Red Against Blue The Liberal Party In Colombian Politics 1863 1899:

Red Against Blue Helen Delpar, 2010-03-03 An overview of the early political history of Colombia through an examination of the Liberal party from 1863 to 1899 its role in the Colombian political system and its evolution during that time

The Early Colombian Labor Movement David Sowell, 1992 David Sowell traces the history of artisan labor organizations in Bogotá and examines long term political activity of Colombian artisans in the century after independence Relying on contemporary newspapers political handouts broadsides and public petitions Sowell analyzes the economic social and political history of the capital's artisan class a middling social sector with very significant social and political strengths This is the first study in English of nineteenth century Latin American artisans and one of the few treatments that spans the whole of nineteenth century Colombian history The rise and late decline of artisan class political activity coincided the Colombia's integration into the world market Initially petitioning for tariff protection Bogotá's craftsmen in time mobilized to address numerous issues including industrial education internal trade order credit and better health and educational facilities Sowell traces the transformation of Colombia's economy and the mainly negative effects its evolution had on Bogotá's artisans By the end of the nineteenth century the artisans class was fragmented their labor leadership replaced by workers associated with industrial production transportation systems and the production of coffee Author note David Sowell is Assistant Professor of History at Juniata College

Foreign Aid as Foreign Policy Jeffrey Taffet, 2012-08-06 *Foreign Aid as Foreign Policy* presents a wide ranging thoughtful analysis of the most significant economic aid program of the 1960s John F Kennedy's Alliance for Progress Introduced in 1961 the program was a ten year multi billion dollar foreign aid commitment to Latin American nations meant to help promote economic growth and political reform with the long term goal of countering Communism in the region Considering the Alliance for Progress in Chile Brazil the Dominican Republic and Colombia Jeffrey F Taffet deftly examines the program's successes and failures providing an in depth discussion of economic aid and foreign policy showing how policies set in the 1960s are still affecting how the U S conducts foreign policy today This study adds an important chapter to the history of US Latin American Relations

Bandits and Liberals, Rebels and Saints Alan Knight, 2022-05 In *Bandits and Liberals Rebels and Saints* Alan Knight offers a distinct perspective on several overarching themes in Latin American history spanning approximately two centuries from 1800 to 2000 Knight's approach is ambitious and comparative sometimes ranging beyond Latin America and combining relevant social theory with robust empirical detail He tries to offer answers to big questions while challenging alternative answers and approaches including several recently fashionable ones While the individual essays and the book as a whole are roughly chronological the approach is essentially thematic with chapters devoted to major contentious themes in Latin American history across two centuries the sociopolitical roots and impact of banditry the character and evolution of liberalism religious conflict the divergent historical trajectories of Peru and Mexico the nature of informal empire and internal colonialism and the region's revolutionary history viewed

through the twin prisms of British perceptions and comparative global history Of Beasts and Beauty Michael Edward Stanfield, 2013-08-15 All societies around the world and through time value beauty highly Tracing the evolutions of the Colombian standards of beauty since 1845 Michael Edward Stanfield explores their significance to and symbiotic relationship with violence and inequality in the country Arguing that beauty holds not only social power but also economic and political power he positions it as a pacific and inclusive influence in a country ripped apart by violence private armies seizures of land and abuse of governmental authority one hoping that female beauty could save it from the ravages of the male beast One specific means of obscuring those harsh realities is the beauty pageant of which Colombia has over 300 per year Stanfield investigates the ways in which these pageants reveal the effects of European modernity and notions of ethnicity on Colombian women and how beauty for Colombians has become an external representation of order and morality that can counter the pathological effects of violence inequality and exclusion in their country *Gabriel García Moreno and Conservative State Formation in the Andes* Peter V. N. Henderson, 2009-09-15 This book explores the life and times of Ecuador's most controversial politician within the broader context of the new political history addressing five major themes of nineteenth century Latin American history the creation of political networks the divisiveness of regionalism the bitterness of the liberal conservative ideological divide the complicating problem of caudillismo and the quest for progress and modernization Two myths traditionally associated with García Moreno's rule are debunked The first is that he created a theocracy in Ecuador Instead the book argues that he negotiated a concordat with the Papacy giving the national government control over the church's secular responsibilities and subordinated the clergy many of whom were highly critical of García Moreno to the conservative state A second frequently repeated generalization is that he created a conservative dictatorship out of touch with the liberal age in which he lived Instead the book argues that moderates held sway during the first nine years of García Moreno's period of influence and only during his final term did he achieve the type of conservative state he thought necessary to advance his progressive nation building agenda In sum this book enriches our understanding of many of the notions of state formation by suggesting that conservatives like García Moreno envisioned a program of material progress and promoting national unity under a very different formula from that of nineteenth century liberals The Panama Railroad Peter Pyne, 2021-03-30 In 1848 a group of ambitious American entrepreneurs decided to embark upon a remarkable engineering feat they would build a railroad across the Isthmus of Panama to connect the Atlantic and Pacific Oceans The creation of the Panama Railroad ranks as one the boldest capitalist ventures in the 19th century and would require battling climate disease and geography before it was completed On a human level it would transform the destiny of thousands of lives in America Panama the West Indies and Asia as well as in Ireland The Panama Railroad provides the first comprehensive account of the railroad's construction going well beyond the known stories of the titans of industry involved with its construction such as William Aspinwall George Law and Cornelius Vanderbilt It seeks to correct false claims and address

