be oppressed It requires a strong leader and a weaker scapegoat In Germany Hitler became the dictator and Jews the scapegoat **The Nazi Spy Pastor** J. Francis Watson,2014-09-09 One man could have enabled the most audacious terrorist threat against America prior to 9 11 and helped the Nazis win World War II the Nazi spy pastor Carl Krepper His riveting story brings to light a forgotten chapter in the history of the Second World War As America continues to wrestle with issues surrounding the threat of sabotage and terrorism this eye opening work details a very real threat faced by our country in the Second World War and the key aspects of the underground war that was fought in this country by Nazi agents The Nazi Spy Pastor Carl Krepper and the War in America presents the fascinating true story of a secret plot to be executed on American soil a German sabotage operation with intended targets in New York New Jersey Pennsylvania Tennessee and Illinois This book chronicles for the first time the remarkable life of Carl Krepper naturalized American citizen Lutheran pastor and the Nazi deep cover operative who could have made possible the greatest terrorist threat on American soil prior to the attacks on September 11th Historian J Francis Watson draws on newly declassified archival and documentary materials to tell the full story of how a devoted clergyman lost his way and betrayed his calling instead advocating an ideology that supported genocide and the deaths of innocent victims in America and how he came to play a key role in the Pastorius sabotage plot The book covers fascinating cloak and dagger details of submarine infiltrations safe houses and secret codes detailing Krepper s life his work as a Nazi agent and the FBI sting operation that finally brought about his arrest in December of 1944 This little known real life espionage story will serve students of World War II history and appeal to readers interested in immigration and the integration of immigrant populations as well as the histories of New York and New Jersey Nazis and

Good Neighbors Max Paul Friedman,2003-08-04 This international history uncovers an American security program in which Washington reached into fifteen Latin American countries to seize more than 4 000 German expatriates and intern them in the Texas desert The crowd of Nazi Party members antifascist exiles and even Jewish refugees were lumped together in camps riven by strife The book first published in 2003 examines the evolution of governmental policy its impact on individuals and emigrant communities and the ideological assumptions that blinded officials in both Washington and Berlin to Latin American realities Franklin Roosevelt s vaunted Good Neighbor policy was a victim of this effort to force reluctant Latin American governments to hand over their German residents while the operation ruined an opportunity to rescue victims of the Holocaust This study makes a very contemporary argument that security measures based on group affiliation rather than individual actions are as unjust and ineffective in foreign policy as they are in law enforcement *Progressive Politics in the Democratic Party* Richard A. Hawkins,2022-01-27 In the era of the appeasement of the dictators Samuel Untermyer stands out as a champion of the human rights of not just German Jewry but of other persecuted communities in Germany such as trade unionists Roman Catholics and Freemasons This is the first full biography of Untermyer a prominent Wall Street lawyer who founded the principles on which Jewish democratic politics still stands today The first to oppose Hitler he organised the anti Nazi league in the early 1930s and proposed a unique global socialist capitalist worldview which still informs American politics today *The Famous, the Familiar and the Forgotten* Guy Sterling,2014-11-15 The book that brings America s gateway city to life Newark New Jersey is not only one of the oldest cities in the country but also a place that notable Americans from all walks of life have called home Among the famous are Thomas Edison Aaron Burr Sarah Vaughan Whitney Houston Jerome Kern Shaquille O Neal Queen Latifah Allen Ginsberg Amiri Baraka Jackie Gleason Eva Marie Saint Rod Steiger Frankie Valli Joe Pesci and Wyclef Jean Familiar names include the likes of Ed Koch Dutch Schultz Washington Irving Fanny Brice and Marvin Hagler And then there are those who enjoyed their moment in the spotlight but have mostly faded from memory like silent film star Harold Lockwood Wimbledon champ Ted Schroeder TV cop David Toma and opera diva Maria Jeritza For the first time *The Famous the Familiar and the Forgotten* brings together in a single volume these celebrated personalities and many more just like them in a salute to the city that gave them their start or helped them along the way to renown Included with entries are address listings So come take a journey beginning with its founding in 1666 to a city with a roster of remarkable residents as impressive as any place in the country Newark New Jersey home to history
