**Matisse and Decoration** John Klein, 2018-01-01 A brand new look at the extremely beautiful if underappreciated later works of one of the most inventive artists of the 20th century Between 1935 and his death at midcentury Henri Matisse 1869 1954 undertook many decorative projects and commissions These include mural paintings stained glass ceramic tiles lead crystal pieces carpets tapestries fashion fabrics and accessories work that has received no significant treatment until now By presenting a wealth of new insights and unpublished material including from the artist s own correspondence John Klein an internationally acclaimed specialist in the art of Matisse offers a richer and more balanced view of Matisse s ambitions and achievements in the often neglected later phases of his career Matisse designed many of these decorations in the innovative and widely admired medium of the paper cut out whose function and significance Klein reevaluates Matisse and Decoration also opens a window onto the revival and promotion following World War II of traditional French decorative arts as part of France s renewed sense of cultural preeminence For the first time the idea of the decorative in Matisse s work and the actual decorations he designed for specific settings are integrated in one account amounting to an understanding of this modern master s work that is simultaneously more nuanced and more comprehensive

**Chagall** Jackie Wullschläger, 2008-10-21 When Matisse dies Pablo Picasso remarked in the 1950s Chagall will be the only painter left who understands what color really is As a pioneer of modernism and one of the greatest figurative artists of the twentieth century Marc Chagall achieved fame and fortune and over the course of a long career created some of the best known and most loved paintings of our time Yet behind this triumph lay struggle heartbreak bitterness frustration lost love exile and above all the miracle of survival Born into near poverty in Russia in 1887 the son of a Jewish herring merchant Chagall fled the repressive potato colored tsarist empire in 1911 for Paris There he worked alongside Modigliani and L ger in the tumbledown tenement called La Ruche where one either died or came out famous But turmoil lay ahead war and revolution a period as an improbable artistic commissar in the young Soviet Union a difficult existence in Weimar Germany occupied France and eventually the United States Throughout as Jackie Wullschlager makes plain in this groundbreaking biography he never ceased giving form on canvas to his dreams longings and memories His subject more often than not was

the shtetl life of his childhood the wooden huts and synagogues the goatherds rabbis and violinists the whole lost world of Eastern European Jewry Wullschlager brilliantly describes this world and evokes the characters who peopled it Chagall's passionate energetic mother Feiga Ita his eccentric fellow painter and teacher Bakst his clever intense first wife Bella their glamorous daughter Ida his tough minded final companion and wife Vava and the colorful tragic array of artist actor and writer friends who perished under the Stalinist regime Wullschlager explores in detail Chagall's complex relationship with Russia and makes clear the Russian dimension he brought to Western modernism She shows how as Andr Breton put it under his sole impulse metaphor made its triumphal entry into modern painting and helped shape the new surrealist movement As art critic of the Financial Times she provides a breadth of knowledge on Chagall's work and at the same time as an experienced biographer she brings Chagall the man fully to life ambitious charming suspicious funny contradictory dependent but above all obsessively determined to produce art of singular beauty and emotional depth Drawing upon hitherto unseen archival material including numerous letters from the family collection in Paris and illustrated with nearly two hundred paintings drawings and photographs Chagall is a landmark biography to rank with Hilary Spurling's Matisse and John Richardson's Picasso
