Schumann Arabesque Op18:

Arabesque, Op. 18 Robert Schumann, Clara Schumann, 1998-08-06 Expertly arranged Piano Solo by Robert Schumann and edited by Clara Schumann from the Kalmus Edition series This Piano Solo is from the Romantic era *Schumann's Piano Cycles and the Novels of Jean Paul* Erika Reiman, 2004 A study on the influence which the German novelist Jean Paul Friedrich Richter had upon Robert Schumann's music Robert Schumann frequently expressed his deep admiration for the novels of Jean Paul Friedrich Richter the late eighteenth century German novelist essayist and satirist Schumann imitated Jean Paul's prose style in his own fiction and music criticism and said once that he learned more counterpoint from Jean Paul than from my music teacher Drawing on the recent groundbreaking work in musicological literary analysis of scholars such as Anthony Newcomb John Daverio and Lawrence Kramer Erika Reiman embarks on a comparative study of Jean Paul's five major novels and Schumann's piano cycles of the 1830s many of which are staples in the repertoire of concert pianists today The present study begins with a thorough review of Jean Paul's literary style emphasizing the digressions intertextuality self reflexivity and otherworldliness that distinguish it The similarly digressive style that Schumann developed is then examined in his earliest works including the enduring and highly original Carnival 1835 and in cycles of the later 1830s notably Davidsbündler's and Faschingsschwank aus Wien Finally an analysis of three one movement works from 1838-39 reveals links with Jean Paul's exploration of the idyll an ancient genre that had experienced an eighteenth century revival Throughout the author attempts to keep in mind the actual sound and performed experience of the works and suggests ways in which an awareness of Jean Paul's style might change the performance and hearing of the cycles Erika Reiman received her Ph.D. in Musicology from the University of Toronto 1999 and has taught at Brock University Wilfrid Laurier University the University of Guelph and the University of Toronto she is also active as a pianist and chamber musician *Schumann* Eric Frederick Jensen, 2012-02-13 Robert Schumann is one of the most intriguing and enigmatic composers of the nineteenth century Extraordinarily gifted in both music and literature many of his compositions were inspired by poetry and novels For much of his life he was better known as a music critic than as a composer But whether writing as critic or composer what he produced was created by him as a reflection of his often turbulent life Best known was the tempestuous courtship of his future wife the pianist Clara Wieck Though marriage and family life seemed to provide a sense of constancy he increasingly experienced periods of depression and instability Mounting criticism of his performance as music director at Düsseldorf led to his attempted suicide in 1854 Schumann was voluntarily committed to an insane asylum near Bonn where despite indications of improvement and dissatisfaction with his treatment he spent the final two years of his life Drawing on original research and newly published letters and journals from the time author Eric Frederick Jensen presents a balanced portrait of the composer with both scholarly authority and engaging clarity Biographical chapters alternate with discussion of Schumann's piano chamber choral symphonic and operatic works demonstrating how the circumstances of his life helped

shape the music he wrote *Chronicling the romance of Robert and Clara Jensen* offers a nuanced look at the evolution of their relationship one that changed dramatically after marriage He also follows Schumann's creative musical criticism which championed the burgeoning careers of Chopin Liszt and Brahms and challenged the musical tastes of Europe *State Magazine*, 1996 *Review of the New York Musical Season 1885-1886 [-1888-1890]* Henry Edward Krehbiel, 1888
