Schools With Spirit Nurturing The Inner Lives Of Children And Teachers:

Schools with Spirit Linda Lantieri, 2002-08-16 In *Schools with Spirit* fourteen respected educators ask whether schools can nurture the inner life of students without violating the beliefs of families or the separation of church and state For anyone who is concerned for the inner lives of our children *Schools with Spirit* inspires through deeply moving stories about everything from the first tentative steps toward fostering emotional growth in our children to the bold movement of welcoming the spiritual dimension in our schools

The Win-Win Classroom Jane Bluestein, 2008 The reader comes away with strategies for implementation and the confidence to create win win classrooms and support students in self management Jo Ann Freiberg Educational Consultant Includes more examples than any other book of its kind I've ever read Stephen Haslam Educational Consultant The focus throughout this book is on effective classroom strategies for setting up a win win environment where everyone's needs are met and there are fewer power struggles to disrupt instruction Wendy Marshal Director Educational Technology Training Center Armstrong Atlantic State University At the start of your career or at the end of your rope When it comes to student behavior challenges in the classroom conventional practices and punitive discipline codes often fail to motivate students to change their attitudes or behavior Recognized for defining a nontraditional approach that really works Jane Bluestein offers educators ways to prevent discipline problems build student accountability and end frustrating power struggles with kids of all ages This authoritative research based guidebook discusses the impact of stress brain functioning learning styles and social and emotional issues on student behavior You'll find examples guidelines charts and anecdotes along with practical powerful and effective ideas to help you Avoid falling into the rules and punishment trap Establish win win authority relationships while defusing conflict and opposition Build a positive caring and emotionally safe learning climate Encourage student cooperation motivation self management and on task behavior Engage even the most defiant defeated or resistant learner by using powerful alternative strategies The Win Win Classroom will change the way you interact with students and help you build a positive social culture within your school and classroom

Spiritual Experiences in Early Childhood Education Jennifer Mata, 2014-06-13 Spirituality is frequently avoided in the public school classroom in an attempt to prevent controversy However by ignoring preventing or discounting spirituality educators can also inhibit children's spiritual development Based on qualitative research and interactions with both children and adults Jennifer Mata argues that educators should be responsible for addressing children's spirituality in the classroom and for re introducing these topics into early childhood education By surveying the existing literature on spirituality Mata offers a working definition of spirituality as an essential characteristic of humanness which helps connect individuals to themselves others and to the transcendent The book portrays stories and descriptions of four kindergarten children in their classroom setting exploring their different modes of expressing and experiencing spirituality Finally *Spiritual Experiences in Early Childhood Education* offers a review of pedagogical strategies to nurture spirituality for both teachers to implement in

the classroom and teacher educators to facilitate in teacher preparation programs *Narrating Transformative Learning in Education* M. Gardner, U. Kelly, 2008-02-04 This collection highlights the experiences of an international group of educators as they explore the art of teaching the philosophy of learning and the tensions of working across socially constructed borders

Educating from the Heart Aostre N. Johnson, Marilyn Webb Neagley, 2011-06-16 *Educating from the Heart* Theoretical and Practical Approaches to Transforming Education is based on the questions What does it mean to educate from the heart What does it mean to educate with spirit It offers both theoretical overviews and practical approaches for educators academics education students and parents who are interested in transforming schools Well respected voices in the field of education provide a framework that includes recent findings from the world of neuroscience as well as fresh perspectives about traditional wisdom Practicing educators describe methods directly applicable in classrooms In addition many chapters emphasize the importance of educators attending to their own inner lives The book encourages reinvigorating approaches to learning and teaching that can easily be integrated into both public and private K 12 school classrooms with many ideas also applicable to higher education It supports an educational system based on the beliefs that heart and spirit are intertwined with mind and intellect and that inner peace wisdom compassion and conscience can be developed together with academic content and skills **Strong Spirits, Kind Hearts** Sandra Finney, 2013-05-23 *Strong Spirits Kind Hearts* is the first