numerous gaps in past histories and in particular showcases the stories of the ordinary Irish workers willing to travel halfway around the globe to pursue an uncertain future and a perilous undertaking in the hopes of escaping the devastating aftermath of the Great Famine of 1845-49 *From Frontier Town to Metropolis* Jane M. Rausch, 2007 Although Villavicencio the capital of the Department of Meta is located just 120 miles from Bogotá the mountains of the eastern Andean Cordillera lies between the two cities As a result after its founding in 1842 Villavicencio remained an isolated frontier outpost for more than one hundred years even though El Portal de la Llanura the Gateway to the Plains provided the principal access to Colombia's tropical plains Llanos a vast grassy region cut by tributaries connecting with the Meta and Guaviare rivers and eventually the Orinoco Nineteenth and twentieth century governments in Bogotá regarded the Llanos as the Eastern Lands of Promise underestimating the geographic and climatic obstacles to their development *From Frontier Town to Metropolis* recounts the history of the town and explains how by the twenty-first century it became a thriving metropolis with a population nearing three hundred thousand During the next sixty years it became the principal urban center of the Llanos despite the continual presence of militant guerrillas paramilitaries and drug traffickers This book examines the developments that transformed Villavicencio drawing on data collected about the Colombian Llanos over a period of forty years Noted researcher Jane M. Rausch offers a detailed treatment of the development of Villavicencio and the Department of Meta as a microcosm of Colombia's eastern frontier The book incorporates a wealth of research published in Spanish by Colombian scholars in the last twenty years and is the first history of Villavicencio available to English-speaking scholars It considers the important topics of when a frontier is no longer a frontier and the role played by frontier images in contemporary nationalism

Mapping the Country of Regions Nancy P. Appelbaum, 2016-05-23 The nineteenth century was an era of breathtakingly ambitious geographic expeditions across the Americas The seminal Chorographic Commission of Colombia which began in 1850 and lasted about a decade was one of Latin America's most extensive The commission's mandate was to define and map the young republic and its resources with an eye toward modernization In this history of the commission Nancy P. Appelbaum focuses on the geographers' fieldwork practices and visual production as the men traversed the mountains savannas and forests of more than thirty provinces in order to delineate the country's territorial and racial composition Their assumptions and methods Appelbaum argues contributed to a long-lasting national imaginary What jumps out of the commission's array of reports maps sketches and paintings is a portentous tension between the marked differences that appeared before the eyes of the geographers in the field and the visions of sameness to which they aspired The commissioners and their patrons believed that a prosperous republic required a unified and racially homogeneous population but the commission's maps and images paradoxically emphasized diversity and helped create a country of regions By privileging the whiter inhabitants of the cool Andean highlands over those of the boiling tropical lowlands the commission left a lasting but problematic legacy for today's Colombians *Narratives and Imaginings of Citizenship in Latin America* Cristina Rojas, Judy Metzler, 2016-01-08

