Evidence that Demands a Verdict, eBook Josh McDowell, 1999-10-13 Among important books in the defense of Christianity this one has few equals Evidence That Demands a Verdict is an easy to read front line defense for Christians facing the tough questions of critics and skeptics Using secular evidences and other historical sources Josh McDowell's faith building book is a must read for every Christian Science Speaks Peter Winebrenner Stoner, 1976 Has Science Found God? Victor J. Stenger, 2009-12-02 In the past few years a number of scientists have claimed that there is credible scientific evidence for the existence of God In 1998 Newsweek went so far as to proclaim on its cover Science Finds God Is this true Are scientists close to solving the greatest of all mysteries Physicist Victor J Stenger delves into this fascinating question from a skeptical point of view in this lucid and engrossing presentation of the key scientific facts Stenger critically reviews the attempts of many contemporary theologians and some scientists to resurrect failed natural theologies in new guises Whether these involve updated arguments from design anthropic coincidences or modern forms of deism Stenger clearly shows that nothing in modern science requires supernatural explanation He offers naturalistic explanations for empirical observations that are frequently given theistic interpretations for example that information in the universe implies an intelligent designer that a universe with a beginning requires a Creator and that the elegant laws of physics suggest a transcendent realm He shows that alleged spiritual nonmaterial phenomena do not lie beyond the experimental reach of physics This thorough and careful consideration of scientific evidence covers much ground yet remains accessible and highly informative to the educated lay reader Biblical Prophecies in the Light of History Jim and Judy Stocker, 2005-11 **The Signature of God, Revised Edition** Grant R. Jeffrey, 2010-07-20 YOU CAN BELIEVE THE BIBLE WITHOUT ANY DOUBT As American society becomes more secularized Christians need to know all the facts about the Bible Dr Grant R Jeffrey has spent decades researching history science archaeology medicine and prophecy finding that each discipline confirms the truth of Scripture This revised and updated edition of The Signature of God proves that the Bible is not only accurate in its spiritual claims but is completely reliable as well on matters of origins medicine history and science Historians of the ancient world as well as recent archaeological finds confirm the names of kings and kingdoms and the dates of wars and mass migrations mentioned in the Bible Recent breakthroughs in astronomy physics and medical science have shown that God's Word accurately described the universe and the processes of human life before scientific research caught up And hundreds of fulfilled prophecies show that God revealed the future to his prophets in order to undergird the faith of his people No matter how loudly the skeptics argue against Christian faith only one conclusion makes sense the Bible is God breathed You can believe every word every claim every prophecy and every miracle With no doubts **The Theory of Christian Psychology** Eva Klostreich, 2008-07-17 The Theory of Christian Psychology comes from the worldview that sees humanity as

the object of a love relationship with Jesus Christ Parallel to Buddhist forms of Psychology The Theory of Christian Psychology meets the worldwide Christian population need for its own Psychology The Theory of Christian Psychology presents a flexible foundation addressing personality with full humanity dimension integrating principles of clinical psychology found in Psychoanalytic Psychodynamic Psychology Soundly Biblical and non denominational it focuses on key precepts that bind Christianity together The Theory of Christian Psychology bridges clinical psychology and theology in an intersection of power accessibility Psychology has been culture alien to Christianity I have been asked to leave churches who only need God when they discovered I was a psychologist and criticized by others who only need psychology Sound psychological principles are inherent throughout the Bible There is no dichotomy necessary We just need to speak the same language to clearly see the intersection Issues addressed in The Theory of Christian Psychology carry relevancy for law and education Her first book Dr Klostreich plans to continue to write and speak She is initiating The Institute for Christian Psychology to offer seminars training certification and ongoing research

Did I Hear My Name Whispered on the Wind? Mike Beirens, 2019-04-04 This book was written from the point of helping people of all walks of life Remember just one of life's little details can change life's meaning The power of faith the power of love and the power of the human spirit they are as far apart as they can be in this life Yet it's these three elements that when combined can change who you are and what you can be There is an expression through mortal eyes and it is based on this fact and is true The whole of the human race must realize that they can only look at life through mortal eyes You would be surprised not only at what you would see but also at what you would encounter if you allow yourself to be immersed in your life's story As you read this book and mix with humanity you will see that there are a great many people that are handicapped Some of the handicaps are visibly Other are not so visible A great many people may need someone like you to reach out and share yourself with them Help someone open the door to his or her full potential Help them not feel awkward or uncomfortable when they share a story or a joke It may not be funny to you but laugh anyway or at least smile There is no tax or charge Life is full of opportunities to share yourself from family members to friends or just an acquaintance Make it a goal to give someone a hug today Tell someone you love them every day Remember that it takes great courage to expose the real self Allow yourself the opportunity to get to know the greatest person in your earthly life yourself
