

Modern Britain

Julian Petley

Modern Britain:

Modern Britain Sean Glynn, Alan Booth, 2020-08-17 Modern Britain focuses on two major periods of British history the interwar period and postwar Britain The authors compare and contrast developments in the two periods dealing with the themes of growth and welfare industry labour social policy the economy Combining a narrative with a conceptual and analytic approach Modern Britain provides an end of century review of progress and decline and an essential background to current polemics and major issues of concern Clearly structured and written this is an invaluable textbook for students of twentieth century British history

The Shaping of Modern Britain Eric Evans, 2014-01-14 In this wide ranging history of modern Britain Eric Evans surveys every aspect of the period in which Britain was transformed into the world's first industrial power By the end of the nineteenth century Britain was still ruled by wealthy landowners but the world over which they presided had been utterly transformed It was an era of revolutionary change unparalleled in Britain yet that change was achieved without political revolution Ranging across the developing empire and dealing with such central institutions as the church education health finance and rural and urban life The Shaping of Modern Britain provides an unparalleled account of Britain's rise to superpower status Particular attention is given to the Great Reform Act of 1832 and the implications of the 1867 Reform Act are assessed The book discusses the growing role of the central state in domestic policy making the emergence of the Labour party the Great Depression the acquisition of a vast territorial empire Comprehensive informed and engagingly written The Shaping of Modern Britain will be an invaluable introduction for students of this key period of British history

Modern Britain: New Realities and Challenges 2000-2020 Светлана Гураль, David Gillespie, Владимир Смокотин, Марина Корнеева, 2022-03-16 This textbook presents authentic English language materials covering the major incidents and facts in British society since 2000 We begin with several important events that have had a lasting impact on the evolution of the British state such as the Magna Carta the creation of Parliament and the establishment and expansion of the British Empire and the retreat from it Subsequent chapters provide discussion materials on contemporary topical issues such as the 2016 referendum on the UK's withdrawal from the European Union Brexit political and social history since 1945 and the 2020 coronavirus pandemic with its heavy toll on human life and the reputation of the British political establishment The book ends with a text speculating on the United Kingdom as viewed from a foreign perspective as a failed state that has succumbed to nationalism social division and consequent economic decline The book includes extensive background notes and suggestions for group and individual study This textbook is intended for students in higher educational institutions studying English language life and society and for the general reader interested in modern Britain

The Humanist Movement in Modern Britain Callum G. Brown, David Nash, Charlie Lynch, 2022-12-15 Humanists have been a major force in British life since the turn of the 20th century Here leading historians of religious non belief Callum Brown David Nash and Charlie Lynch examine how humanist organisations brought ethical reform and rationalism to the nation as it faced the moral

issues of the modern world This book provides a long overdue account of this dynamic group Developing through the Ethical Union 1896 the Rationalist Press Association 1899 the British Humanist Association 1963 and Humanists UK 2017 Humanists sought to reduce religious privilege but increase humanitarian compassion and human rights After pioneering legislation on blasphemy laws dignity in dying and abortion rights they went on to help design new laws on gay marriage and sex and moral education Internationally they endeavoured to end war and world hunger And with Humanist marriages and celebration of life through Humanist funerals national ritual and culture have recently been transformed Based on extensive archival and oral history research this is the definitive history of Humanists as an ethical force in modern Britain **Modern Britain,**

1750 to the Present James Vernon, 2017-04-20 An introductory textbook charting a global history of modern Britain from 1750 to the present **Early Modern Britain's Relationship to Its Past** Philip Mark Robinson-Self, 2019-01-14 This

volume considers the reception in the early modern period of four popular medieval myths of nationhood the legends of Brutus Albina Scota and Arthur tracing their intertwined literary and historiographical afterlives The book thus speaks to several connected areas and is timely on a number of fronts its dialogue with current investigations into early modern historiography and the period's relationship to its past its engagement with pressing issues in identity and gender studies and its analysis of the formation of British national origin stories at a time when modern Britain is seriously considering its own future as a nation **A History of Modern Britain** Andrew Marr, 2009-07-03 A History of Modern Britain by Andrew

Marr confronts head on the victory of shopping over politics This edition also includes an extra chapter charting the course from Blair to Brexit It tells the story of how the great political visions of New Jerusalem or a second Elizabethan Age rival idealisms came to be defeated by a culture of consumerism celebrity and self gratification In each decade political leaders think they know what they are doing but find themselves confounded Every time the British people turn out to be stroppier and harder to herd than predicted Throughout Britain is a country on the edge first of invasion then of bankruptcy then on the vulnerable front line of the Cold War and later in the forefront of the great opening up of capital and migration now reshaping the world This history follows all the political and economic stories but deals too with comedy cars the war against homosexuals Sixties anarchists oil men and punks Margaret Thatcher's wonderful good luck political lies and the true heroes of British theatre *The Ten Legal Cases That Made Modern Britain* Inigo Bing, 2022-07-12 LIFE SEX RACE POWER FREE

