Matthew A Gospel For The Church:

The Gospel of Matthew Rudolf Schnackenburg, 2002 From ancient times the Gospel of Matthew has been regarded as the church Gospel its aims are preeminently catechetical pastoral and missionary But recent research raises many questions regarding Matthew's creation theological intentions and shaping for the circle of its first recipients This highly original commentary by Rudolf Schnackenburg follows Matthew chapter by chapter and verse by verse carefully explaining and interpreting the text against both its primitive and current horizons Schnackenburg sees Matthew's purpose as simply the proclamation of Christian salvation His commentary gives extra attention to the great discourses of Jesus found in Matthew such as the Sermon on the Mount showing how Jesus words and works have special currency for the self understanding of the church and for the task of Christian living today Written by a master exegete with a pastor's sensitivity this commentary will fast become a classic study of Matthew's Gospel

The Vision of Matthew John P. Meier, 2004-09-30 In this volume Father Meier explores how Matthew remodeled the form the Christological message and the moral demand of the gospel Part I shows Matthew's church in crisis It was experiencing a shift in its Christian existence from a narrow Jewish Christian past to a universal Gentile future To preserve yet reinterpret the particularistic traditions of that Jewish Christian past Matthew drew up a model of salvation history and then reshaped the gospel message to fit it Part II offers a mini commentary on the whole gospel to illustrate this reshaping of the message Pericope by pericope Matthew presents Jesus as Son of God and Son of Man and therefore as the definitive teacher of his Church Indeed the nexus between Christ and his Church emerges as the outstanding characteristic of Matthew's gospel Part III studies Matthew's construction of a unified moral vision on the basis of this connection between Christ and Church The basic stance of Jesus and his disciples towards the Mosaic Law is one of fulfillment a prophetic fulfillment which involves at times a deepening of at times the abrogation of the letter of the Law

The Gospel according to Matthew Leon Morris, 1992-07-29 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris's warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike

Matthew and Mission Martin Goldsmith, 2014-03-01 In this fascinating exposition of Matthew's gospel Martin Goldsmith explores the Jewish roots of the First Gospel with reference to its origin date purpose and authorship Written to encourage the Jewish Christians in their faith and witness the author considers the way in which Matthew presents the teachings of Jesus to his original readership Asking what it meant to be a convert of the early church Goldsmith shows how Matthew's emphasis on witness and mission was aimed at early believers who had considerable ministry needs and opportunities to their own people and to others Matthew Mission applies the principle of mission in the New Testament to today's world and examines what it is to be involved in mission in a way that honors our call Focusing on the Great Commission to tell all people and all nations the good news of the gospel this long awaited book should take the twenty first century church out of its complacency and revive within us a commitment to serve the Lord anew **Matthew** Frederick Dale Bruner, 2007-06-25 Recognized as a masterly commentary when it first appeared Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two volume work the result of seven years of careful refinement enrichment and updating Through this commentary crafted especially for teachers pastors and Bible students Bruner aims to help God's people love what Matthew's Gospel says Bruner's work is at once broadly historical and deeply theological It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions It is theological in that it unpacks the doctrines in each passage chapter and section of the Gospel Consciously attempting to bridge past and present Bruner asks both what Matthew's Gospel said to its first hearers and what it says to readers today As a result his commentary is profoundly relevant to contemporary congregations and to those who guide them Bruner's commentary is replete with lively verse by verse discussion of Matthew's text While each chapter expounds a specific topic or doctrine the book's format consists of a vivid original translation of the text followed by faithful exegesis and critical analysis a survey of historical commentary on the text and current applications of the text or theme under study In this revision Bruner continues to draw on the best in modern scholarship including recent work by W D Davies and Dale C Allison Jr by Ulrich Luz and by many others adding new voices to the reading of Matthew At the same time he cites the

Sermon on the Mount and Peter's walking on the water [A Gospel for a New People](#) Graham Stanton, 1993-01-01 This book thoroughly examines Matthew's gospel. It discusses appropriate methods for interpretation and considers in detail the gospel's origin, purpose, and social setting. Graham Stanton claims that Matthew wrote the Gospel following a period of prolonged bitter disputes with fellow Jews. With considerable literary, catechetical, and pastoral skill, the evangelist composed a gospel for a new people, both Jews and Gentiles, in a cluster of Christian communities. Dividing his book into three sections, Stanton discusses redaction, literary, critical, and social scientific approaches to the interpretation of Matthew; he confirms that Matthew's Gospel was shaped by the parting of the ways with Judaism and includes two essays on the Sermon on the Mount and one on Matthew's use of the Old Testament.

The Gospel of Matthew James Montgomery Boice, 2006-09-01 The Gospel of Matthew said James Montgomery Boice is the first of the gospels, the longest, the most Jewish, the most evangelistic, and in many ways the most compelling. To some people now as well as then, Matthew is the most important book ever written. This two-volume expositional commentary on one of the Bible's most powerful books integrates rigorous scholarship and clear communication. Boice not only explains the meaning of the text verse by verse and section by section, he relates the text's concerns to the world in which we live, the life of the church, and the realities of the Christian life. Based on messages preached at Philadelphia's world-renowned Tenth Presbyterian Church, *The Gospel of Matthew* displays Dr. Boice's hallmark blend of thoughtful interpretation and contemporary insight for daily living. It will appeal to a wide range of readers, from serious Bible students to interested laypersons.
