Modern Europe, 1789-1914 Sydney Herbert, 2015-06-04 Excerpt from Modern Europe 1789 1914 The object of this book is to describe the main lines of development pursued in European politics since the beginning of the French Revolution in 1789 To do this on a really adequate scale would require a work of immensely greater dimensions and I have attempted no more than an introductory sketch One result of the Great War has been that a very large number of people is seeking for the first time seriously to understand what are called foreign affairs the relations in which England stands to other States and the causes which have helped to produce the present world convulsion It is a commonplace that the causes which bring states to hostility or friendship can only be understood when something is known of their respective histories of the manner of their growth and of the forces which have conditioned that growth I have tried therefore to produce a book which will assist such students as I have described to gain a foundation of knowledge upon which they can build by further studies The modesty of my purpose has conditioned the method pursued in writing the book I have consistently endeavoured to show how the internal histories of the European States have affected their external relations and how these in turn have influenced domestic development About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Modern Europe, 1789-1914 (Classic Reprint) Sydney Herbert, 2017-12-23 Excerpt from Modern Europe 1789 1914 The last two chapters dealing as they do with diplo matic history since the Treaty of Berlin are outlines only So many of the events which have occurred since that date are still shrouded in mystery that it would have been dangerous for me to have attempted more There is so much that we do not know the inner history of the F ranco Russian Alliance the degree and extent to which German diplomacy was responsible for the greco turkish War the real origins of the Balkan League Much secret history has been revealed since August 1914 but the whole truth about these and many other matters is hardly likely to be known to our generation I desire to acknowledge my indebtedness to my friend Mr A E Zimmern who has read the whole work in manu script and to Lieut Cyril Burton who gave me many valuable suggestions for the first book Their kindness has been of the greatest possible assistance to me I cannot forbear also to express my gratitude for the sympathetic encouragement I have received from my publishers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such
