Modern Architecture In An Oxford College St Johns College 1945 2005:

Modern Architecture in an Oxford College Geoffrey Tyack, 2005-04-28 This book is a detailed historical study of the post war architecture of St John s College Oxford In the sixty years since 1945 St John s has been one of the major patrons of modern architecture in Oxford and Cambridge commissioning a series of innovative and successful buildings from a sequence of leading architectural practices Architects Co Partnership Arup Associates MacCormac Jamieson Pritchard The college s modern buildings epitomise changing architectural ideas and practice over the last sixty years from the neo Georgianism of the immediate post war years through the confident modernism of the late 1950s to the 1970s to the post modernism of more recent years Geoffrey Tyack discusses these buildings in detail with the help of copious illustrations placing each building within the context of its architect s oeuvre and relating it to the changing character of Oxford University It is thus intended to be a contribution to the understanding both of modern collegiate architecture and of recent English architectural in general

Publication will coincide with the 450th anniversary of the foundation of St John s College History of Universities Mordechai Feingold, 2006-05-11 Volume XXI 1 of History of Universities contains the customary mix of learned articles book reviews conference reports and bibliographical information which makes this publication such an indispensable tool for the historian of higher education Its contributions range widely geographically chronologically and in subject matter The volume is as always a lively combination of original research and invaluable reference material **Peter Moro and Partners**

Alistair Fair, 2021-08-15 Peter Moro is the forgotten co designer of the Royal Festival Hall A German migr who had worked with Berthold Lubetkin s famed practice Tecton in the 1930s Moro was drafted in to help realise the Festival Hall in just two short years in time for the Festival of Britain in 1951 With a team of his former students he created many of the interiors we see today For Moro the Festival Hall was a stepping stone to a career designing many of Britain s finest post war theatres particularly Nottingham Playhouse Plymouth Theatre Royal and the renovated Bristol Old Vic He and his colleagues also designed some exceptional one off houses as well as exhibitions university buildings schools and council housing collaborating with leading talents such as the designer Robin Day Based on detailed archival research and with stunning new photography this is the first book devoted to the work of Peter Moro and his colleagues in architectural practice Ranging from the 1930s to the 1980s it explores Moro s belief in a rigorous modern architecture which was both functionally sound and aesthetically rich It sheds new light on this important body of work and enriches our understanding of the experience and diversity of modernism in Britain *British Design* Christopher Breward, Fiona Fisher, Ghislaine Wood, 2015-10-22

British Design brings together leading international scholars designers and journalists to provide new perspectives on British design in the last sixty years and how it at once looked back to the past with the continuation of traditions that spoke to Britain s design heritage and looked forwards with the embrace of modernist and postmodernist style The book responds to and develops new ways of understanding the recent history of design in Britain with case studies on designed spaces and

objects including domestic interiors retail spaces schools and university buildings and transport The contributors address significant moments and phenomena in the historical and social history of British design from the rise and fall of the English Country House style and the Brutalist architectural boom of the 1960s to the modern shopping space and consider the work of key contemporary designers ranging from Tommy Roberts to Thomas Heatherwick British Design provides new criticism and analysis on how design from the immediate post war period to the present day has developed and changed how we live and how we interact with the spaces in which we live British Design is split into 13 chapters and is richly illustrated with 65 images 16 of which are in full colour

Balliol College: A History, Second Edition John Jones, 1997-07-10 This is an admirably scholarly work and a good read too Its illustrations and plans are well chosen John Jones gives us a great deal of new and detailed information about many aspects of the College s life and some balanced revisions of traditional judgements It will remain the standard work for a long time Christopher Hill
