

# **Modern Japanese Poets And The Nature Of Literature**

Leza Lowitz, Miyuki Aoyama, Akemi Tomioka

## **Modern Japanese Poets And The Nature Of Literature:**

Modern Japanese Poets and the Nature of Literature Makoto Ueda, 1983 A Stanford University Press classic **Master Haiku Poet** Makoto Ueda,1970 Originally published by Twayne Publishers 1970 **Modern Japanese Writers** and the Nature of Literature Makoto Ueda, 1976 Modern Japan, Student Economy Edition Mikiso Hane, 2018-04-27 This book presents the essential facts of modern Japanese history It covers a variety of important developments through the 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments **Modern Japan** Mikiso Hane, 2018-03-09 Integrating political events with cultural economic and intellectual movements Modern Japan provides a balanced and authoritative survey of modern Japanese history A summary of Japan's early history emphasizing institutions and systems that influenced Japanese society provides a well rounded introduction to this essential volume which focuses on the Tokugawa period to the present The fifth edition of Modern Japan is updated throughout to include the latest information on Japan's international relations including secret diplomatic correspondence recently disclosed on WikiLeaks This edition brings Japanese history up to date in the post 9 11 era detailing current issues such as the impact of the Gulf Wars on Japanese international relations the March 2011 earthquake tsunami and subsequent nuclear accident the recent tumultuous change of political leadership and Japan's current economic and global status An updated chronological chart list of prime ministers and bibliography are also included Culture and **Identity** J. Thomas Rimer, 2014-07-14 This collection of essays represents the first attempt in this country to examine systematically the nature and development of modern Japanese self consciousness as expressed through culture The essays reveal eloquently the extent to which important aspects of Japanese intellectual life in the early twentieth century were inspired by European models of cultural criticism ranging from Kant and Hegel to Nietzsche Marx Durkheim and Bergson Implicitly comparative this collection raises the question whether late industrialization and related processes call forth cultural convergence as between East and West or whether a living culture transforms these processes and makes one nation s experience significantly different from that of others Together with the editor the contributors include Brett de Bary Thomas W Burkman H D Harootunian Germaine A Hoston Nozomu Kawamura Stephen W Kohl William R LaFleur Hajimu Nakano Donald Roden Miriam Silverberg Eugene Soviak Jackie Stone Shuji Takashina and Makoto Ueda Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Eastern Phoenix** Mikiso Hane, 2018-02-05 It has been fifty years since Japan admitted defeat and accepted the terms of the Potsdam Declaration following World War II At the time Japan was in

shambles its imperial dream shattered and its people reduced to scrounging for sufficient food to stay alive Yet over the past half century Japan has remade itself and emerged as one of the leading economic powers in the world How did Japan achieve this success and what has this remarkable rebirth meant for the Japanese people In Eastern Phoenix Mikiso Hane closely examines historical factors that have contributed to Japan's postwar development politically economically socially and culturally Beginning with the occupation by U S forces under Gen Douglas MacArthur Hane shows how American reforms and initiatives combined with the political actions of subsequent Japanese leaders to create a country able to forge ahead economically while retaining many traditional aspects of prewar Japanese society In addition to presenting a narrative overview of important events since 1945 Eastern Phoenix provides insight into the evolution of Japan's foreign relations internal effects of prosperity on Japanese society and problems that remain despite extraordinary progress The book critically examines such media hot topics as education environmental degradation organized crime racial and class discrimination the Japanese work ethic and the role of women in society To provide useful context for student readers Hane frequently punctuates his discussion by contrasting Japanese statistics with those of the United States The book also excels in examining how artists and writers have grappled with Japan's rapidly evolving contemporary history and Hane points the reader toward books and films that can shed additional light on Japanese perceptions of the past fifty years Japanese Tanka Makoto Ueda, 1996 His introduction gives an excellent overview of the development of tanka in the last one hundred years **Japanese Aesthetics and Culture** Nancy G. Hume, 1995-07-01 Some of the essays provide a general introduction to the basic theories of Japanese aesthetics others deal with poetry and theater and a third group discusses cultural phenomena directly related to classic Japanese literature The Postwar Development of Japanese Studies in the <u>United States</u> Helen Hardacre, 2023-07-17 The present volume documents the postwar history of United States scholarship on Japan A careful selection of North American scholars under the general editorship of Helen Hardacre Reischauer Institute Professor of Japanese Religions and Society at Harvard University shows that a range of factors have directed Japanese studies in the United States since 1945 Among these factors are social and political change in Japan and the United States shifts in dominant scholarly concerns about Japan and changing evaluations of area studies The work consists of twelve essays in a wide variety of fields history art religion literature anthropology political science and law Each essay chronicles postwar scholarship in its particular discipline and provides a useful bibliography to serve further reference The general aim of the volume is to put current debates in historical perspective and to help assess the field s achievements It identifies areas requiring more work and charts directions for the future Miyazawa Kenji and His Illustrators Helen Kilpatrick, 2012-12-10 In Miyazawa Kenji and His Illustrators Helen Kilpatrick examines re visionings of the literature of one of Japan's most celebrated authors Miyazawa Kenji 1896 1933 The deeply Buddhist Kenji s imaginative d wa children s tales are among the most frequently illustrated in Japan today Numerous internationally renowned artists such as Munakata Shik Kim Tschang

