Jerry Hwang

No Graven Image Israelite Aniconism In Its Ancient Near Eastern Context Coniectanea Biblica Old:

No Graven Image? Tryggve N. D. Mettinger, 1995 An important book about a remarkable phenomenon This is the first in depth study of Israelite aniconism in the light of comparative material from the ancient Near East In an introductory chapter Dr Mettinger introduces a distinction between de facto aniconism and programmatic prohibition of images He then goes on to demonstrate that de facto aniconism was a conventional practice in several West Semitic cultures Finally he sketches the development from West Semitic aniconism with aniconic stelae as symbols of the divine to Israelite iconoclasm
BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Iconographic**

Exegesis of the Hebrew Bible / Old Testament Izaak Joias de Hulster, Brent A. Strawn, Ryan P. Bonfiglio, 2015-10-28
Iconographic exegesis combines the study of biblical texts exegesis with the study of ancient expressions of visual art iconography Studying ancient visual art that is contemporary with the documents of the Old Testament gives remarkable insight not only on the meaning and historical context of the biblical text but also because it facilitates greater understanding of how the ancient authors and audiences saw thought and made sense of the world Iconography thus merits close attention as another avenue that can lead to a more nuanced and more complete understanding of the biblical text Each chapter of this book provides an exegesis of a particular biblical text or theme The book is organized around the tripartite structure of the Hebrew Bible and demonstrates that iconographical exegesis is pertinent to every nook and cranny of the Bible Within the three parts there is special emphasis on Genesis Isaiah and the Psalms in order to make the book attractive for classes that deal with one or more of these books and might therefore include an iconographic perspective In addition to connecting with a major issue in biblical interpretation theology or visual studies each chapter will end with one or two exercises directing the reader student to comparable texts and images enabling them to apply what was described in the chapter for themselves This approach enables beginners as well as advanced readers to integrate iconography into their toolbox of exegetical skills

Viewing Ancient Jewish Art and Archaeology Ann Killebrew, Gabriele Faßbeck, 2015-11-02 In honor of eminent archaeologist and historian of ancient Jewish art Rachel Hachlili friends and colleagues offer contributions in this festschrift which span the world of ancient Judaism both in Palestine and the Diaspora Hachlili's distinctive research interests synagogues burial sites and Jewish iconography receive particular attention in the volume Archaeologists and historians present new material evidence from Galilee Jerusalem and Transjordan contributing to the honoree's fields of scholarly study Fresh analyses of ancient Jewish art essays on architecture historical geography and research history complete the volume and make it an enticing kaleidoscope of the vibrant field of scholarship that owes so much to Rachel **Contextualization**
and the Old Testament Jerry Hwang, 2022-09-26 Christianity is often viewed in Asia as a Western imposition Challenging this Dr Jerry Hwang examines the Old Testament's cultural engagement of its ancient Near Eastern context arguing that Scripture itself provides the ultimate model for contextualizing theology in Asia While it is common for missiological studies

to ignore the Old Testament in their discussion of contextualization truly biblical contextualization must include the whole Bible not simply the New Testament This study provides insightful discourse between the Old Testament and various Asian contexts while demonstrating how Asian perspectives can help overcome the Eurocentrism prevalent in Old Testament scholarship This is an ideal resource for scholars and practitioners interested in a biblical perspective of contextualization especially as related to constructing theology that honors the truth of Scripture in the context of Asia

Identifying Biblical Persons in Northwest Semitic Inscriptions of 1200-539 B.C.E. Lawrence J. Mykytiuk, 2004 The first comprehensive system for associating persons mentioned in the Hebrew Bible with persons mentioned in Northwest Semitic inscriptions This book applies this system in detail to a small number of Hebrew inscriptions the Mesa Inscription and the Tel Dan stele Appendixes updated through mid 2002 briefly evaluate potential identifications of over 75 biblical persons in over 90 Northwest Semitic inscriptions which are mostly contemporary with the person Resulting identifications and non identifications appear in six categories of strength or weakness from unmistakable to disqualified The final product is a first ever corpus consisting only of inscriptions that name biblical persons This technical book will appeal to scholars graduate students seminarians religious leaders and others who have a working knowledge of at least one Northwest Semitic language and to nonspecialists interested in questions about biblical historicity

Biblical Ambiguities David H. Aaron, 2002 Aaron systematically examines God related idioms in the Hebrew Bible to determine whether a particular idiom is meant to be understood metaphorically Aaron challenges current methodologies that dominate biblical scholarship regarding metaphor and offers original viable alternatives to the standard approaches Please note that Biblical Ambiguities was previously published by Brill in hardback ISBN 90 04 12032 7 still available

Seeing the Lord's Glory Christopher Barina Kaiser, 2014-04-01 The dilemma of early Christology Kaiser observes is found in the early Christian claims to have seen the Lord and beheld his glory expressions that in early Judaism would have pointed unequivocally to visions of Israel's God The shift of those claims onto the figure of Jesus is usually explained either as a result of the resurrection of Jesus presumed as a historical event or on the influence of pagan polytheism Kaiser examines the phenomenon of kyriocentric visions in Second Temple Judaism asking whether such traditions are sufficient to account for the shape of early claims regarding the divinity of Christ

Orientation to the History of Roman Judaea Steve Mason, 2016-12-09 No field of study is livelier than the history of Roman era Judaea ca 200 BC to AD 400 Bold reinterpretations of texts and new archaeological discoveries prompt us constantly to rethink assumptions What kind of religion was Judaism How did Jews and Christians relate to Roman imperial power Should we speak of Judaism or Judaisms How should the finds at Qumran affect our understanding Did Paul and other early Christians remain within Judaism Should we translate Ioudaioi as Jews or Judaeans These debates can leave students perplexed this book argues because the participants share only a topic They are actually investigating different questions using disparate criteria In the hope of facilitating communication and preparing advanced students this book explores two basic but

neglected problems What does it mean to do history if history is what we wish to do And how did the ancients understand and describe their world It is not a history then but an orientation to the history of Roman Judaea Rather than trying to specify which questions are good ones or what one should think about them the book offers new perspectives to help unleash the historical imagination while reckoning squarely with the nature of our evidence **Apocalyptic Representations of**

Jerusalem Maria Leppäkari, 2018-08-14 Jerusalem as a symbolic expression of hope attracts attention and religious adherence in relation to its physical presence The study identifies traces and examines apocalyptic representations of Jerusalem and illustrates what happens when these become experienced reality The empirical part of the book shows how these representations become living images in two contemporary groups activity in Jerusalem Private and public endtime representations of Jerusalem provide meaningful models for interpreting the religious past present and future The interplay of these representations also shapes our present images of Jerusalem *The Boundaries of Monotheism* Maaïke de Haardt, Anna-Marie J.A.C.M. Korte, 2009-01-31 What is the significance of monotheism in modern western culture taking into account both its problematic and promising aspects Biblical texts and the biblical faith traditions bear a continuous polemical tension between exclusive and inclusive perceptions and interpretations of monotheism Western monotheism proves itself to be multi significant and heterogeneous producing boundary setting as well as boundary crossing tendencies is the common thesis of the authors of this book who have been collectively debating this theme for two years in an interdisciplinary scholarly setting Their contributions range from the fields of biblical and religious studies history and philosophy of religion systematic theology to gender studies in theology and religion The authors also explain the particular contribution of their own theological discipline to these debates

No Graven Image Israelite Aniconism In Its Ancient Near Eastern Context Coniectanea Biblica Old Book Review: Unveiling the Power of Words
