

A taxidermied leopard is the central focus of the image, lying horizontally across a large, thick, weathered log. The leopard's body is covered in a dense pattern of dark, irregular spots on a lighter tan background. Its head is turned slightly to the right, and its eyes are open. The log it rests on has a rough, textured surface with visible grain and some small holes. The background is a plain, light-colored surface, possibly a wall or a backdrop.
