S. Martin, 2008-08-18 Each of these poems makes you want to descend to its heart and discover the precious metal there D S Martin knows how to evoke the mystery that lies beneath the relationships we have with ourselves each other and God This is skillful and probing poetry Luci Shaw author of *What the Light Was Like Praise for So the Moon Would Not Be Swallowed* Award of Merit 2008 The Word Guild This little chapbook took me by surprise with poem after poem shocking with rattling expectations for the reader in a way at least somewhat mimetic of the harrowing circumstances described The final three lines of *Good Housekeeping* will serve as an example of poems that are disturbing strong taut By keeping the collection to one cycle of poems the poet has left us wanting more much more The historic realities that are underlying add a dimension of gravitas as does the fact that these stories continue through the decades since This is strong writing with a distinctive voice Maxine Hancock author and professor at Regent College Vancouver My only regret about this collection was that it wasn't longer Violet Nesdoly *Utmost* Christian Writers This is what poetry can do take volumes of letters and locate the kernels distill years of details with subtlety and a tolerance for ambiguity stay faithful to the historical record and retell a compelling story Hannah Main van der Kamp in *Faith Today* author of *According to Loon Bay* **It Begins It Ends It Ends It Begins** Judy Richter, 2011-10-28 *It Begins It Ends It Ends It Begins* is a collection of sketches describing some of the author Judy Richter's memories of life on and off her one hundred acre farm in Bedford New York Coker Farm is home to Richter's avocation as well as her vocation For over forty five years Richter has been in the horse business training young riders and horses for show competition The farm is a still point in a turning world for her family and friends Though many now are grown and gone they keep in touch on the Internet and Facebook Having been actively involved in the sport for nearly half a century Richter has seen many changes but she feels the more things change the more they remain the same thanks to the abiding generosity of the horses To spend her life in the company of these noble creatures is indeed a blessing **Digest; Review of Reviews Incorporating Literary Digest**, 1902 *Digest*, 1902 **On Form**, 2008-09-18 What is form Why does form matter In this imaginative and ambitious study Angela Leighton assesses not only the legacy of Victorian aestheticism and its richly resourceful keyword form but also the very nature of the literary She shows how writers for two centuries and more have returned to the idea of form as something which contains the secret of art itself She tracks the development of the word from the Romantics to contemporary poets and offers close readings of among others Tennyson Pater Woolf Yeats Stevens and Plath to show how form has provided the single most important way of accounting for the movements of literary language itself She investigates for instance the old debate of form and content of form as music or sound shape as the ghostly dynamic and dynamics of a text as well as its long association with the aestheticist principle of

being for nothing In a wide ranging and inventive argument she suggests that form is the key to the pleasure of the literary text and that that pleasure is part of what literary criticism itself needs to answer and convey **The Literary Digest** ,1916
