Schwatkas Last Search:

Schwatka's Last Search Frederick Schwatka, 1996 Schwatka a seasoned explorer and army veteran was ill overweight and in need of money when he undertook this journey through unmapped regions of subarctic Alaska and Canada His diary of the expedition was written for the popular press and he sought to make it popular indeed with heightened tales of adventure and exotic Natives to color the account *Schwatka's Search* William H. Gilder, 2020-07-16 Reproduction of the original Schwatka's Search by William H Gilder [Schwatka's Search; Sledging in the Arctic in Quest of the Franklin Records](#) William H. Gilder, 2023-09-16 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **Schwatka's Search** William Henry Gilder, 1881 Author second in command of party of five which sledged from Chesterfield Inlet to King William Island and back 1878-80 **Encyclopedia of the Arctic** Mark Nuttall, 2005-09-23 With detailed essays on the Arctic's environment wildlife climate history exploration resources economics politics indigenous cultures and languages conservation initiatives and more this Encyclopedia is the only major work and comprehensive reference on this vast complex changing and increasingly important part of the globe Including 305 maps This Encyclopedia is not only an interdisciplinary work of reference for all those involved in teaching or researching Arctic issues but a fascinating and comprehensive resource for residents of the Arctic and all those concerned with global environmental issues sustainability science and human interactions with the environment [Biographical Dictionary of Explorers](#) Alan Wexler, Jon Cunningham, 2019-06-01 An informative fascinating resource suitable for students researchers and general readers this biographical dictionary is a who was who of world and space explorers giving readers a sense of the human drama the achievements and the challenges that those who go where few or none have gone before must face The explorers covered include Jacques Cousteau Sir Vivian Fuchs John Glenn Jr Aleksei Leonov Annie Peck Valentina Tereshkova and many more *North American Exploration* Michael Golay, John S. Bowman, 2008-04-21 A comprehensive highly readable reference This is an authoritative one stop resource for essential information on the exploration of North America from alleged pre Columbian explorers to polar expeditions in the twentieth century Completely up to date in content and historical approach the book is divided into seven sections each covering a major area of exploration Vivid narrative entries bring to life early expeditions e.g African and Scandinavian voyages real and apocryphal voyages of European explorers Western expeditions and explorations of the Arctic From the Atlantic seaboard to the Appalachians to the Mississippi to the northernmost regions readers will discover the Native nations geographical features private and governmental institutions and settlements that played a role in the history of exploring the continent Maps photos and sidebars with lively first person accounts from contemporary diaries reports and news accounts round out this thorough examination of the numerous adventures taken around the continent Michael Golay has published five books on American history including most recently *The Ruined Land* He lives in Exeter New Hampshire John Bowman is the Editor of

the Cambridge Dictionary of American Biography and numerous other reference works He lives in Northampton Massachusetts

Do Glaciers Listen? Julie Cruikshank, 2010-10-01 Do Glaciers Listen explores the conflicting depictions of glaciers to show how natural and cultural histories are objectively entangled in the Mount Saint Elias ranges This rugged area where Alaska British Columbia and the Yukon Territory now meet underwent significant geophysical change in the late eighteenth and nineteenth centuries which coincided with dramatic social upheaval resulting from European exploration and increased travel and trade among Aboriginal peoples European visitors brought with them varying conceptions of nature as sublime as spiritual or as a resource for human progress They saw glaciers as inanimate subject to empirical investigation and measurement Aboriginal oral histories conversely described glaciers as sentient animate and quick to respond to human behaviour In each case however the experiences and ideas surrounding glaciers were incorporated into interpretations of social relations Focusing on these contrasting views during the late stages of the Little Ice Age 1550 1900 Cruikshank demonstrates how local knowledge is produced rather than discovered through colonial encounters and how it often conjoins social and biophysical processes She then traces how the divergent views weave through contemporary debates about cultural meanings as well as current discussions about protected areas parks and the new World Heritage site Readers interested in anthropology and Native and northern studies will find this a fascinating read and a rich addition to circumpolar literature

Unravelling the Franklin Mystery David C. Woodman, 1992-06 David Woodman's reconstruction of the mysterious events surrounding the disappearance of two British exploration vessels in 1845 under the command of Sir John Franklin challenges standard interpretations and promises to replace them Among the many who have tried to discover the truth behind the Franklin disaster Woodman recognizes the profound importance of the Inuit testimony and analyzes it in depth He concludes from his investigations that the Inuit probably did visit Franklin's ships while the crew