SPEECH PROTEST PRIVACY DEMOCRACY SOVEREIGNTY DEATH Society shapes law and law shapes society We like to imagine that progress comes about when Parliament spots a looming groundswell in public opinion and responds by changing the laws that govern our daily lives This is not always true In this fascinating book Inigo Bing unravels ten legal cases in which the decisions of judges or a jury either heralded a shift in outlook or forced Parliament to respond to simmering social change Some of these cases demonstrate the role judges have in defending our civil liberties against overweening executive power articulating inherent unwritten rights Parliament would prefer to keep quiet about Others

explore what happens when rapid technological or social change outpaces government placing urgent ethical dilemmas in the lap of the court All of them have had a lasting impact on the society we inhabit Taken together these stories provide a powerful insight into eighty years of British social political and cultural history illustrating why legal cases are just as important to making our world as laws written by Parliament or grassroots changes within society

A History of Modern Britain Ellis Wasson,2009-08-17 A History of Modern Britain 1714 to the Present presents a lively introduction to the history of the modern British Isles from the Hanoverian succession to the present day Develops themes of tradition and change the role of the four nations of the British Isles and Britain in a world context Complements the narrative with descriptions of fascinating personalities from Britain s past from the arsonist James Aitken and the female adventurer Jane Digby to the celebrity footballer George Best Includes features to help orientate the reader illustrations maps royal family genealogies chronology and glossary online supplements include preliminary chapter from 1688 An accompanying website containing additional support and materials for lecturers and students is available at www.wiley.com/go/wasson

The Making of Consumer Culture in Modern Britain Peter Gurney,2017-05-18 CHOICE OUTSTANDING ACADEMIC TITLE AWARD WINNER 2018 It is commonly accepted that the consumer is now centre stage in modern Britain rather than the worker or producer Consumer choice is widely regarded as the major source of self definition and identity rather than productive activity Politicians vie with each other to fashion their appeal to citizen consumers When and how did these profound changes occur Which historical alternatives were pushed to the margins in the process In what ways did the everyday consumer practices and forms of consumer organising adopted by both middle and working class men and women shape the outcomes This study of the making of consumer culture in Britain since 1800 explores these questions introduces students to major debates and cuts a distinctive path through this vibrant field It suggests that the consumer culture that emerged during this period was shaped as much by political relationships as it was by economic and social factors

Political Ideas in Modern Britain Rodney Barker,2013-01-11 The rise of the New Right and the collapse of state communism in 1989 has fundamentally changed political thinking in the late twentieth century Rodney Barker has revised and extended his classic text Political Ideas in Modern Britain in the light of these changes His accessible account of political thinking in Britain since the 1880s now includes detailed analysis of the demise of traditional conservatism and socialism the rise and decline of the New Right the growth of feminism liberalism and pluralism Political Ideas in Modern Britain charts the changing intellectual landscape of political thinking illustrating how contemporary political thought is both rooted in tradition and a radical transformation of it Whether the future is liberal communitarian pluralist or simply uncertain this is an essential guide for students of British politics Rodney Barker is Senior Lecturer in Government at the London School of Economics and Political Science

Film and Video Censorship in Modern Britain Julian Petley,2011-05-17 How does film and video censorship operate in Britain Why does it exist And is it too strict Starting in 1979 the birth of the domestic video industry and the first year of the Thatcher

government this critical study explains how the censorship of films both in cinemas and on video and DVD has developed in Britain As well as presenting a detailed analysis of the workings of the British Board of Film Classification Petley casts his gaze well beyond the BBFC to analyse the forces which the Board has to take into account when classifying and censoring These range from laws such as the Video Recordings Act and Obscene Publications Act and how these are enforced by the police and Crown Prosecution Service and interpreted by the courts to government policy on matters such as pornography In discussing a climate heavily coloured by 30 years of lurid video nasty stories propagated by a press which is at once censorious and sensationalist and which has played a key role in bringing about and legitimating one of the strictest systems of film and video DVD censorship in Europe this book is notable for the breadth of its contextual analysis its critical stance and its suggestions for reform of the present system

Society and Economy in Modern Britain 1700-1850 Richard Brown,2002-11-01 For both contemporaries and later historians the Industrial Revolution is viewed as a turning point in modern British history There is no doubt that change occurred but what was the nature of that change and how did it affect rural and urban society Beginning with an examination of the nature of history and Britain in 1700 this volume focuses on the economic and social aspects of the Industrial Revolution Unlike many previous textbooks on the same period it emphasizes British history and deals with developments in Wales Scotland and Ireland in their own right It is the emphasis on the diversity not the uniformity of experience on continuities as well as change in this crucial period of development which makes this volume distinctive In his companion title Richard Brown completes his examination of the period and looks at the changes that took place in Britain's political system and in its religious affiliations