Yeul and Lee Ufan have represented his stories in an array of intriguing visual styles reinvigorating them as picture books for modern audiences Focusing on some of Kenji s most famous narratives the author analyses the ways artists respond to the stories metaphysical philosophies exploring the interaction of literature art and culture Miyazawa Kenji and His Illustrators is richly depicted with full colour images of the representations of Kenji s work making the book a valuable resource on how illustrations shape story and how these picture books continue to convey the texts witty and ironic messages more deeply than the written word alone **A Long Rainy Season** Leza Lowitz, Miyuki Aoyama, Akemi Tomioka, 1998-07-01 Winner of the 1995 Benjamin Franklin Award this is a landmark anthology of traditional short verse In haiku and tanka fifteen Japanese women poets reveal universal female themes through the lens of a challenging spiritual and physical Japanese environment

The Postwar Developments of Japanese Studies in the United States Helen Hardacre, 1998 This volume of twelve essays with useful bibliographies in the fields of history art religion literature anthropology political science and law documents the history of United States scholarship on Japan since 1945 The Poetry and Poetics of Nishiwaki Junzaburo Hosea Hirata, 2014-07-14 This book offers an in depth investigation into the writings of one of modern Japan's most gifted poet scholars Nishiwaki Junzaburo 1894 1982 who has been compared to T S Eliot R M Rilke and Paul Val ry Exploring both his poetry and theoretical writings Hosea Hirata describes how Nishiwaki who wrote his first poems in English and French shaped a highly influential poetic modernism in Japan while elevating the artistic status of translation This volume includes Nishiwaki s highly original essays on the nature of poetry his first two collections of Japanese poems and a poem meditating on the annihilation of symbolism The author maintains that in Japan the language of modernism was that of translation When Nishiwaki finally began to write poems in Japanese a new poetic language was born in his country a translatory language Hirata elaborates this birth of new poetry via translation by referring to the theories of translation and of diff rance articulated by Walter Benjamin and Jacques Derrida The author reconsiders the view that translated texts are secondary to the originals where the truth supposedly resides instead he presents translation as an essential textual movement criture toward the paradise of pure language and Poetry Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Yosano Akiko and The Tale of Genji G. Rowley, Gaye Rowley, 2020-09-24 Yosano Akiko 1878 1942 has long been recognized as one of the most important literary figures of prewar Japan Her renown derives principally from the passion of her early poetry and from her contributions to 20th century debates about women This emphasis obscures a major part of her career which was devoted to work on the Japanese classics and in particular the great Heian period text The Tale of Genji

