Henderson, Bryan McCann**

Modern Latin America:

Modern Latin America Thomas E. Skidmore, Peter H. Smith, 1992

Modern Latin America Since 1800 Mark

Wasserman, 2022-08-25 This textbook offers an interpretive overview of the history of the Latin American region since the mid eighteenth century Its central focus is the struggle of ordinary folks to control their daily lives It examines the social economic and political institutions Latin Americans built and rebuilt such as families governments from village to national levels churches political parties labor unions schools and armies through the lives of the people forged them It explores the texture of everyday life

Modern Latin America Thomas E. Skidmore, Peter H. Smith, 2005 Now in its sixth edition Modern Latin America is a lively interpretive history and the leading text in the field Thoroughly updated and revised the book includes a new chapter on the history of Colombia from the wars of independence to the violent conflicts of the present day It also examines such topics as the impact of 9 11 on U S Latin American relations globalization drug trafficking women s roles in society and politics the fragility and uncertainty of democracy in Latin America The book features sociocultural sections and boxes in nearly every chapter covering such diverse areas as the psychology of exile Santeria in Cuba baseball in the Dominican Republic and the popularity of Latin music in the U S All political and economic information has been updated As in earlier editions the authors use an in depth case study approach that guides readers through the major countries of Latin America highlighting central themes including European New World interaction racial mixtures military takeovers and United States intervention in the area With an insightful look into the future Modern Latin America Sixth Edition will continue to be an exceptional text for undergraduate courses on contemporary Latin American history society and politics

Modern Latin America Thomas E. Skidmore, Peter H. Smith, 1989 The leading survey in its field this lively interpretive history has been brought up to date in all areas especially in its treatment of recent developments in Central America The new edition also features a completely new chapter on the Caribbean As before the authors illustrate such central themes as European Indian and European African interaction large scale immigration in the late 19th and 20th centuries populist political leadership military takeovers and U S intervention in the region examining the influence of economic forces and social tensions on political conflict in each case and discussing recent economic developments in clear jargon free language Lucidly written and enhanced by insights from social science Modern Latin America remains the preeminent treatment of this vitally important subject

A New History of Modern Latin America Lawrence A.

Clayton, Michael L. Conniff, Susan M. Gauss, 2017-08-01 A New History of Modern Latin America provides an engaging and readable narrative history of the nations of Latin America from the Wars of Independence in the nineteenth century to the democratic turn in the twenty first This new edition of a well known text has been revised and updated to include the most recent interpretations of major themes in the economic social and cultural history of the region to show the unity of the Latin America experience while exploring the diversity of the region s geography peoples and cultures It also presents substantial

new material on women gender and race in the region Each chapter begins with primary documents offering glimpses into moments in history and setting the scene for the chapter and concludes with timelines and key words to reinforce content Discussion questions are included to help students with research assignments and papers Both professors and students will find its narrative chronological approach a useful guide to the history of this important area of the world

A History of Modern Latin America Teresa A. Meade,2011-09-09 A History of Modern Latin America 1800 to the Present examines the diverse and interlocking experiences of people of indigenous African and European backgrounds from the onset of independence until today Illustrates and analyzes the major and minor events that shape history the triumphs and defeats and the everyday lives of people of varied classes and racial and ethnic backgrounds Intersperses accounts of the lives of prominent figures with those of ordinary people Emphasizes gender s role in influencing political and economic change and shaping cultural identity Student and instructor resources available at <http://minerva.union.edu/meadet/modernlatinamerica/index.html> Wiley disclaims all responsibility and liability for the content of any third party websites that can be linked to from this website Users assume sole responsibility for accessing third party websites and the use of any content appearing on such websites Any views expressed in such websites are the views of the authors of the content appearing on those websites and not the views of Wiley or its affiliates nor do they in any way represent an endorsement by Wiley or its affiliates

History of Modern Latin America Teresa A. Meade,2015-11-04 Now available in a fully revised and updated second edition A History of Modern Latin America offers a comprehensive and accessible introduction to the rich cultural and political history of this vibrant region from the onset of independence to the present day Includes coverage of the recent opening of diplomatic relations between the U S and Cuba as well as a new chapter exploring economic growth and environmental sustainability Balances accounts of the lives of prominent figures with those of ordinary people from a diverse array of social racial and ethnic backgrounds Features first hand accounts documents and excerpts from fiction interspersed throughout the narrative to provide tangible examples of historical ideas Examines gender and its influence on political and economic change and the important role of popular culture including music art sports and movies in the formation of Latin American cultural identity Includes all new study questions and topics for discussion at the end of each chapter plus comprehensive updates to the suggested readings

