Schoolmistress And Other Stories:

The Schoolmistress and Other Stories Anton Chekhov, 2020-12-08 The Schoolmistress and Other Stories 1920 is a collection of short stories by Russian writer Anton Chekhov The Schoolmistress was written in 1897 and published in an issue of Moscow's daily newspaper Russkiye Vedomosti Even for Chekhov whose work is characteristically bleak and noted for its unsparing realism the title story of this collection is particularly hopeless And yet reading it alongside these other stories by a true icon of world and Russian literature one cannot help but feel a sense of hope reminded as Chekhov's readers almost invariably are of the light one finds in even the darkest of places The Schoolmistress which Chekhov wrote in Nice is a brief story that follows Maria Vasilyevna as she returns to the village where she lives and works after collecting her pay in town On the way her cart nearly overturns and she is forced to get out in the middle of a freezing river To dry off she takes a break at a local tavern where she meets the formerly handsome Khanov a landlord of her acquaintance As she continues on her journey she muses on her lot in life Beset with memories and regrets she struggles to make it home to a life she can hardly bear A Nervous Breakdown originally published in 1889 is the story of a young law student who reluctantly agrees to accompany his friends on a night in Moscow's red light district Overwhelmed with despair and guilt he struggles to reconcile what he sees with his own idealistic sense of the world These are only two of the twenty-one works collected in The Schoolmistress and Other Stories which showcase the immense talents of Anton Chekhov an icon of Russian literature With a beautifully designed cover and professionally typeset manuscript this edition of Anton Chekhov's The Schoolmistress and Other Stories is a classic of Russian literature reimagined for modern readers The schoolmistress and other stories Anton Pavlovich Chekhov, 1984 **The Schoolmistress, and Other Stories** Antón Chékhov, 2017-08-04 This book is one of the classic books of all time The Schoolmistress and Other Stories Anton Pavlovich Chekhov, 1941 The Schoolmistress and Other Stories Anton Chekhov, 2012-01-21 The Schoolmistress and Other Stories **The SCHOOLMISTRESS, and OTHER STORIES by Anton Pavlovich Chekhov** Anton Chekhov, 2017-07-22 The classic books are worth reading If you are reader you should not miss them You will say AWESOME to all the classic books **The Schoolmistress, and Other Stories** Anton Pavlovich Chekhov, 2013-07 AT half past eight they drove out of the town The highroad was dry a lovely April sun was shining warmly but the snow was still lying in the ditches and in the woods Winter dark long and spiteful was hardly over spring had come all of a sudden But neither the warmth nor the languid transparent woods warmed by the breath of spring nor the black flocks of birds flying over the huge puddles that were like lakes nor the marvelous fathomless sky into which it seemed one would have gone away so joyfully presented anything new or interesting to Marya Vassilyevna who was sitting in the cart For thirteen years she had been schoolmistress and there was no reckoning how many times during all those years she had been to the town for her salary and whether it were spring as now or a rainy autumn evening or winter it was all the same to her and she always invariably longed for one thing only to get to the end of her journey as quickly as could be

Chekov,2017-07-15 Classic Book Hall of Fame **The Schoolmistress and Other Stories** Anton Chekhov,2020-11-13 The Schoolmistress and Other Stories The Tales of Chekhov Vol IX Grisha a fat solemn little person of seven was standing by the kitchen door listening and peeping through the keyhole In the kitchen something extraordinary and in his opinion never seen before was taking place A big thick set red haired peasant with a beard and a drop of perspiration on his nose wearing a cabman s full coat was sitting at the kitchen table on which they chopped the meat and sliced the onions He was balancing a saucer on the five fingers of his right hand and drinking tea out of it and crunching sugar so loudly that it sent a shiver down Grisha s back Aksinya Stepanovna the old nurse was sitting on the dirty stool facing him and she too was drinking tea Her face was grave though at the same time it beamed with a kind of triumph Pelageya the cook was busy at the stove and was apparently trying to hide her face And on her face Grisha saw a regular illumination it was burning and shifting through every shade of colour beginning with a crimson purple and ending with a deathly white She was continually catching hold of knives forks bits of wood and rags with trembling hands moving grumbling to herself making a clatter but in reality doing nothing She did not once glance at the table at which they were drinking tea and to the questions put to her by the nurse she gave jerky sullen answers without turning her face Help yourself Danilo Semyonitch the nurse urged him hospitably Why do you keep on with tea and nothing but tea You should have a drop of vodka And nurse put before the visitor a bottle of vodka and a wine glass while her face wore a very wily expression I never touch it No said the cabman declining Don t press me

Aksinya Stepanovna What a man A cabman and not drink A bachelor can t get on without drinking Help yourself The cabman looked askance at the bottle then at nurse s wily face and his own face assumed an expression no less cunning as much as to say You won t catch me you old witch I don t drink please excuse me Such a weakness does not do in our calling A man who works at a trade may drink for he sits at home but we cabmen are always in view of the public Aren t we If one goes into a pothouse one finds one s horse gone if one takes a drop too much it is worse still before you know where you are you will fall asleep or slip off the box That s where it is And how much do you make a day Danilo Semyonitch That s according One day you will have a fare for three roubles and another day you will come back to the yard without a farthing The days are very different Nowadays our business is no good There are lots and lots of cabmen as you know hay is dear and folks are paltry nowadays and always contriving to go by tram And yet thank God I have nothing to complain of I have plenty to eat and good clothes to wear and we could even provide well for another the cabman stole a glance at Pelageya if it were to their liking Grisha did not hear what was said further
