Oklahoma Treasures And Treasure Tales

W. C. Jameson

Oklahoma Treasures And Treasure Tales:

Oklahoma Treasures and Treasure Tales Steve Wilson,1976 Contains stories some true some legendary about caches of lost treasure *Oklahoma Treasures and Treasure Tales* Steve Wilson,1989-05-01 Contains stories some true some legendary about caches of lost treasure Lost Oklahoma Treasure W. Craig Gaines,2021-03-22 Oklahoma keeps its secrets Adventurers combing the Wichita Mountains for the legendary Lost Cave with an Iron Door can slake their thirst at Cache Creek or Treasure Lake Following the tradition of French and Spanish explorers miners and pioneers stashed their valuable discoveries along the Santa Fe Trail and the California Road Chief Opothleyahola reportedly buried gold coins that could be worth more than 14 million today while businessman Dr John J Hayes never returned from a Confederate refugee camp to reclaim his hidden fortune From the unrecovered loot of the James Gang to the fabled funds of the Knights of the Golden Circle W Craig Gaines tracks tales of treasure across sixty Oklahoma counties **Lost Mines and Treasure Tales of Oklahoma and Texas** Ivan Herring,2018-07-12 This book contains 92 stories of Lost Mines and Treasurers of Oklahoma and Texas Many of the stories concern treasurers buried by the French British Indians and Colonial settlers during the many wars that rocked the area in the 18th and 19th centuries I found the data for this book while doing research on old mines for my series of books Mines of the American West The Lost Mines and Treasurers were identified from articles in early American newspapers and other sources considered reliable Where possible for those lost treasures still to be found I have tried to tie them to modern mines or areas and include some background data on such areas In doing this some of them seemed to fall short in the area of fact and logic The reader should understand that this is a collection of data from old and new publications and not a focused specifically on the effort to find the specific properties although some research especially from a logic standpoint has been done If the reader can glean critical information from these original articles and the limited research that allows or helps him or her to locate a lost mine or lost treasure I wish him or her well and leave it to them to reap the rewards The print version of this book has been produced in the 8 1/2 X 11 format to keep the price low If done in 6 X 9 or smaller the book would be 2 or 3 times as many pages in length and would cost substantially more to increased on demand print costs These seem to be heavily influenced by the total number of pages While this may be one of the seeming drawbacks to on demand printing the benefit of on demand printing is that specialty books such as this are now practical to publish where the target market may be relatively small and minimal returns to the author are acceptable *Lost Texas Treasure* W. Craig Gaines,2022-07-11 Track pirate gold and misplaced riches across 168 counties in this comprehensive guide to the lost treasures of Texas Countless fortunes have disappeared into the vast expanse of the Lone Star State The history of the coast is cluttered with shipwrecks like that of the 1554 Spanish fleet Even when pirates such as Jean Laffite managed to get their ill gotten gains ashore their loot vanished just as completely as if it had sunk beneath the waves Entire mines including the ventures of Jim Bowie and San Saba Presidio have been reclaimed by the earth The unmarked caches of

bandits like Jesse James and Pancho Villa still bedevil the dreams of treasure seekers today W Craig Gaines reveals what has been lost what has been found and what remains to be recovered *Haunted Oklahoma* Jeff Provine, 2021-07-15 Oklahoma's ghostly legends are as varied as its history and culture The state boasts hauntings by ancient Native Americans Spanish miners soldiers outlaws ranchers performers students repairmen and many more Oklahoma's stately mansions theaters and old hotels still have previous residents dwelling in a spectral form One parallel that may be surprising is Oklahoma's uncanny number of headless ghosts *Haunted Oklahoma* explores King Tut's Tomb on the Arkansas Mr Apple's Mausoleum and the Spooksville Triangle to name just a few Eerie occurrences spooky events unsolved mysteries and terrifying specters make for a scary journey through Oklahoma's haunted past **Magical Treasure Hunting in Europe and North America** J.

