Jesus Charles Templeton, 1973 The Single Gospel Neil Averitt, 2015-09-17 The life of Jesus is at the heart of the Christian faith and is one of the great works of Western literature This book presents the story in a new form more accessible than ever before It weaves the four separate gospel accounts into one continuous story And it presents the story in a new translation traditional but clear Here the reader can find the episodes laid out in an understandable narrative sequence The nativity at Bethlehem is followed by the visit of the three wise men And for each scene the rich details are collected from all the gospel accounts giving a complete picture of complex events like the Sermon on the Mount or Jesus climatic encounter with Pilate The new language is clear as well It is traditional scripture inconspicuously updated for modern readers supplemented with contemporary language for difficult concepts and using the grand and familiar language of the King James where appropriate Low key explanations fill in the details Short footnotes explain the key concepts and longer endnotes provide additional depth This book opens the gospels to everyone Christians who want to better understand their faith and general readers who want to rediscover a great work of literature **Matthew, Mark, Luke, and Paul** David Oliver Smith, 2011-07-01 Matthew Mark Luke and Paul takes you on a journey through the Synoptic Gospels and the Epistles providing a new solution to a literary puzzle that has vexed biblical scholars for over two hundred years The Synoptic Problem When the Synoptic evangelists Matthew Mark and Luke sat down to write their gospels did they have copies of some of the epistles This book examines the Synoptic Gospels Hebrews and Paul s Epistles finding many intriguing similarities suggesting that the Synoptic evangelists used extensive parts of the epistles to weave into their stories of the ministry of Jesus of Nazareth David Oliver Smith then compares these epistle based passages to the theoretical lost gospel Q and finds that a large portion of what many New Testament scholars consider to be contained in Q may have its inspiration in the Epistles **Matthew, Mark, Luke and John** Lutz, Nancy, 2005 This book is a detailed matching of Matthew Mark Luke and John to be used by everyone who desires to have a deeper knowledge of the teachings of Jesus Christ *Exploring the Word of God: the Four Gospels* J. Feazell, Michael Morrison, Joseph Tkach, Jim Herst, Paul Kroll, Tim Finlay, 2013-06-25 The person and work of Jesus Christ is at the heart of Christianity So we would expect the Christian Scriptures to include an account of Jesus life But why do we have four the Gospels According to Matthew Mark Luke and John Isn t this redundant Wouldn t one be enough On the contrary our knowledge of Jesus Christ would be incomplete if we had only one Gospel Or even if we had three Gospels but were missing one Matthew Mark Luke and John each told the story from a different perspective because each had a different audience in mind We tend to blur these four distinctive portraits of Jesus together But knowing how an act or saying of Jesus fits in with each author s perspective can greatly enhance our understanding of its meaning In this volume we examine how each Gospel differs from the others and numerous detailed studies This volume includes 95 articles about the four Gospels collected from Christian Odyssey magazine and other publications of Grace Communion International

Illustrations by Ken Tunell The articles were written over a span of 20 years from the 1990s to 2013 They have been edited for this collection *A Detailed Outline of Matthew, Mark, Luke and John* Leland McClanahan,2014-10-17 The first four books of what is commonly referred to as the New Testament are The Gospel according to Matthew The Gospel according to Mark The Gospel according to Luke and The Gospel according to John The reader will find many of the same stories told in each of the gospels but from a different point of view according to the author The reader will notice specific and comparable attention to detail from each author s gospel A Detailed Outline to Matthew Mark Luke and John was written to guide and help the reader understand the order of events during this era The purpose of this outline is to help the reader identify the main points of each of the gospels thereby enabling the reader to gain revelation as they study Dr Leland McClanahan has done an outstanding job in summarizing the main points of each book and putting it in a format that is easy to follow along

Forsythe,2016-04-29 The four gospels of Matthew Mark Luke and John show the life and teachings of Jesus Christ Here the four column format shows in detail how well and in which areas these documents parallel each other Not a single detail order of events or word has been changed revealing that the gospels are already in agreement with each other on shared dates and events This parallelism may not be surprising given that the synoptic gospels Matthew Mark and Luke are believed to share a common source s however the gospel of John also fits perfectly in with this framework despite often covering or focusing on different events This book will be useful for anyone wishing to study the life of Christ in detail to compare the gospels or merely wishing to appreciate the New Testament from a slightly different angle Matthew Mark Luke and John David

Luke John Mike Yeager,2019-11-25 In the Bible there are four biographies of Jesus written by master storytellers Matthew Mark Luke and John all tell the story of Jesus time on earth from unique perspectives with the goal of convincing every reader that Jesus is good and worth following Over the years though to make it more readable people added things to these biographies also called gospels They broke the biographies up into chapters and added numbers to mark verses and even put the words into columns Again this was to help make these Jesus stories easier to read But to me all of those things can actually make it more difficult to read I don t like the stories of Jesus feeling like a textbook I like the stories of Jesus feeling like stories So I took the stories of Jesus removed those numbers and titles and columns and gave the words breathing room so they can tell the story of Jesus as well as possible Whether it s your first time reading these stories or your hundredth I

hope you get a sense of the power of the story of Jesus and how He s good and loving and worth trusting I hope His story impacts the story you re living
