The Law of Vibration William D. Gann,2013-02-25 In *The Law of Vibration* Tony Plummer presents a new theory which he argues is revealing of a fundamental truth about the deep structure of the universe The Law is embodied in a very specific pattern of oscillation that accompanies change and evolution It can be found in fluctuations in stock markets and in economic activity The research here suggests that the pattern was known about in antiquity because it was buried in a short passage in St Matthew s Gospel in the Bible It also suggests that it was known about in the early part of the 20th century because it was concealed in the structure of books written by the renowned stock market trader William D Gann and by the mindfulness exponent George Gurdjieff Both men chose to preserve their knowledge of the pattern in a hidden form for some unknown future purpose Now after 20 years of investigation Tony Plummer tells the story of how the pattern was originally hidden Drawing on painstaking research on gematria the enneagram and financial market analysis Plummer reveals the existence of a behavioural pattern that may have profound implications for the way that we view the world Plummer s work is elegantly structured and illustrated throughout It is an exciting and thought provoking study for Gann enthusiasts and also for investors economists and scientists who have an interest in the laws that underpin systemic coherence and produce collective order *The National union catalog, 1968-1972* ,1973 **The National Union Catalogs, 1963-** ,1964 *The Secret Language of Your Name* Neil Koelmeyer,Ursula Kolecki,2012-03-06 The Essential Guide to the Ancient Art of Numerology Do you truly understand your strengths and weaknesses Are you living at your full potential Could simply changing the spelling of your name alter your life While most numerology books focus only on your birthday The Secret Language of Your Name is the first comprehensive guide to incorporate an exploration of the letters of your name With this extra step you are given a unique complete reading that reveals specific individual keys to success and happiness in all facets of life Prepare to learn how to pinpoint your greatest strengths and weaknesses what makes friends family and coworkers tick how different spellings of your name can affect your future even what happens when your name changes in marriage how to choose the