Akiko herself felt that Genji was the bedrock upon which her entire literary career was built and her bibliography shows a steadily increasing amount of time devoted to projects related to the tale This study traces for the first time the full range of Akiko s involvement with The Tale of Genji The Tale of Genji provided Akiko with her conception of herself as a writer and inspired many of her most significant literary projects She in turn refurbished the tale as a modern novel pioneered some of the most promising avenues of modern academic research on Genji and to a great extent gave the text the prominence it now enjoys as a translated classic Through Akiko s work Genji became in fact as well as in name an exemplum of that most modern of literary genres the novel In delineating this important aspect of Akiko's life and her bibliography this study aims to show that facile descriptions of Akiko as a poetess of passion or new woman will no longer suffice Masaoka Shiki Janine Beichman, 2002 Excellent Anyone interested in Shiki should consult this by all means Burton Watson Masaoka Shiki Shiki Masaoka, 1997 These poems more than a hundred haiku several tanka and three kanshi are arranged chronologically within each genre revealing the development of Masaoka Shiki s 1867 1902 art and the seamless way in which he wove his life and illness into his poetry Watson's introduction deftly explores the course of Shiki's life and places him in relation to Japanese history literature and thought **Encyclopedia of World Writers, 1800 to the Present** Marie Diamond, 2020-07-01 In recent years schools have started introducing more inclusive syllabi emphasizing the works and ideas of previously overlooked or underrepresented writers Readers of all ages can now explore the rich contributions of writers from around the world These writers have various backgrounds and unlike most writers from the U S or the United Kingdom information on them in English can be difficult to find Encyclopedia of World Writers 1800 to the Present covers the most important writers outside of the U S Britain and Ireland since 1800 More than 330 insightful A to Z entries profile novelists poets dramatists and short story writers whose works are anthologized in textbooks or assigned in high school English classes Entries range in length from 200 to 1 000 words each and include a biographical sketch synopses of major works and a brief bibliography Dozens of entries are new to this edition and many existing entries have been updated and significantly expanded with new Critical Analysis sections Coverage includes Chinua Achebe Margaret Atwood Roberto Bola o Albert Camus Khalid Hosseini Victor Hugo Mohammad Igbal Franz Kafka Stieg Larsson Mario Vargas Llosa Naghib Mahfouz Gabriel Garc a M rquez Kenzaburo Oe Marcel Proust Leo Tolstoy Emile Zola and more **Advertising Tower** William O. Gardner, 2020-05-11 On a December morning in 1925 a newspaper journalist reported receiving 25 different handbills in an hour s walk in downtown Tokyo advertising everything from Western style clothing and furniture to sweet shops charity organizations phonograph recordings plays and films The activities of advertisers and the new entertainment culture and patterns of consumption that they promoted helped to define a new urban aesthetic emerging in the 1920s This book examines some of the responses of Japanese authors to the transformation of Tokyo in the early decades of the twentieth century In particular it explores the themes and formal strategies of the modernist literature that flourished in the 1920s

focusing on the work of Hagiwara Kyojiro 1899 1938 and Hayashi Fumiko 1903 1951 William Gardner shows how modernist works offer new constructions of individual subjectivity amid the social and technological changes that provided the ground for the appearance of mass media Hagiwara's conception of the poem and poet as an electric radio advertising tower provides an emblem for the aesthetic tensions and multiple discourses of technology media urbanism commerce and propaganda that were circulating through the urban environment at the time while Hayashi s work with its references to popular songs plays and movies suggests an understanding of everyday life as the interface between individual subjectivity and a highly mediated environment Routledge Handbook of Modern Japanese Literature Rachael Hutchinson, Leith Douglas Morton, 2016-06-03 The Routledge Handbook of Modern Japanese Literature provides a comprehensive overview of how we study Japanese literature today Rather than taking a purely chronological approach to the content the chapters survey the state of the field through a number of pressing issues and themes examining the ways in which it is possible to read modern Japanese literature and situate it in relation to critical theory. The Handbook examines various modes of literary production such as fiction poetry and critical essays as distinct forms of expression that nonetheless are closely interrelated Attention is drawn to the idea of the bunjin as a person of letters and a more realistic assessment is provided of how writers have engaged with ideas not labelled a novelist or poet but a writer who may at one time or another choose to write in various forms The book provides an overview of major authors and genres by situating them within broader themes that have defined the way writers have produced literature in modern Japan as well as how those works have been read and understood by different readers in different time periods The Routledge Handbook of Modern Japanese Literature draws from an international array of established experts in the field as well as promising young researchers It represents a wide variety of critical approaches giving the study a broad range of perspectives This handbook will be of interest to students and scholars of Asian Studies Literature Sociology Critical Theory and History

### **Modern Japanese Poets And The Nature Of Literature Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age. obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Modern Japanese Poets And The Nature Of Literature PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Modern Japanese Poets And The Nature Of Literature PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Modern Japanese Poets And The Nature Of Literature free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
