Nudes of the '20s and '30s Thomas Walters, 1976-01-01 *Photography of the Nude* Frank H. Wallis, 1993 **Popular Pleasures** Paul Duncum, 2021-08-26 Today's many popular aesthetic pleasures have a very long history Paul Duncum considers the historical critical discourses and socio political issues raised by aesthetic pleasures in fifteen thematic chapters Using illustrative examples from the past present and across cultures he challenges the idea of any decline of cultural standards and argues that no grounds exist for cultural pessimism Refusing to condemn popular culture on the basis of taste he reserves critique for the socio political ideologies aesthetics invariably serve Art history film cultural studies and philosophical aesthetics are each employed to show that the sensory emotional lures of today's popular culture are mostly identical to those of premodern fine art They include the violent the horrific the sentimental the exotic the erotic and the humorous Some of these pleasures derive from our evolutionary biology they are all an important part of what it means to be human and central to understanding contemporary society Examples are wide ranging including British seaside postcards Disney films Nazi propaganda burlesque modern advertising as well as many exemplars of fine art The book reveals fresh insights for all those studying visual culture art history aesthetics media studies and media and art education **Abstract Nude** Gwydion Suilebhan, 2013 An enigmatic erotically charged portrait seems to reveal more about the people who view it than it reveals about itself As the painting moves backward in time it passes from owner to owner exploding the lives of everyone who encounters it In one home the portrait tips the balance in a barely suppressed power struggle among the members of a well to do family In another it awakens a great deal of confusion and passion between two former fraternity brothers In the home of the portrait's subject it inspires nothing but unrequited love and alienation between two dear friends And finally back in the moment of its creation where the story both ends and begins the painting incites a terrible violence the tragedy that haunts it wherever it travels and that cannot be escaped **Pornography and Sexual Representation** Joseph W. Slade, 2001 For better or worse pornography and sexual representation suffuse American culture This first comprehensive guide to the literature includes the history of pornography in the United States and discusses pornography in a vast range of media It presents information regarding bibliographies and reference tools concerning pornography and reviews of references devoted to the histories of sexuality and its representations and on theoretical works on erotica and pornography A chronology of important dates in the history of American Pornography and a discussion of child pornography outline issues and events throughout its history Dramatic visual and electronic media are gathered and arranged by topic Pornography in all of its forms is explored in this three volume reference Slade includes many avenues upon which pornography and sexual representation have had an impact including research and policy in the medical and social sciences the law in the United States and the economics of pornography An invaluable tool for further research this guide to the literature of pornography and sexual representation will appeal to scholars and students of popular culture gender and
