Daniel B. Lee

Old Order Mennonites Rituals Beliefs And Community

JR Anderson

Old Order Mennonites Rituals Beliefs And Community:

Old Order Mennonites Daniel B. Lee, 2000 Lee focuses on the Weaverland Conference of Old Order Mennonites a group formed in 1893 and now consisting of over 5 000 members A large concentration of Weaverland Mennonites live in upstate New York near Seneca Falls and Lee focuses his easily readable sociological study on that community Individual chapters deal with the worship rituals rules and discipline of the group and with a number of recent defections to a more mainstream Mennonite Church located in the same area Lee argues that Weaverland Mennonites are held together by their practices alone rather than by a common underlying set of beliefs *Choice Magazine* Understanding Religious Ritual John Hoffmann, 2013-03 This book represents contributions from leading scholars from several disciplines that show the diversity of approaches to religious rituals while also providing cross disciplinary perspectives on this topic **Horse-and-buggy Mennonites** Donald B. Kraybill, James P. Hurd, 2006 Examining how the Wengers have cautiously and incrementally adapted to the changes swirling around them this book offers an invaluable case study of a traditional group caught in the throes of a postmodern world Jacket **Reformation and Modern Rituals and Theologies of Baptism** Bryan D. Spinks, 2017-03-02 Presenting a comprehensive survey of the historical underpinnings of baptismal liturgies and theologies Bryan Spinks presents an ecumenically and geographically wide ranging survey and discussion of contemporary baptismal rites practice and reflection and sacramental theology Writing within a clear chronological framework Bryan Spinks presents two simultaneous volumes on Baptismal Liturgy and Theology Early and Medieval Rituals and Theologies of Baptism summarizes the understandings of baptism in the New Testament and the development of baptismal reflection and liturgical rites throughout Syrian Egyptian Roman and African regions In this second volume Reformation and Modern Rituals and Theologies of Baptism Spinks traces developments through the Reformation liturgies in the eighteenth and nineteenth centuries and explores important new ecumenical perspectives on developments of twentieth century sacramental discussion Present practices of Baptist Amish as well as Methodist Roman Catholic Lutheran Reformed and Anglican denominations are also examined *Early and Medieval Rituals and Theologies of Baptism* Bryan D. Spinks, 2017-03-02 Presenting a comprehensive survey of the historical underpinnings of baptismal liturgies and theologies Bryan Spinks presents an ecumenically and geographically wide ranging survey and discussion of contemporary baptismal rites practice and reflection and sacramental theology Writing within a clear chronological framework Bryan Spinks presents two simultaneous volumes on Baptismal Liturgy and Theology In the first volume Early and Medieval Rituals and Theologies of Baptism Bryan Spinks summarizes the understandings of baptism in the New Testament and the development of baptismal reflection and liturgical rites throughout Syrian Egyptian Roman and African regions He focuses particularly on the Homilies of Chrysostom Cyril of Jerusalem Theodore and Ambrose the post nicene rites and commentaries and the impact of medieval theologies of baptism and Augustinian theology with reference to Western understanding In the second volume Reformation and Modern Rituals

and Theologies of Baptism Spinks traces developments through the Reformation liturgies in the eighteenth and nineteenth centuries and explores important new ecumenical perspectives on developments of twentieth century sacramental discussion

Water and Ritual Lisa J. Lucero, 2009-07-21 In the southern Maya lowlands rainfall provided the primary and in some areas the only source of water for people and crops Classic Maya kings sponsored elaborate public rituals that affirmed their close ties to the supernatural world and their ability to intercede with deities and ancestors to ensure an adequate amount of rain which was then stored to provide water during the four to five month dry season As long as the rains came Maya kings supplied their subjects with water and exacted tribute in labor and goods in return But when the rains failed at the end of the Classic period AD 850 950 the Maya rulers lost both their claim to supernatural power and their temporal authority Maya commoners continued to supplicate gods and ancestors for rain in household rituals but they stopped paying tribute to rulers whom the gods had forsaken In this paradigm shifting book Lisa Lucero investigates the central role of water and ritual in the rise dominance and fall of Classic Maya rulers She documents commoner elite and royal ritual histories in the southern Maya lowlands from the Late Preclassic through the Terminal Classic periods to show how elites and rulers gained political power through the public replication and elaboration of household level rituals At the same time Lucero demonstrates that political power rested equally on material conditions that the Maya rulers could only partially control Offering a new more nuanced understanding of these dual bases of power Lucero makes a compelling case for spiritual and material factors intermingling in the development and demise of Maya political complexity

