patterns of interdependence as observed for example in how Muslim and Jewish aversion to pork fired Spain's passion for ham what happened when New World foodstuffs entered into Old World kitchens and how food and sexual urges that so often came together regardless of class ethnicity or gender construct moments of communal celebration This mouth watering tour of the discourses of food in early modern Spain is complemented by an appendix that features forty seven recipes drawn from contemporary sources

Insecure Prosperity Ewa Morawska, 2021-04-13 This captivating story of the Jewish community in Johnstown Pennsylvania reveals a pattern of adaptation to American life surprisingly different from that followed by Jewish immigrants to metropolitan areas Although four fifths of Jewish immigrants did settle in major cities another fifth created small town communities like the one described here by Ewa Morawska Rather than climbing up the mainstream education and occupational success ladder the Jewish Johnstownians created in the local economy a tightly knit ethnic entrepreneurial niche and pursued within it their main life goals achieving a satisfactory standard of living against the recurrent slumps in local mills and coal mines and enjoying the company of their fellow congregants Rather than secularizing and diversifying their communal life as did Jewish immigrants to larger cities they devoted their energies to creating and maintaining an inclusive multipurpose religious congregation Morawska begins with an extensive examination of Jewish life in the Eastern European regions from which most of Johnstown's immigrants came tracing features of culture and social relations that they brought with them to America After detailing the process by which migration from Eastern Europe occurred Morawska takes up the social organization of Johnstown the place of Jews in that social order the transformation of Jewish social life in the city and relations between Jews and non Jews The resulting work will appeal simultaneously to students of American history of American social life of immigration and of Jewish experience as well as to the general reader interested in any of these topics