This book looks at how citizenship has been imagined and transformed in Latin America through the twentieth and early twenty first centuries from different disciplinary perspectives including anthropology history urban planning geography and political studies It looks beyond citizenship as a formal legal status to explore how ideas about citizenship have shaped political and historical landscapes in different ways through the region It shows how conceptions of citizenship are intertwined with understandings of natural spaces and environments how indigenous politics are de colonizing western liberal conceptions of citizenship and how citizenship is being transformed through local level politics and projects for development In addition to showcasing some of the novel emerging forms of citizenship in the region the book also traces the ways in which historical narratives of citizenship and national belonging persist within present day politics Collectively the chapters show that citizenship remains an important entry point for understanding politics projects of reform and struggles for transformation in Latin America This book was published as a special issue of Citizenship Studies **Historical**

Dictionary of Colombia Harvey F. Kline, 2012-06-01 Colombia is the fourth largest country in South America and one of the continent s most populous nations It has substantial oil reserves and is a major producer of gold silver emeralds platinum and coal along with a significant number of natural resources Colombia has also been ravaged by a decades long violent conflict involving outlawed armed groups drug cartels and gross violations of human rights Recently the country has made some progress towards improving security and President Santos has pledged to continue to improve security by passing laws to strengthen the judicial system a reform of the manner of distributing royalties paid by mining and petroleum companies and a tougher law against corruption The Historical Dictionary of Colombia covers the history of Colombia through a chronology an introductory essay appendixes and a bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Colombia **The Colombian Novel, 1844-1987** Raymond

Leslie Williams, 2010-07-05 Novels such as One Hundred Years of Solitude have awakened English language readers to the existence of Colombian literature in recent years but Colombia has a well established literary tradition that far predates the Latin American boom In this pathfinding study Raymond Leslie Williams provides an overview of seventeen major authors and more than one hundred works spanning the years 1844 to 1987 After an introductory discussion of Colombian regionalism and novelistic development Williams considers the novels produced in Colombia s four semi autonomous regions The Interior Highland Region is represented by novels ranging from Eugenio D az Manuela to Eduardo Caballero Calder n s El buen salvaje The Costa Region is represented by Juan Jos Nieto s Ingermina to Alvaro Cepeda Samudio s La casa grande and Gabriel Garc a M rquez Cien a os de soledad the Greater Antioquian Region by Tom s Carrasquilla s Frutos de mi tierra to Manuel Mej a Vallejo s El d a se alado and the Greater Cauca Region by Jorge Isaacs Maria to Gustavo Alvarez Gardeaz bal s El bazar de los idiotas A discussion of the modern and postmodern novel concludes the study with special consideration

given to the works of Garc a M rquez and Moreno Dur n Written in a style accessible to a wide audience The Colombian Novel will be a foundational work for all students of Colombian culture and Latin American literature

The Course of Andean History Peter V. N. Henderson, 2013-08-01 The only comprehensive history of Andean South America from initial settlement to the present this useful book focuses on Colombia Ecuador Peru and Bolivia the four countries where the Andes have played a major role in shaping history Although Henderson emphasizes the period since the winning of independence in 1825 he argues that the region's republican history cannot be explained without a clear understanding of what happened in the pre Hispanic and colonial eras Henderson carefully explores the complex relationship between the Andean peoples and their land up until the fall of the Inka Empire in 1532 before addressing the Spanish conquest and the colonial aftermath emphasizing the syncretism often unwillingly forced upon the original inhabitants of the region His account of the nineteenth century discusses the attempts of the Andean elite to fashion modern nation states in the face of many divisive factors including race The final chapters carry the story from 1930 to the present as the Andean countries debated different ways to create a more inclusive and prosperous society

Between Tyranny and Anarchy Paul W. Drake, 2009-02-27 Between Tyranny and Anarchy provides a unique comprehensive history and interpretation of efforts to establish democracies over two centuries in the major Latin American countries Drake takes an unusual interdisciplinary approach combining history and political science with an emphasis on political institutions He argues that without a thorough examination of the historical roots and causes of Latin American democracy most general theories can not adequately explain its failures successes and forms Latin America offers an extraordinary laboratory for the study of democratic experiments Alongside a well deserved reputation for authoritarianism it boasts one of the world's deepest richest histories of democratic movements ideas and institutions Contrary to conventional wisdom the region's leading democracies did not lag very far behind the United States and Western Europe in making numerous advances In comparison with those countries though Latin America's democratic history has been distinctive because of its fundamental dilemma how to reconcile political systems theoretically committed to legal equality with societies divided by extreme socio economic inequalities