The Mennonite Quarterly Review , 2009

Identity Tug of War Paul W. Lucas, 2025-07-10 What defines your church What would your church answer to the question who are we Answers would likely include a wide variety of sources from tradition theological distinctives visions origin stories and more Church identity exists across various groups within a particular church and these identities will shift over time Church leadership may define a church s identity in a way that may or may not match the congregational identity This book looks at exploring this complex issue using the tools of social psychology alongside practical theology in developing tools for church leadership to operate in awareness of the multifaceted identity of the church This was explored through narrative inquiry into several churches which helped to explore the efficacy of these tools in the work of church leadership s understanding of congregational identity

Observing Society , Race, Nation, and Religion in the Americas Henry Goldschmidt, Elizabeth McAlister, 2004-08-12 This collection of all new essays will explore the complex and unstable articulations of race and religion that have helped to produce Black White Creole Indian Asian and other racialized identities and communities in the Americas Drawing on original research in a range of disciplines the authors will investigate 1 how the intertwined categories of race and religion have defined and been defined by global relations of power and inequality 2 how racial and religious identities shape the everyday lives of individuals and communities and 3 how racialized and marginalized communities use religion and religious discourses to contest the

persistent power of racism in societies structured by inequality Taken together these essays will define a new standard of critical conversation on race and religion throughout the Americas *The Logics of Change* Andreas Koch, Clemens Sedmak, 2012-12-19 We live in a world of constant and dynamic change Change manifests in various guises ranging from small to big local to global individual to societal or from subtle to sudden It often comes out of the unexpected yet people can also actively bring about change Change can be for the better but often reality means change for the worse Preconditions for a contented and happy life both material and intangible are constantly challenged Living conditions of individuals as well as communities are affected by inequality exclusion or poverty Different kinds of challenge and change require different reactions This volume results from a two day conference in November 2011 in Salzburg Austria bringing together researchers and practitioners from different scientific disciplines in order to discuss approaches of poverty research social inclusion strategies and local knowledge applications with particular focus on transformation The contributions shed light on appropriate theories methodologies and concrete applications of change concepts referring to poverty place and identity at different temporal social and spatial scales They address a readership ranging from social and political scientists economists and statisticians to philosophers cultural scientists and geographers Train Up a Child Karen Johnson-Weiner, 2007 Train Up a Child explores how private schools in Old Order Amish communities reflect and perpetuate church community values and identity Here Karen M Johnson Weiner asserts that the reinforcement of those values among children is imperative to the survival of these communities in the modern world Surveying settlements in Indiana Michigan Ohio Pennsylvania and New York Johnson Weiner finds that although Old Order communities have certain similarities in their codes of conduct there is no standard Old Order school She examines the choices each community makes about pedagogy curriculum textbooks even school design to strengthen religious ideology preserve the social and linguistic markers of Old Order identity and protect their own community's beliefs and values from the influence of the dominant society In the most comprehensive study of Old Order schools to date Johnson Weiner provides valuable insight into how variables such as community size and relationship with other Old Order groups affect the role of these schools in maintaining behavioral norms and in shaping the Old Order's response to modernity **George Santayana's Philosophy of Religion** Edward W. Lovely, 2012-10-12 George Santayana 1862-1952 of Spanish descent and generally claimed to be in the canon of American philosophers was substantially influenced by his Roman Catholic origins in his philosophical disposition toward the value of tradition religious symbols and dogma His philosophical project sustained a respectful attitude toward the spiritual value of orthodox religion while the thrust of his philosophy was naturalistic and materialistic throughout There is a perception by some scholars that Santayana's philosophy evolved from a humanistic perspective to a more spiritual one in his later years It is the position of this thesis that his philosophy at the core depicting a harmonious striving toward individual happiness remained essentially consistent from his earliest publication of *Interpretations of Poetry and Religion* and *The Life of Reason* through his later works of