Mass Migration to Modern Latin America Samuel L. Baily,Eduardo José Miguez,2003-01-01 It is well known that large numbers of Europeans migrated overseas during the century preceding the Great Depression of 1930 and that a great many of them went to the United States What is not well known particularly in the United States is that more than 20 percent of these migrants emigrated to Latin America and that they significantly influenced the demographic economic and cultural evolution of many areas in the region Individuals have migrated to Latin America since the beginning of the Conquest more than 500 years ago but by far the largest number 10 million migrated from 1870 to 1930 This incredible influx was also concentrated in terms of the origins and destinations of the individuals

three quarters came from the Iberian peninsula and Italy while 91 percent relocated to just three countries Argentina 50 percent Brazil 36 percent and Uruguay 5 percent Mass Migration to Modern Latin America includes original contributions from more than a dozen of the leading scholars of the new methodologically and theoretically innovative Latin American migration history that has emerged during the past 20 years Although the authors focus primarily on the nature and impact of mass migration to Argentina and Brazil from 1870 to 1930 they place their analysis in broader historical and comparative contexts They link the mass migrations at the turn of the past century to older migratory traditions and existing social networks some of which had their roots in the colonial period The editors begin each section of the book with personal stories of individual immigrants and their families providing students with a glimpse into the complex process of migration and how it played out in various situations This text will help readers understand that Latin America is more than a traditional society composed of the descendants of the Conquistadors and Native Americans This book demonstrates the crucial impact of the mass migrations of the late nineteenth and early twentieth centuries on the formation of some Latin American societies A History of Modern Latin America Lawrence A. Clayton, Michael L. Conniff, 2005 Unfamiliar with Latin American history A HISTORY OF MODERN LATIN AMERICA is written just for you The authors present main theories and analyses of the area's history balancing economic social and cultural views while expertly weaving in the history of minorities women the environment culture literature and art Primary documents begin each chapter offering short glimpses into moments in history and setting the theme for the chapter to follow Maps images bibliographies discussion questions and other study aids are included to help you with research assignments and papers **A Living Past** John Soluri, Claudia Leal, José Augusto Pádua, 2018-02-19 Though still a relatively young field the study of Latin American environmental history is blossoming as the contributions to this definitive volume demonstrate Bringing together thirteen leading experts on the region A Living Past synthesizes a wide range of scholarship to offer new perspectives on environmental change in Latin America and the Spanish Caribbean since the nineteenth century Each chapter provides insightful up to date syntheses of current scholarship on critical countries and ecosystems including Brazil Mexico the Caribbean the tropical Andes and tropical forests and such cross cutting themes as agriculture conservation mining ranching science and urbanization Together these studies provide valuable historical contexts for making sense of contemporary environmental challenges facing the region *Problems in Modern Latin American History* John Charles Chasteen, James A. Wood, 2004 This is a completely revised and updated edition of SR Books classic text Problems in Modern Latin American History This book has been brought up to date by Professors John Charles Chasteen and James A Wood to reflect current scholarship and to maximize the book's utility as a teaching tool The book is divided into 13 chapters with each chapter dedicated to addressing a particular problem in modern Latin America issues that complement most survey texts Each chapter includes an interpretive essay that frames a clear central issue for students to tackle along with excerpts from historical writing that

advance alternative or even conflicting interpretations In addition each chapter contains primary documents for students to analyze in relation to the interpretive issues This primary material includes passages of Latin American fiction in translation biographical sketches and images Designed as a supplemental text for survey courses on Latin American history this book s provocative problems approach will engage students evoke lively classroom discussion and promote critical thinking

Encyclopedia of Modern Latin America (1900 to the Present) Thomas M. Leonard, 2017 Encyclopedia of Modern Latin America 1900 to the Present covers the history and culture of Central America South America and the Caribbean focusing on Latin America as it asserts itself in international politics experiences the effects of globalization and becomes an influential area worldwide from the 20th century through the present day

Women and Gender in Modern Latin America Pamela S. Murray, 2014 A collection of documents that illuminate women s roles in modern Latin American history including current writing by scholars in the field and primary sources such as interviews speeches testimony government documents and private correspondence with introductions by the editor Topics covered include feminism labor and economics revolution and sex marriage and motherhood

