Gilman lays out the history of diets and dieting in a fascinating series of articles **The Spider** Barry Levine,2020-10-20 Who was Jeffrey Epstein Donald Trump has called the ongoing interest in the details about Epstein's web of clients and enablers a hoax But in this book a Pulitzer Prize nominated journalist delivers the most comprehensive account yet of the disgraced financier's life and death revealing a criminal enterprise that stretched over decades An exhaustively detailed look at the life death and alleged crimes of Epstein along with his years long friendship with Trump in the 1990s and early 2000s and how Trump's ascendancy to the presidency ultimately helped expose Epstein *Forbes* An ID Book Club Selection Featured in the Peacock original documentary series *Epstein's Shadow* Ghislaine Maxwell By now the basic contours of Jeffrey Epstein's horrendous crimes his decades long serial abuse of young women and underage girls are familiar But for all that has been written about Epstein since his shocking death in a lower Manhattan jail cell an astonishing amount remains unknown A shy Brooklyn kid turned renegade financier Jeffrey Epstein never wanted to play by the rules of polite society He was elusive in life and he has remained just as elusive in death What is known is that he had amassed nearly 600 million by the time of his death That fortune allowed Epstein to pursue a privileged secretive life jetting between his fortress like homes in Manhattan New Mexico and Little St James his private island Behind these closed doors Epstein socialized with scientists and world leaders and preyed on powerless young women In *The Spider* Barry Levine shines a light into the darkest corners of Epstein's world including Epstein's young adulthood and earliest accusations of sexual

misconduct the murky sources of Epstein's fortune and business dealings Epstein's circle of confidantes and employees particularly the nature of his long relationship with socialite Ghislaine Maxwell his ties to powerful men including Bill Clinton Prince Andrew and Donald Trump Epstein's last hours as a free man in Paris and the secret operation to arrest him at a New Jersey airport before he could flee details on Epstein's final days in jail and the mystery surrounding his death Featuring rare and never before seen photographs The Spider exposes how Epstein operated and evaded justice for so long and how he drew so many others into his criminal web The Cover Girl Amy Rossi, 2025-08-05 Thrilling and glamorous as its runways and backstage parties The Cover Girl is also heartbreaking and redemptive with an ending that made me cry Birdie is a singular unforgettable character whose story encapsulates so much of what led up to the MeToo movement and why the movement was so necessary Ana Reyes New York Times bestselling author of The House in the Pines Find them early enough and they will always be her girls Birdie Rhodes was only thirteen when legendary modeling agent Harriet Goldman discovered her in a department store and transformed her into one of Harriet's Girls What followed felt like the start of something incredible a chance for shy Birdie to express herself in front of the camera But two years later she meets a thirty one year old rock star and her teenage heart falls hard as he leads her into a new life despite Harriet's warnings Then as abruptly as it began it's over like a lipstick smeared fever dream Birdie tries hard to forget that time starting over in Paris in the dying embers of the LA punk scene in Boston at the height of the AIDS crisis She's not that person anymore At least that's what she's been telling herself Decades later Birdie lives a quiet life She works modest gigs takes Pilates and mostly keeps to herself Maybe it's not the glamor she once envisioned but it's peaceful Comfortable Then a letter arrives inviting Birdie to celebrate Harriet's fifty year career Except Birdie hasn't spoken to her in nearly thirty years with good reason Almost famous almost destroyed Birdie can only make her own future if she reckons with her past the fame the trauma the opportunities she gave up for a man who brought her into a life she wasn't ready for Just like she's not ready now But the painful truth waits for nobody Not even Birdie Rhodes For fans of My Dark Vanessa and Taylor Jenkins Reid this striking debut novel explores the dizzying fallout of being seen and not heard in a high stakes industry that leaves no silhouette unscathed **Glamour** Professor Carol Dyhouse, 2013-04-04 How do we understand glamour Has it empowered women or turned them into objects Once associated with modernity and the cutting edge is it entirely bound up with nostalgia and tradition This unique and fascinating book tells the story of glamour It explores the changing meanings of the word its relationship to femininity and fashion and its place in twentieth century social history Using a rich variety of sources from women's magazines and film to social surveys and life histories Carol Dyhouse examines with wit and insight the history and meaning of costume cosmetics perfume and fur Dyhouse disentangles some of the arguments surrounding femininity appearance and power directly addressing feminist concerns The book explores historical contexts in which glamour served as an expression of desire in women and an assertion of entitlement to the pleasures of affluence finally arguing that glamour can't simply be dismissed as