was still on board and that there were some Inuit who actually saw the sinking of one of the ships He maintains that fewer than ten bodies were found at Starvation Cove and that the last survivors left the cove in 1851 three years after the standard account assumes them to be dead Woodman also disputes the conclusion of Owen Beattie and John Geiger s book *Frozen in Time* that lead poisoning was a major contributing cause of the disaster **Alaska History** Marvin W. Falk,2006-03-30 Marvin W Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in Russian German French Spanish and English Many of these foreign language accounts have been published in translation and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil boom **The Body in the Library** Leigh Dale,Simon Ryan,1998 The body is increasingly understood as being at the centre of colonial and post colonial relationships and textual productions Creating and circulating images of the undisciplined body of the other was and is a critical aspect of colonialism Likewise resistance to colonial practices was also frequently corporeal with indigenous peoples appropriating parodying and subverting those European practices which were used to signify the civilized status of the colonizing body The Body in the Library reads representations of the corporeal in texts of empire case studies include gendered representations of corporeality medical r gimes ethnography and photography in the Pacific cultural transvestism in theatre disease and colonial knowledge generation freak shows and colonial exhibits cinematic representations of bodies geography and the metaphorization of land as a penetrable body marketing the body organ transplants and the limits of the post colonial paradigm In viewing colonialism and resistance as a bodily phenomenon The Body in the Library enables new perspectives on the process of colonization and resistance It is an important resource for teachers and students of colonial and post colonial literatures *Senate documents* ,1882 **Reports of Committees** United States. Congress. Senate,1882 Writing Arctic Disaster Adriana Craciun,2016-03-10 This fascinating study examines how Victorian fixation on disastrous Northwest Passage expeditions has conditioned our understanding of the Arctic and Polar exploration *Unravelling the Franklin Mystery, Second Edition* David C. Woodman,2015-03-01 David Woodman s classic reconstruction of the mysterious events surrounding the tragic Franklin expedition has taken on new importance in light of the recent discovery of the HMS Erebus wreck the ship Sir John Franklin sailed on during his doomed 1845 quest to find the Northwest Passage to Asia First published in 1991 *Unravelling the Franklin Mystery* boldly challenged standard interpretations and offered a new and compelling alternative Among the many who have tried to discover the truth behind the Franklin disaster Woodman was the first to recognize the profound importance of Inuit oral testimony and to analyze it in depth From his investigations Woodman concluded that the Inuit likely visited Franklin s ships while the crew was still on board and that there were some Inuit who actually saw the sinking of one of the ships Much of the Inuit

testimony presented here had never before been published and it provided Woodman with the pivotal clue in his reconstruction of the puzzle of the Franklin disaster Unravelling the Franklin Mystery is a compelling and impressive inquiry into a part of Canadian history that for one hundred and seventy years left many questions unanswered In this edition a new preface by the author addresses the recent discovery and reviews the work done in the intervening years on various aspects of the Franklin story by Woodman and others as it applies to the book s initial premise of the book that Inuit testimony holds the key to unlocking the mystery *Tracking the Franklin Expedition of 1845* Stephen Zorn,2023-08-25 The Franklin Northwest Passage Expedition of 1845 is perhaps the greatest disaster in the history of exploration all 129 men vanished as did the expedition s two ships HMS Erebus and Terror Over the next 150 years searchers found bones clothing and a variety of relics Inuit narratives provided some of the details of what happened to the frozen starving sailors after they deserted their ice locked ships in 1848 Then in 2014 and 2016 Canadian researchers found the sunken wrecks not far from the bleak windswept King William Island in the Arctic At last the mystery of the Franklin Expedition would be solved Or would it This book pulls together the various searchers discoveries the many recent scientific studies that shed light on when how and why the men died and whether in extremis they ate each other and illuminates what we know and what we don t and may never know about the fate of the expedition Battle of Ink and Ice Darrell Hartman,2023-06-06 New York Times Book Review s 100 Notable Books of 2023 Absolutely gripping a perfectly splendid read I highly highly recommend it Douglas Preston author of the 1 New York Times bestseller The Lost City of the Monkey God A sixty year saga of frostbite and fake news that follows the no holds barred battle between two legendary explorers to reach the North Pole and the newspapers which stopped at nothing to get and sell the story In the fall of 1909 a pair of bitter contests captured the world s attention The American explorers Robert Peary and Frederick Cook both claimed to have discovered the North Pole sparking a vicious feud that was unprecedented in international scientific and geographic circles At the same time the rivalry between two powerful New York City newspapers the storied Herald and the ascendant Times fanned the flames of the so called polar controversy as each paper financially and reputationally committed itself to an opposing explorer and fought desperately to defend him The Herald was owned and edited by James Gordon Bennett Jr an eccentric playboy whose nose for news was matched only by his appetite for debauchery and champagne The Times was published by Adolph Ochs son of Jewish immigrants who d improbably rescued the paper from extinction and turned it into an emerging powerhouse The battle between Cook and Peary would have enormous consequences for both newspapers and help to determine the future of corporate media BATTLE OF INK AND ICE presents a frank portrayal of Arctic explorers brave men who both inspired and deceived the public It also sketches a vivid portrait of the newspapers that funded promoted narrated and often distorted their exploits It recounts a sixty year saga of frostbite and fake news one that culminates with an unjustly overlooked chapter in the origin story of the modern New York Times By turns tragic and absurd BATTLE OF INK AND ICE brims with contemporary relevance touching

as it does on themes of class celebrity the ever quickening news cycle and the benefits and pitfalls of an increasingly interconnected world Above all perhaps its cast of characters testifies colorfully and compellingly to the ongoing role of personality and publicity in American cultural life as the Gilded Age gave way to the twentieth century the American century

This Engaging Realm of E-book Books: A Detailed Guide Unveiling the Benefits of E-book Books: A World of Convenience and Versatility Kindle books, with their inherent portability and simplicity of availability, have freed readers from the limitations of physical books. While this might not be the Schwatkas Last Search full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Schwatkas Last Search eBooks, including some popular titles.

FAQs About Schwatkas Last Search Books

What is a Schwatkas Last Search PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Schwatkas Last Search PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Schwatkas Last Search PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Schwatkas Last Search PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert

PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Schwatkas Last Search PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