Dillinger, 2011-11-22 The first comprehensive history of magical treasure hunting from the Middle Ages to the 20th century revealing a magical universe of treasure spirits and wizards who tried to deal with them Combining history and anthropology this study sees treasure hunting as an expression of shifting economic mentalities and changing ideas about history

Haunted Guthrie, Oklahoma Tanya McCoy, Jeff Provine, 2015-08-24 A Victorian district frozen in time Guthrie was the first territorial and state capital of Oklahoma and many of its former residents still wander some of its majestic brick buildings Outlaws and cultists haunt the infamous Black Jail the state's first territorial prison Once a bustling neighborhood the houses of the overgrown Elbow now stand in ruins Secrets remain at the famous Masonic Temple shrouded in mystery and a lonely girl wanders the railroad in search of her beau who never returned home from the Great War Oklahoma Paranormal Association co founder Tanya McCoy and Oklahoma historian Jeff Provine invite you to explore these and many more spine chilling accounts from one of America's most haunted cities **American Regional Folklore** Terry Mood

Leopold, 2004-09-24 An easy to use guide to American regional folklore with advice on conducting research regional essays and a selective annotated bibliography *American Regional Folklore* begins with a chapter on library research including how to locate a library suitable for folklore research how to understand a library's resources and how to construct a research strategy Mood also gives excellent advice on researching beyond the library locating and using community resources like historical societies museums fairs and festivals storytelling groups local colleges newspapers and magazines and individuals with knowledge of the field The rest of the book is divided into eight sections each one highlighting a separate region the Northeast the South and Southern Highlands the Midwest the Southwest the West the Northwest Alaska and Hawaii Each regional section contains a useful overview essay written by an expert on the folklore of that particular region followed by a selective annotated bibliography of books and a directory of related resources [It Happened in Oklahoma](#) Robert L.

Dorman, 2019-05-17 This book offers an inside look at over 30 interesting and unusual episodes that shaped the history of the Sooner State Read all about the Trail of Tears in Tahlequah Find out why George W McLaurin was denied admission to the University of Oklahoma in 1950 Try to solve the mystery of Karen Silkwood's suspicious death in 1974 *Classic American*

Ghost Stories Deborah L. Downer, 1990 Contains 51 supposedly true classic American ghost stories from newspapers journals and magazines

Stories of Old-Time Oklahoma David Dary, 2015-02-10 Do you know how Oklahoma came to have a panhandle Did you know that Washington Irving once visited what is now Oklahoma Can you name the official state rock or list the courses in the official state meal The answers to these questions and others you may not have thought to ask can be found in this engaging collection of tales by renowned journalist historian David Dary Most of the stories gathered here first appeared as newspaper articles during the state centennial in 2007 For this volume Dary has revised and expanded them and added new ones He begins with an overview of Oklahoma s rich and varied history and geography describing the origins of its trails rails and waterways and recounting the many tales of buried treasure that are part of Oklahoma lore But the heart of any state is its people and Dary introduces us to Oklahomans ranging from Indian leaders Quanah Parker and Satanta to lawmen Bass Reeves and Bill Tilghman to twentieth century performing artists Woody Guthrie Will Rogers and Gene Autry Dary also writes about forts and stagecoaches cattle ranching and oil outlaws and lawmen inventors and politicians and the names and pronunciation of Oklahoma towns And he salutes such intellectual and artistic heroes as distinguished teacher and writer Angie Debo and artist and educator Oscar Jacobson one of the first to focus world attention on Indian art Reading this book is like listening to a knowledgeable old timer regale his audience with historical anecdotes so it was said tall tales and musings on what it all means Whether you re a native of the Sooner State or a newcomer you are sure to learn much from these accounts of the people places history and folklore of Oklahoma

Buried Treasures of the American Southwest W. C. Jameson, 1989 Collects legends and lore of buried treasure in the American Southwest with maps showing locations

Wanderer on the American Frontier John Maley, 2018-10-04 For nearly two hundred years a fragment of the journal of John Maley an obscure explorer on the American frontier resided at Yale University and was treated with some skepticism by historians It was only in 2012 when the first half of the manuscript turned up at a barn sale in Pennsylvania and was acquired by Southern Methodist University s DeGolyer Library that the full story of Maley s travels could be pieced together *Wanderer on the American Frontier* makes the complete journal available for the first time allowing readers to follow a contemporary of Lewis and Clark on his journey through the Ohio Mississippi and Red River valleys and to reassess the account s authenticity Between 1808 and 1813 Maley covered more than 16 000 miles through thirteen present day states Much of that travel took him beyond the fringes of civilization and his journal offers some of the earliest descriptions of the Ozark Plateau the Ouachita Mountains and the upper reaches of the Red River His account also provides a firsthand look at life on the frontier in the tumultuous years following the Louisiana Purchase Editor F Andrew Dowdy has carefully retraced Maley s steps and with extensive use of maps has reconciled some of the journal s more confusing passages to give readers clear modern day reference points Numerous annotations and appendices provide necessary historical context from the link between Maley s 1809 Indiana copper exploration and the Treaty of Fort Wayne to the ways his 1811 foray into

