

A blurred background image of a scientist wearing safety glasses and a lab coat, working with laboratory glassware. The scientist is looking down at a piece of equipment, possibly a pipette or a small flask, which is partially visible in the foreground. The background shows various lab equipment, including beakers and test tubes, and a chalkboard with some writing on it.

Prayers for scientists

Lord God, we ask for Your favor upon all scientists everywhere. As they strive to make new discoveries and find solutions to the problems we face, please grant them knowledge, direction, and safety. May the fruits of their labor bless the world and exalt Your name.

Through Christ our Lord.

AMEN