The Religious Innatism Debate in Early Modern Britain R.J.W. Mills,2021-09-20 This book demonstrates that the common belief that humanity is naturally disposed to religion did not disappear with the emergence of the Enlightenment Going beyond a narrow focus on John Locke's empiricism this vivid analysis reconstructs the vociferous multivocal debate over the natural origins of religious belief in England and Scotland between c 1650 and c 1750 It enriches our understanding through examining hundreds of discussions of the relationship between human nature and religion from a variety of genres and contexts It shows that belief in religious innatism was a ubiquitous and enduring claim about human nature across the continuum of Christian thought in early modern Britain and one deployed for a variety of reasons While the doctrine of innate religious ideas did fall out of use the belief that human nature was framed for religion continued in new forms into the eighteenth century

The Shaping of Modern Britain Eric Evans,2014-01-14 In this wide ranging history of modern Britain Eric Evans surveys every aspect of the period in which Britain was transformed into the world's first industrial power By the end of the nineteenth century Britain was still ruled by wealthy landowners but the world over which they presided had been utterly transformed It was an era of revolutionary change unparalleled in Britain yet that change was achieved without political revolution Ranging across the developing empire and dealing with such central institutions as the church education health finance and rural and urban

life The Shaping of Modern Britain provides an unparalleled account of Britain's rise to superpower status Particular attention is given to the Great Reform Act of 1832 and the implications of the 1867 Reform Act are assessed The book discusses the growing role of the central state in domestic policy making the emergence of the Labour party the Great Depression the acquisition of a vast territorial empire Comprehensive informed and engagingly written The Shaping of Modern Britain will be an invaluable introduction for students of this key period of British history

Governing Risks in Modern Britain Tom Crook, Mike Esbester, 2016-04-26 For more than 200 years everyday life in Britain has been beset by a variety of dangers from the mundane to the life threatening Governing Risks in Modern Britain focuses on the steps taken to manage these dangers and to prevent accidents since approximately 1800 It brings together cutting edge research to help us understand the multiple and contested ways in which dangers have been governed It demonstrates that the category of risk broadly defined provides a new means of historicising some key developments in British society Chapters explore road safety and policing environmental and technological dangers and occupational health and safety The book thus brings together practices and ideas previously treated in isolation situating them in a common context of risk related debates dilemmas and difficulties Doing so it argues advances our understanding of how modern British society has been governed and helps to set our risk obsessed present in some much needed historical perspective

Religion and Change in Modern Britain Linda Woodhead, Rebecca Catto, 2013-03-01 This book offers a fully up to date and comprehensive guide to religion in Britain since 1945 A team of leading scholars provide a fresh analysis and overview with a particular focus on diversity and change They examine relations between religious and secular beliefs and institutions the evolving role and status of the churches the growth and settlement of non Christian religious communities the spread and diversification of alternative spiritualities religion in welfare education media politics and law theoretical perspectives on religious change The volume presents the latest research including results from the largest ever research initiative on religion in Britain the AHRC ESRC Religion and Society Programme Survey chapters are combined with detailed case studies to give both breadth and depth of coverage The text is accompanied by relevant photographs and a companion website

Catholics in Contemporary Britain Ben Clements, Stephen Bullivant, 2022-08-01 Catholics in Contemporary Britain showcases findings from a wide ranging empirical study of Catholics living in Britain It offers a sociologically informed study placing the contemporary Catholic community in the wider contexts of their society and the global faith of which they are a part The book has been animated by a set of compelling broader questions Who are the Catholics in Britain How do they engage with their faith and with the Church What do they think about issues within and the leadership of their Church What are their views on wider social issues and of the party political landscape The study is thematically broad in scope focusing on demography religiosity addressing the three Bs of believing belonging and behaving social moral issues church leadership and schooling and party support and voting behaviour The book presents a rich and fascinating demographic religious and attitudinal profile of Britain's Catholics

in the 21st Century *NGOs in Contemporary Britain* N. Crowson, M. Hilton, J. McKay, 2009-04-22 Examining the history of social movements and non state socio political action this volume shows how Non Governmental Organisations NGOs have proliferated in Britain since 1945 and how they have raised new political agendas revived associational life and arguably re politicized generations disillusioned with the politics of the ballot box Modern England 1901-1970 Alfred Havighurst, 1976-05-13 This is a comprehensive bibliography of all printed books articles and standard texts on England Ireland Scotland the Commonwealth and the colonies up to 1970 This handbook will serve as a useful guide to scholars teachers at all levels advanced students and the general reader interested in examining the period in some depth

As recognized, adventure as competently as experience approximately lesson, amusement, as skillfully as understanding can be gotten by just checking out a book **Modern Britain** next it is not directly done, you could put up with even more roughly this life, not far off from the world.

We allow you this proper as with ease as simple pretentiousness to acquire those all. We meet the expense of Modern Britain and numerous ebook collections from fictions to scientific research in any way. in the course of them is this Modern Britain that can be your partner.
