foundation for how we should view God's Kingdom. It looks at how the coming of the King impacts the world and its people in every generation, revealing an invitation to take our rightful place in His Kingdom. It examines the mechanics and the dynamics of our inclusion into the Kingdom and how it is expressed within His creation. We examine its nature as it emerges in the lives of individuals who embrace the King. And finally, it looks at the structure, role, and intrinsic values of the Church in the context of God's Kingdom.

The Humanity of Jesus in Matthew Matt Jones, 2021-05-04 Matthew's portrait of Jesus communicates the importance of the human element of Jesus's existence. While Mark's Jesus may be the most human, Matthew was most interested in the human story of Jesus among the Gospel authors. This narrative critical examination of Matthew's portrait prioritizes the human element of Jesus's story. He purposely balances the human and transcendent so that he can reinforce the reader's belief in Jesus and hope that Jesus's life can be imitated.

The Living Church Annual and

Churchman's Almanac, 1920 **The Commandments of Love** Marcus A. Allen, 2020-03-09 The Commandments of Love

is a book that teaches you how to live by the principles and precepts of God's Agape love. The words of this book came to me as a vision along with the complete knowledge of its contents in 12 seconds. The time it took God to put the knowledge of this book in my head was equal to one human pace. This event occurred as I passed through the door on my way in to work one day. Here is the question that I shall now put before you: What would you do if you were suddenly given a two thousand year old mystery? The answer you announce it LOUDLY to the world. Countless pastors, teachers and even students will pour over this book. I introduce insightful knowledge of the gospel in this book. Many portions of this book divulge the complete understanding of the parables of Christ. The Commandments of Love opens up the meaning of many of the sayings in the epistles of the apostles especially in the area of God's love towards man. This book is packed with scripture and it is presented in a skilled demonstration of the Holy Spirit. The Commandments of Love reminds its readers to be ever mindful of the practical application of the gospel. The author has made use of over 500 scriptures in this book to convey the importance of God's love. PROBLEM: The false prophets in the world have 98% of believers off course. God's power is not embedded in faith alone but in his love. Faith cannot work without LOVE. The reason Jesus Christ commanded us to love one another was because love when coupled with a person's FAITH is the true healing power of God. The world and the church are one hundred miles off course from a one mile trip. Just as the Jews walked mindlessly through the desert for 40 years for an eight day trip even so also is the church today mindlessly marching about. As a result of the knowledge of this I knew that I had to write this book so that men everywhere could learn of God's true love for his man and find their way home to God. This word of the Lord came unto me with great unrest compelling me to write this book to his specifications. The words found herein were derived from the message of love given to me by the Lord who instructed me to write The Commandments of Love. The breadth thereof He said was to have twelve 12 parts which represents the twelve tribes of the lost sheep of the house of Israel. The depth thereof He said was to have forty 40 chapters which the Lord declared represented Israel's forty years in the wilderness. The length thereof He said was to be four hundred and eighty 480 pages signifying the four hundred and eighty years after the children of Israel were come out of the land of Egypt until the building of the house of the Lord written in I Kings 6:1. This He said also represents the restoration of the children of God today whose time is now. This word did the Lord give unto me by the mouth of his Holy Spirit sent to signify his love for his people. This is why Jesus asked the question when the Son of Man cometh shall he find faith on the earth. St Luke 18:8. This wasn't a question of FAITH but of LOVE. *Gospel (On the Road To) Emmaus* Edward Joseph Clemmer, 2011-03-17. Born in Indiana Dr Edward J Clemmer is a social psychologist by profession. He now lives with his Maltese wife Jane Zammit and enjoys dual citizenship with Malta. His four sons by a previous marriage continue to live in America. His personal journey with the Lord into this Gospel on the Road to Emmaus began in a moment of grace on 12th September 2003 as Ed was on his way to the priest. The context for this initiation was the Feast of Exultation of Holy Cross 14th September as the source of every grace is derived from the sacrifice of Jesus.