Spanish Texas presaged further filibusters there during the Mexican War for Independence The fascinating tale of one of the wider ranging explorers in American history Wanderer on the American Frontier is an invaluable resource that provides a unique window on the West in the early nineteenth century *Rebel Gold* Warren Getler,Bob Brewer,2008-06-18 As a boy growing up in rural Arkansas Bob Brewer often heard from his uncle and his great uncle about a particular tree in the woods the Bible Tree filled with strange carvings Years later he would learn that this tree was carved with symbols associated with the Knights of the Golden Circle a Civil War era secret society that had buried gold coins and other treasure in various remote locations across the South and Southwest in hopes of someday funding a second War Between the States These secret caches were guarded by sentinels men whose responsibility it was to watch and protect these sites To his astonishment Bob discovered that both his uncle and his great uncle had been twentieth century sentinels and that he had grown up near an important KGC treasure site In *Shadow of the Sentinel* Bob Brewer and investigative journalist Warren Getler tell the fascinating story of the Knights of the Golden Circle and the hidden caches the KGC established across the country Brewer reveals how with agonizing effort he eventually deciphered the fiendishly complicated KGC codes and ciphers which drew heavily on images associated with Freemasonry Many of the key KGC post Civil War leaders were Scottish Rite Masons who used the cover of that secret fraternity to conduct their activities Using his knowledge of KGC symbolism to crack coded maps Brewer has located several KGC caches and has recovered gold coins guns and other treasure from some of them *Shadow of the Sentinel* is the most comprehensive account yet of the activities of the KGC after the Civil War and indeed into the 1900s Getler and Brewer suggest that the clandestine network of KGC operatives was far wider than previously thought and that it included Jesse James the former Confederate guerrilla whose stage and bank robberies helped to fill KGC treasure chests This is a rousing and provocative adventure that weaves together one man s personal quest with an intriguing little known chapter in America s hidden history *Here Today* Jeffrey B.

Schmidt,2024-05-21 The history of Oklahoma runs through the thousands of towns that sprang up in the wake of statehood and even before then readable in the traces of bygone days if you know what to look for In *Here Today* Jeffrey B Schmidt conducts readers armchair travelers and adventurers alike through places that tell Oklahoma s story towns all but disappeared waning or persisting despite the odds Part travelogue part field guide part history the book replete with photos maps and GPS coordinates documents the rise and fall of one hundred of these towns from the arrival of pioneers and settlers to the rise of buildings and businesses to the decline that came with natural disasters manmade crises and cultural change Schmidt provides an enlightening look at what has made these towns work the role of roads and railways public schools and churches community building and commerce and perhaps most significant the official recognition that a post office conferred He notes the oil strikes coal mines intriguing crimes violent weather and twists of fortune that played into the fate of each points out the landmarks that still stand and the shadows of those that have succumbed to indifference

destruction or the passage of time and puts the story these towns tell into the larger context of westward expansion Native American history and in the case of the many all Black towns discrimination and segregation Whether visiting ghost towns or small towns that still draw on the power of rural resilience to survive and even thrive Here Today offers a rare chance to travel through the state s history before its remnants may be gone tomorrow Representing the extraordinary extent of Schmidt s research legwork and mining of archives and data sources the book preserves for all time a vanishing vision of Oklahoma

Shadow of the Sentinel Warren Getler,Bob Brewer,2003 Explores the legacy of a Civil War era secret society the Knights of the Golden Circle and describes efforts to crack the society s system of codes and symbols to identify hidden treasure sites across the American south and west

Buried Treasures of the Ozarks W. C. Jameson,1990 Relates local legends from Arkansas Missouri and Oklahoma about abandoned mines hidden stashes of plunder and lost fortunes

Buried Treasures of the Great Plains W. C. Jameson,2006-01-10 Relates local legends of hidden fortunes and lost treasures left behind by outlaws pioneers and prospectors

Pretty Boy Michael Wallis,2011-05-17 Presents the life of one of America s most notorious criminals describing Pretty Boy Floyd s coming of age in poverty his descent into petty crime and bootlegging his stormy marriage murders jail terms and violent death