oppressive or as male fantasy but can carry celebratory meanings for women      Dead Fashion Girl Fred Vermorel, 2023-03-21 A crime and a six decade cover up the death of a fashion designer in the cesspit of vice and violence that was 1950s London In 1954 Jean Mary Townsend was strangled with her own scarf and stripped of her underwear but not sexually assaulted The subsequent police investigation was bungled leading to a six decade cover up ensuring that this twenty one year old fashion designer was effectively killed twice first bodily and then as her significance and her memory were erased Fred Vermorel s forensic troubling and trouble making investigation digs deep into Jean Townsend s life and times and her transgressive bohemian milieu It disentangles the lies and bluffs that have obscured this puzzling case for over half a century and offers a compelling solution to her murder and the official secrecy surrounding it More than just a true crime story Vermorel s investigation deploys Townsend s death as a wild card methodology for probing the 1950s a cesspit of vice and violence from coprophiles to bombsite gangs and flick knives in the cinema Densely illustrated with archival material Dead Fashion Girl is a heavily researched darkly curious expos of London s 1950s society that touches on celebrity royalty the postwar establishment and ultimately tragedy      Film, Fashion, and the 1960s Eugenia Paulicelli, Drake Stutesman, Louise Wallenberg, 2017-09-11 A fascinating look at one of the most experimental volatile and influential decades Film Fashion and the 1960s examines the numerous ways in which film and fashion intersected and affected identity expression during the era From A Hard Day s Night to Breakfast at Tiffany s from the works of Ingmar Bergman to Blake Edwards the groundbreaking cinema of the 1960s often used fashion as the ultimate expression for urbanity youth and political un awareness Crumbling hierarchies brought together previously separate cultural domains and these blurred boundaries could be seen in unisex fashions and roles played out on the silver screen As this volume amply demonstrates fashion in films from Italy France England Sweden India and the United States helped portray the rapidly changing faces of this cultural avant gardism This blending of fashion and film ultimately created a new aesthetic that continues to influence the fashion and media of today      **Values and Valuables** Cynthia Ann Werner, Duran Bell, 2004 This volume brings together anthropologists and economists to discuss the complex ways in which different cultures imbue material objects with symbolic qualities whose value cannot be reduced to material or monetary equivalents      **Hunting Ghislaine** John Sweeney, 2022-11-03 A cracking read Ghislaine Maxwell s story has had endless column inches but John gives such a great overview and has mined so many sources that it still feels fresh and compelling Mail on Sunday Once upon a time there was a beautiful princess who suffered a tragedy the death of her father a war hero a philanthropist a good man in suspicious circumstances She fled to New York where she made a new life with a brilliant mathematician Her name is Ghislaine Maxwell and her lover was Jeffrey Epstein Through Jeffrey and her family name Ghislaine became friends with some of the most powerful people on earth ex President Bill Clinton and President to be Donald Trump and the second son of the Queen of England Prince Andrew the Duke of York But this is no fairy tale HUNTING GHISLAINE sets out the other side of the story

and it's one of the darkest you will ever read Ghislaine's father Robert Maxwell was a sadist a war criminal a monster His cruelty deformed Ghislaine Maxwell long before she met Jeffrey Epstein Her one time lover was convicted for being a paedophile So Ghislaine's life has been spent serving not one monster but two In HUNTING GHISLAINE legendary investigative journalist John Sweeney uncovers the truth behind this fairy tale story in reverse [American Photo](#), 1995-09
