Modern American Lyric:

Reconfiguring the Modern American Lyric Anthony Caleshu, 2011 James Tate is one of America's most respected and senior poets whose influence is increasingly widespread. However, his whimsical play has long challenged critics to read him with any depth. After winning the Yale Prize in 1967 for his first book *The Lost Pilot* published when he was just twenty three, Tate has since gone on to win major literary awards including the Pulitzer Prize, the National Book Award, and the Tanning Prize for Lifetime Achievement from the Academy of American Poets. This is the first monograph dedicated to Tate's oeuvre. The author provides a practical reading theory for Tate complete with contextual frameworks. Close readings of Tate's work are informed by the purposeful purposelessness of Kant, the surrealist debt to Breton, and the problems and pleasures of language as explored by Derrida. Tate's great achievement is no less than a reconfiguring of the modern American lyric as a poetry of dramatic and dialogic narrative. Composed out of odds and ends of no great moment as the poet himself writes, Tate's work extends the varied American traditions of writers such as William Carlos Williams, Wallace Stevens, John Berryman, and John Ashbery.

Modern American Lyrics, 1924 Modern American Lyrics Karl Knortz, Otto Dickman, 1880 Modern American Lyric Arthur Oberg, 1978 **The Lyric Subject of Contemporary American Poetry** Daniel Jordan, 2012-05-10 Drawing on current trends in both affect and lyric theory, *Lyric Shame* unsettles the assumptions that inform much contemporary poetry criticism and explains why the emotional confessional expressivity attributed to American lyric has become so controversial. Favored particularly by modern American poets, lyric poetry has long been considered an expression of the writer's innermost thoughts and feelings. But by the 1970s, the lyric I had become persona non grata in literary circles. Poets and critics accused one another of identifying with lyric, which increasingly bore the stigma of egotism and political backwardness. In close readings of Elizabeth Bishop, Anne Sexton, Bernadette Mayer, James Tate, and others, White examines the social and critical dynamics by which certain poems become identified as lyric, arguing that the term refers less to a specific literary genre than to an abstract way of projecting subjectivity onto poems. Arguments about whether lyric poetry is deserving of praise or censure circle around what White calls the missing lyric object: an idealized poem that is nowhere and yet everywhere and which is the product of reading practices that both the advocates and detractors of lyric impose on poems.

Trends in Modern American Society Clarence Morris, 2017-01-30 No detailed description available for *Trends in Modern American Society* New Definitions of Lyric Mark Jeffreys, 1998 This volume traces the modern critical and performance history of this play, one of Shakespeare's most loved and most performed comedies. The essay focuses on such modern concerns as feminism, deconstruction, textual theory, and queer theory.

Lyric Eye Tyne Daile Sumner, 2021-08-05 *Lyric Eye: The Poetics of Twentieth Century Surveillance* presents the first detailed study of the relationship between poetry and surveillance. It critically examines the close connection between American lyric poetry and a burgeoning US state surveillance apparatus from 1920 to the 1960s. The book explores the myriad ways that poets Ezra Pound, William Carlos

Williams W H Auden Langston Hughes James Baldwin Sylvia Plath Gertrude Stein Robert Lowell Allen Ginsberg and others explored a developing and fraught environment in which the growing power of American investigative agencies such as the FBI under J Edgar Hoover imposed new pressures on cultural discourse and personal identity In analysing twentieth century American poetry and its various ideas about the self Lyric Eye demonstrates the extent to which poetry and surveillance employ similar styles of information gathering such as observation overhearing imitation abstraction repurposing of language subversion fragmentation and symbolism Ground breaking and prescient this book will be of great interest to scholars and researchers of literature politics surveillance and intelligence studies and digital humanities **Whiteness, Feminism and the Absurd in Contemporary British and US Poetry** Jenna Clake,2025-02-28

In an era of political and social turmoil on both sides of the Atlantic where issues of gender race and class are linked with concerns of how to survive in a capitalist society a new aesthetic of Absurdist poetry has emerged This aesthetic has a troubled relationship to race pervaded by issues of representation in avant garde poetry and notions of who poetry writers and readers are Focusing on British and US poets including Rachael Allen Emily Berry Crispin Best Caroline Bird Franny Choi Jennifer L Knox Morgan Parker and Jane Yeh Jenna Clake investigates how poets use the Absurd to destabilise ideas about race gender and class and imagine social change Bringing together Whiteness studies socio political theory and close readings of poems Clake examines how the Absurd has developed how its poets understand privilege and offer prospects of hope and change and how the Absurd might move away from nihilism **Speak to Me Words** Dean Rader,Janice Gould,2003-11

Although American Indian poetry is widely read and discussed few resources have been available that focus on it critically This book is the first collection of essays on the genre bringing poetry out from under the shadow of fiction in the study of Native American literature Highlighting various aspects of poetry written by American Indians since the 1960s it is a wide ranging collection that balances the insights of Natives and non Natives men and women old and new voices **Lyric Shame** Gillian White,2014-10-13 Gillian White argues that the poetry wars among critics and practitioners are shaped by lyric shame an unspoken but pervasive embarrassment over what poetry is should be and fails to be Lyric is less a specific genre than a way to project subjectivity onto poems an idealized poem that is nowhere and yet everywhere **Contemporary Verse** ,1927