Christ on the cross The gospel is explained for us as the author and reader journey with the Lord as potential disciples Our journey begins at Bethany near the Jordan with John the Baptist preaching and baptizing Part 1 continues up to the Transfiguration of Jesus Volume One reaches its climax before the Lords final journey to Jerusalem when Jesus returns to Bethany where the Baptist had preached Volume Two resumes with the Lords healing and preaching at Bethany near the Jordan Part 2 concludes in Bethany near Jerusalem with the Lords dinner celebration with Lazarus after Jesus had raised Lazarus from the dead This celebration anticipates the Lords death and resurrection and ours in Christ Part 3 takes up the Grand Liturgy of the Lords New Creation with Holy Week The book initially concludes with a retrospective of the incarnation of Jesus as God with us and with the parallel coming of the Spirit at Pentecost Then in the Part 4 conclusion of this gospel our post Emmaus journey with the risen Lord returns to our post Pentecost life in the Holy Spirit The authors seven year personal journey through this Gospel Emmaus ends in 2010 with the Feast of Sukkot just as when the Lord also had anticipated the Holy Spirit But the Lord provides us with his own conclusion although he had healed ten lepers as they were on their way to the priest only one had returned to give thanks *Children's Favorite Bible Stories* ,2013-02-04 Retells Bible stories from the Old and New Testament including the stories of Noah and the ark David and Goliath Jonah and the whale and the birth of Christ **God's Divine Teachings** Dorothy Angkahan,2023-03-06 The reality is few believers have the time to search God s truths in the Bible with its array of subjects teachings Therefore handbooks on God s divine truths Scripture from the Bible are useful tools to do away with the tedious work searching through the pages for specific teachings in the Bible But a word of caution handbooks are not written with the intend to deter one from studying one s own Bible but to use as a tool reference alongside one s Bible as one seeks God s truths in the Scriptures with the Holy Spirit s help Jo 14 26 and using spiritual discernment to study God s word 1Cor 2 14 2Tim 3 16 This book also serves the same purpose a reference tool to help those who want easier access to specific teachings in the Bible For example and presented in this book the origin of evil is in the Bible yet it can be time consuming to search through the Bible for the teachings on the origin of evil if one has limited time on hand In this book one will find a useful commentary written in layman s terms that will give a step by step approach on the teaching on the origin of evil from the Bible What is evil s origin And why evil exist As well as the other teachings from the Bible presented in this book The truth is when a repented sinner is saved through the Lord Jesus Christ Jo 3 16 17 God s intentions for His children in Christ is to become knowledgeable on His divine teachings in the Bible Yet there are those who are not familiar with the divine teachings in the Bible and may believe it isn t necessary to study God s truths Scripture as long as one is saved Jo 3 16 17 Ro 10 9 10 2Tim 1 9 10 But that isn t so according to the Bible for example if a believer is going to carry his cross to follow Jesus Mt 10 38 then he needs to understand what he is up against his spiritual warfare against evil spirits in the world Eph 6 12 in order to remain steadfast in the faith and overcome the day of evil when forced upon him Eph 6 13 And according to the Scriptures one needs to know God Jo 17 3 in order for one to know His will

for a believer's life and the only way to know the true God is with the Holy Spirit's help Jo 14:26 and this is also taught in the Bible the importance of the Holy Spirit and the Scriptures in a believer's life Gal 5:25 2Tim 3:16 And if a believer is to follow Jesus Christ's example here on earth then he needs to learn what the Scriptures teach about the Son of God Jesus Christ 1Pe 2:21 In fact the more knowledge one gets studying about the teachings on God and His specific attributes love mercy justice etc and His other divine truths on prayer faith works and stewardship Phil 4:6 Jas 2:14 26 1Pe 4:10 etc in the Bible one may become better equipped with the Holy Spirit's help and God's word to face the challenges in life through the Lord Jesus Christ May God's truths from the Bible presented in this book enrich and enlighten one's life today and onward for God's glory As for all interpretations of God's word in any book including this one please carefully compare with the Scriptures 2Tim 3:16 and use spiritual discernment 1Cor 2:14 with the Holy Spirit's help then one will not be misguided but enlightened to understand God's divine teachings from the Holy Scriptures May one seek wisdom from God today Jas 1:5-7