Problems in Modern Latin American History James A. Wood, John Charles Chasteen, 2009 A fourth edition of this book is now available Now in its third edition this leading reader has been updated to make it even more relevant to the study of contemporary Latin America This edition includes an entirely new chapter The New Left Turn and the globalization chapter has been thoroughly revised to reflect the rapid pace of change over the past five years The book continues to offer a rich variety of materials that can be tailored to the needs of individual instructors By focusing each chapter on a single interpretive problem the book painlessly engages students in document analysis and introduces them to historiography With its innovative combination of primary and secondary sources and editorial analysis this text is designed specifically to stimulate critical thinking in a wide range of courses on Latin American history since independence

The evolution of modern Latin America Robert Arthur Humphreys, 1973

The Human Tradition in Modern Latin America William H. Beezley, Judith Ewell, 1997-09-01 SR Books two popular Human Tradition in Latin America titles covering nineteenth and twentieth century history have been combined into one exciting new volume The most compelling chapters from these books are now presented in The Human Tradition in Modern Latin America This collection offers powerful fascinating biographies of ordinary people caught in the sometimes devastating historical changes that have occurred in Latin America From the turbulent struggles for independence in the 1800s to the profound and often overwhelming transformations that have accompanied modernization in this century The Human Tradition in Modern Latin America personalizes the impact that revolution economic upheaval urbanization the destruction of community life and the disruption of both traditional family and gender roles have had on Latin Americans The Human Tradition in Modern Latin America is an invaluable text for courses in Latin American studies Nowhere else can such varied portraits be found as in these diverse and carefully researched essays written by leading scholars

Latin America in the Modern World Virginia

Garrard, Peter V. N. Henderson, Bryan McCann, 2018-02-08 *Latin America in the Modern World* covers all regions of Latin America and is the first text to situate modern Latin American history in a global context While providing in depth coverage of the history of the three largest Latin American countries Mexico Brazil and Argentina this text also offers case studies from almost all of the countries and clearly identifies themes topics people and intellectual currents that help to knit the history of modern Latin America into a coherent category of study

A New Struggle for Independence in Modern Latin America Pablo A. Baisotti, 2021-09-30 This volume explores several notable themes related to foreign affairs in Latin America and the reconfiguration of the power of the different states in the region It offers insightful historical perspectives for understanding national regional and global issues from the beginning of the 20th century to the present day from analysis of the traditional hegemony of the United States over Latin America through its military and political influence due to the presence of the European Union Russia and China These views cannot be reduced to a simplistic vision of the dominant and subordinate rather they attempt to seek lines of continuity by highlighting traditional interpretations of new scenarios such as regional trading and security blocs The volume refuses to impose a traditional and uncritical linear historical narrative onto the reader but instead proposes an alternative interpretation of the past and its relation to the present Finally the growing importance of international mechanisms in enabling the success of certain Latin American regimes is also highlighted in particular the influence of regional diffusion through international organizations or other networks

Modern Latin American Literature Roberto Gonzalez Echevarria, 2012-01-24 This Very Short Introduction provides an overview of Latin American literature from the late eighteenth century to the present Roberto Gonzalez Echevarria covers a wide range of topics highlighting how Latin American literature became conscious of its continental scope and international reach in moments of political crisis such as independence from Spain the Spanish American War and the Mexican and Cuban revolutions With this narrative the author discusses major writers ranging from Andres Bello and Jose Maria Heredia through Borges and Garcia Marquez to Fernando Vallejo and Roberto Bolano

Modern Latin America Thomas E. Skidmore, Peter H. Smith, James Naylor Green, 2010 A lively interpretive history that uses case studies to discuss the major countries and themes of the region over the past 150 years *Modern Latin America* covers the continent from 1880 to the present with a preliminary chapter providing context for the region back to 1492 Organized by region country as case studies the reader is guided through the major countries of Latin America with themes including European New World interaction racial mixtures military takeovers and U S intervention in the area Companion Website offers For students and general readers a timeline of key events a series of historical statistics lists of heads of state questions for review suggestions for further reading and guides to primary sources For instructors sample syllabi commentary by colleagues who have adopted the book PowerPoint presentations a guide to instructional videos and films and ideas for student paper topics
