Modern Military Bullpup Rifles:

Modern Military Bullpup Rifles Thomas B. Dugelby, 1984 **Rifles** David Westwood, 2005-03-01 From the musket to the M 16 rifles have played a major role in battle sometimes tilting the scales in a pivotal moment of war Yet all too often poor decisions and ill conceived innovations resulted in putting inappropriate weapons into ill trained hands with disastrous consequences Ranging primarily from the late 18th century to the present this richly illustrated volume tells the fascinating sometimes problematic history of rifled weapons and ammunition for military use Battle to battle readers will see how faster loading more accurate rifles changed the battlefield Readers will also encounter many instances where decisionmakers chose to issue rifles ill suited for the task at hand when better options were available Author David Westwood has handled every weapon he describes from muskets to breechloaders from repeaters and bolt action rifles to semiautomatics and self loaders His exhaustive research reveals new insights into both the successes and failures of rifled weapons The result is a fresh look at a common weapon s most uncommon story Guns of the Elite Forces John Walter, 2005-02-01

Guns of the Elite Forces John Walter, 2005-02-01 Guns of the Elite Forces provides a penetrating account of the weapons that elite fighting troops carry into combat Such elites have always existed in the armies of the world During World War II elite units sprang up in most theatres of conflict the German Brandenburgers carried out clandestine operations in Poland in the Western Desert the Long Range Desert Group and SAS penetrated deep behind enemy lines for larger scale raids the British Commandos and the US Rangers and Marine Raiders were formed

SA80 Assault Rifles Neil Grant, 2016-09-22 Now the standard weapon for British soldiers across the globe the SA80 s early years were surrounded in controversy after a series of dismal performances It was prone to jamming in desert conditions had several flimsy parts that would often break after repeated use and had an incredibly sensitive magazine catch When these issues came to light the SA80 was lambasted by the news leading to the Ministry of Defence ordering an extensive modification programme that dramatically improved reliability Combat accounts and in depth analysis of the SA80 s performance in Kosovo Sierra Leone Afghanistan and Iraq guide the reader through its troubled life while vivid artwork helps to illustrate the transformation it underwent from an unreliable rifle disliked by the soldiers who used it to being one of the world s most innovative and accurate small arms Future Weapons Kevin Dockery, 2007-12-04

Future Weapons Kevin Dockery, 2007-12-04 On the battlefield a soldier s best friends are his gun and his gear because his life depends on them But what will it take to fight and survive on the battlefields of tomorrow What will those combat arenas consist of and where will they be And what will our nation s fighting men and women carry with them into battle Future Weapons is a compendium of the weapons of war that may accompany our soldiers in the near and far future as well as an insightful look at the soldier sailor and airman of today and tomorrow All manner of military hardware is covered as well as information about cutting edge technology that will become standard in weapons to come the possibility of robotic soldiers vehicles protective armor and the prospects of fighting a war in both space and cyberspace The Theatrical Firearms Handbook Kevin Inouye, 2014-05-30 The Theatrical Firearms

Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade Within these pages are practical instruction couched in the language of theatre and film making firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material It contains over 100 illustrations This handbook is equally at home within the worlds of academic training professional performance and independent or community theatre and video productions and is an invaluable resource for fight choreographers props designers backstage crew directors actors stage managers and more at all levels of experience