Exploitation, Inequality, and Resistance Mark A. Burkholder, Lyman L. Johnson, Monica A. Rankin, 2018 In this compelling text authors Mark A Burkholder Lyman L Johnson and Monica A Rankin tell the story of more than 500 years of Latin American history through the themes of exploitation inequality and resistance Balancing an examination of different forms of exploitation with discussions of active and passive resistance Exploitation Inequality and Resistance emphasizes these themes and analyzes the ways in which events throughout Latin America's history continue to resonate today

Yucatan in an Era of Globalization Eric N. Baklanoff, Edward H. Moseley, 2008-03-18 This work describes the profound changes to Yucat n's society and economy following the 1982 debt crisis that prostrated Mexico's economy The editors have assembled contributions from seasoned Yucatecologists historians geographers cultural students and an economist to chart the accelerated change in Yucat n from a

monocrop economy to a full beneficiary and victim of rampant globalization **When Colombia Bled** James D. Henderson, 2010-03-14 This book focuses on the Colombian Violencia the undeclared civil war between the Liberal and Conservative parties that raged from the late 1940s to early 1960s It presents the information as a narrative history There is also an array of appendixes maps and photographs **State Building in Latin America** Hillel David Soifer, 2015-06-09 State Building in Latin America diverges from existing scholarship in developing explanations both for why state building efforts in the region emerged and for their success or failure First Latin American state leaders chose to attempt concerted state building only where they saw it as the means to political order and economic development Fragmented regionalism led to the adoption of more laissez faire ideas and the rejection of state building With dominant urban centers developmentalist ideas and state building efforts took hold but not all state building projects succeeded The second plank of the book s argument centers on strategies of bureaucratic appointment to explain this variation Filling administrative ranks with local elites caused even concerted state building efforts to flounder while appointing outsiders to serve as administrators underpinned success Relying on extensive archival evidence the book traces how these factors shaped the differential development of education taxation and conscription in Chile Colombia Mexico and Peru *Contentious Republicans* James E. Sanders, 2004-02-03 Shows how Afro Colombians Indians and white peasants helped construct a democratic political culture in 19th century Colombia and ways in which the loss of some aspects of this mass based democracy fed into the pervasive violence of the The Face of Peace Gwen Burnyeat, 2022-09-27 A multi scale ethnography of government pedagogy in Colombia and its impact on peace Colombia s 2016 peace agreement with the FARC guerrillas sought to end fifty years of war and won President Juan Manuel Santos the Nobel Peace Prize Yet Colombian society rejected it in a polarizing referendum amid an emotive disinformation campaign Gwen Burnyeat joined the Office of the High Commissioner for Peace the government institution responsible for peace negotiations to observe and participate in an innovative peace pedagogy strategy to explain the agreement to Colombian society Burnyeat s multi scale ethnography reveals the challenges government officials experienced communicating with skeptical audiences and translating the peace process for public opinion She argues that the fatal flaw in the peace process lay in government society relations enmeshed in culturally liberal logics and shaped by the politics of international donors The Face of Peace offers the Colombian case as a mirror to the global crisis of liberalism shattering the fantasy of rationality that haunts liberal responses to post truth politics

Red Against Blue The Liberal Party In Colombian Politics 1863 1899 Introduction

In today's digital age, the availability of Red Against Blue The Liberal Party In Colombian Politics 1863 1899 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Red Against Blue The Liberal Party In Colombian Politics 1863 1899 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Red Against Blue The Liberal Party In Colombian Politics 1863 1899 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Red Against Blue The Liberal Party In Colombian Politics 1863 1899 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Red Against Blue The Liberal Party In Colombian Politics 1863 1899 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Red Against Blue The Liberal Party In Colombian Politics 1863 1899 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Red Against Blue The Liberal Party In Colombian Politics 1863 1899 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Red Against Blue The Liberal Party In Colombian Politics 1863 1899 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Red Against Blue The Liberal Party In Colombian Politics 1863 1899 books and manuals for download and embark on your journey of knowledge?

FAQs About Red Against Blue The Liberal Party In Colombian Politics 1863 1899 Books
