Modern Greece A Short History Faber Paperbacks:

Modern Greece Christopher Montague Woodhouse,1991 This new edition covers the history of Greece from Constantine in the 3rd century to April 1990 the subject of the new chapter when the third election in 10 months brought to power Costa Mitsotakis and the New Democracy party

Modern Greece Cristopher Montague Woodhouse,1977

The Real Story of the Relationship Between Britain and Greece William Mallinson,2024-10-29 There are thousands of books about England on the one hand and Greece on the other but none which looks specifically and critically at the story of the relationship between the two countries and their peoples and in particular at how England has influenced modern Greece not always to the latter s benefit This book has been written by a former British diplomat with a Greek mother and English father who has lived for the last thirty years in Greece The book gives a true picture of the good the bad and the ugly warts and all up until today despite the efforts of various party politically influenced academics and officials to play down embarrassing facts which do not fit their agenda The book will appeal to discerning tourists as well as to international historians Anglophiles and Hellenophiles and will inject more transparency into the story in order to rock the boat of apathy rather than paper over the cracks and thus promote and improve relations between these two great or at least once great countries

A History of the World from the 20th to the 21st Century John Ashley Soames Grenville,2005 Provides a comprehensive survey of the key events and personalities of this period

Library of Congress Catalogs Library of Congress,1980

George Jellicoe Nicholas C. Jellicoe,2021-07-21 George Jellicoe son of Admiral Sir John Jellicoe commander of the British Grand Fleet at Jutland was never compromised by his privileged upbringing In this insightful biography his son describes a life of action drama public service and controversy George s exploits with the newly formed SAS as David Stirling s second in command and later commanding the SBS make for fascinating reading Over four years it embraced the North African and Mediterranean campaigns and culminated in the saving of a newly liberated Athens from the communist guerrillas of ELAS The brutality of Stalinist communism led him to join the post war Foreign Office In Washington he worked with Kim Philby and Donald Maclean in the cloak and dagger world of espionage Resigning in 1958 so he could marry the woman he loved he turned to politics Although his ministerial career ended in 1973 after unwittingly become entangled with the Lambton scandal he continued to sit in the House of Lords becoming Father of the House He held numerous public appointments including President of the Royal Geographical Society Chairman of the Medical Research Council President of the SAS Regimental Association and the UK Crete Veterans Association Thanks to the author s research and access this is more than a biography of a significant public figure It provides fascinating detail of Special Forces operations and the characters of the countless figures with whom he mixed

Thrice a Stranger William Mallinson,2016-01-14 A Greek

grandfather born a citizen of the Ottoman Empire who became an Italian national provides the starting point for this book which by focusing on the real story of a family against a background of historical events shows how what the author calls the minotaurs of fear and greed can be overcome and the pseudo theories of many a pundit of so called international relations can be demolished It is not every day that the son of a Cumbrian who fought in the Great War meets the daughter of his Ottoman enemy following the next war and then marries her The author's grandfathers were on opposing sides in the Great War one with the British at Gallipoli the other in the Ottoman Army in the next war his father and uncle were on opposing sides to his aunt's husband His aunt was thrice a refugee from Ottoman Turkey Italian Rhodes and then again from modern Turkey This forms the rich backcloth to this historical account of the family vicissitudes engendered by the behaviour of Greece's controversial Eleftherios Venizelos and Turkey's bombastic Kemal Ataturk Written and spoken accounts by family members and diplomatic documents are skilfully woven into a rich tapestry of that geohistorical toilet the Eastern Mediterranean The book brings to life some vital aspects of modern European history ending with a trenchant critique of Greece and Turkey today warts and all