Scepticism and Animal Faith Realms of Being Dominations and Powers and The Idea of Christ in the Gospels Santayana's philosophical approach is both phenomenological and social constructionist in its methodology significantly preempting the methodology of social constructionist theology and a post modern interpretation of religion His idiosyncratic phenomenological approach is compared with a benchmark methodology of Edmund Husserl the generally accepted founder of the phenomenological method There are also important similarities between Santayana's phenomenological approach and those of Charles Sanders Peirce and Alfred North Whitehead The basis for the comparison of the phenomenological methodology of Santayana and Husserl is their mutually similar fundamental theory of intuited essence Santayana's contribution to religious studies is not only philosophical but also theological where he has utilized Christian theological language in transposing and interpolating his philosophy of religion to the Christian drama of the salvational Christ Santayana's essay *Ultimate Religion* reflects his perspective of a disillusioned but still spiritual vision incorporating the piety discipline and spirituality of a life of reason Within the framework of this model Santayana's philosophy of religion is developed and explored Finally the relevance of Santayana's philosophy of religion to contemporary religious studies and selected religious issues is addressed with a delineation and discussion of some important aspects of his philosophical vision

Publications of the Pennsylvania German Society ,2006

Civil Disobedience: A-Z entries Mary Ellen Snodgrass,2009

Throughout American history people with strong beliefs that ran counter to society's rules and laws have used civil disobedience to advance their causes From the Boston Tea Party in 1773 to the Pullman Strike in 1894 to the draft card burnings and sit ins of more recent times civil disobedience has been a powerful force for effecting change in American society This comprehensive A-Z encyclopedia provides a wealth of information on people places actions and events that defied the law to focus attention on an issue or cause It covers the causes and actions of activists across the political spectrum from colonial times to the present and includes political social economic environmental and a myriad of other issues Civil Disobedience ties into all aspects of the American history curriculum and is a rich source of material for essays and debates on critical issues and events that continue to influence our nation's laws and values It explores the philosophies themes concepts and practices of activist groups and individuals as well as the legislation they influenced A detailed chronology of civil disobedience listings of acts of conscience and civil disobedience by act and by location a bibliography of primary and secondary sources and a comprehensive index complete the set Publisher *International Review of Modern Sociology* ,2002

Faith Traditions and the Family Phyllis D. Airhart,Margaret Lamberts Bendroth,1996-01-01 This exploration offers readers fresh and broad ranges of ways to evaluate their own religious traditions when dealing with issues related to the future of the family

Yearbook of German-American Studies ,2000

Shenandoah Valley Folklife Scott Hamilton Suter,2010-01-06 Bordered by the Blue Ridge and the Allegheny Mountains the Shenandoah Valley forms a natural corridor to the western parts of Virginia Tennessee and North Carolina Early American settlers followed the valley as one of

the first routes westward In Shenandoah Valley Folklife Scott Hamilton Suter documents the many peoples who have left their marks on the folkways of the region Native Americans Germans Swiss Scots Irish and African Americans His research reveals how the first settlers there built homes how they worshiped and how they passed on legends and musical traditions that continue to play a role in the community today Throughout the book Suter argues that the valley s past plays a definitive role in its present He finds family traditions still thriving in crafts like white oak basket making as well as in cooking and architecture To illuminate the change and continuity in religious life he focuses on Old Order Mennonites the Church of the Brethren and Baptists in the region Using both historical sources and his own field work Suter shows how folklife remains a powerful resonant force in the Shenandoah and how new immigrants are adapting and adding their own traditions to long standing customs **Mennonite Family History** ,2000

Old Order Mennonites Rituals Beliefs And Community Introduction

In today's digital age, the availability of Old Order Mennonites Rituals Beliefs And Community books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Old Order Mennonites Rituals Beliefs And Community books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Old Order Mennonites Rituals Beliefs And Community books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Old Order Mennonites Rituals Beliefs And Community versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Old Order Mennonites Rituals Beliefs And Community books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Old Order Mennonites Rituals Beliefs And Community books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Old Order Mennonites Rituals Beliefs And Community books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Old Order Mennonites Rituals Beliefs And Community books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Old Order Mennonites Rituals Beliefs And Community books and manuals for download and embark on your journey of knowledge?

FAQs About Old Order Mennonites Rituals Beliefs And Community Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Old Order Mennonites Rituals Beliefs And Community is one of the best book in our library for free trial. We provide copy of Old Order Mennonites Rituals Beliefs And Community in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Old Order Mennonites Rituals Beliefs And Community. Where to download Old Order Mennonites Rituals Beliefs And Community online for free? Are you looking for Old Order Mennonites Rituals Beliefs And Community PDF? This is definitely going to save you time and cash in something you should think about.
