accompanied by his family and by a secretary who would record the observations printed as the last notebook in volume 1 Volume 2 of Mark Twain's Notebooks and Journals documenting Clemens activities in the years from 1877 to 1883 consists largely of the record of three trips which would serve as the source for three travel narratives the excursion to Bermuda a prolonged tour of Europe and an evocative return to the Mississippi River Despite the common impulse to preserve observations and impressions for literary use the contents of the notebooks are remarkably different in their vitality and the works which developed from the notes are correspondingly varied The twelve notebooks in volume 1 provided information about the eighteen years in which the most profound even dramatic changes took place in Clemens life He early achieved the limits of his boyhood ambition by becoming a steamboat pilot on the Missis **Wartime Notebooks** Andrzej

Frost Robert Frost,2007-01-01 During his lifetime Robert Frost notoriously resisted collecting his prose going so far as to

halt the publication of one prepared compilation and to lose the transcripts of the Charles Eliot Norton Lectures he delivered at Harvard in 1936 But for all his qualms Frost conceded to his son that you can say a lot in prose that verse won't let you say and that the prose he had written had in fact made good competition for his verse This volume the first critical edition of Robert Frost's prose allows readers and scholars to appreciate the great American author's forays beyond poetry and to discover in the prose that he did make public in newspapers magazines journals speeches and books the wit force and grace that made his poetry famous The Collected Prose of Robert Frost offers an extensive and illuminating body of work ranging from juvenilia Frost's contributions to his high school Bulletin to the charming chicken stories he wrote as a young family man for The Eastern Poultryman and Farm Poultry to such famous essays as The Figure a Poem Makes and the speeches and contributions to magazines solicited when he had become the Grand Old Man of American letters Gathered annotated and cross referenced by Mark Richardson the collection is based on extensive work in archives of Frost's manuscripts It provides detailed notes on the author's habits of composition and on important textual issues and includes much previously unpublished material It is a book of boundless appeal and importance one that should find a home on the bookshelf of anyone interested in Frost

The Diary of Dawid Sierakowiak : Five Notebooks from the Lodz Ghetto Dawid

Sierakowiak, 1996-11-07 In the evening I had to prepare food and cook supper which exhausted me totally In politics there's absolutely nothing new Again out of impatience I feel myself beginning to fall into melancholy There is really no way out of this for us This is Dawid Sierakowiak's final diary entry Soon after writing it the young author died of tuberculosis exhaustion and starvation the Holocaust syndrome known as ghetto disease After the liberation of the Lodz Ghetto his notebooks were found stacked on a cookstove ready to be burned for heat Young Sierakowiak was one of more than 60 000 Jews who perished in that notorious urban slave camp a man-made hell which was the longest surviving concentration of Jews in Nazi Europe The diary comprises a remarkable legacy left to humanity by its teenage author It is one of the most fastidiously detailed accounts ever rendered of modern life in human bondage Off mountain climbing and studying in southern Poland during the summer of 1939 Dawid begins his diary with a heady enthusiasm to experience life learn languages and read great literature He returns home under the quickly gathering clouds of war Abruptly Lodz is occupied by the Nazis and the Sierakowiak family is among the city's 200 000 Jews who are soon forced into a sealed ghetto completely cut off from the outside world With intimate undefended prose the diary's young author begins to describe the relentless horror of their predicament his daily struggle to obtain food to survive trying to make reason out of a world gone mad coping with the plagues of death and deportation Repeatedly he rallies himself against fear and pessimism fighting the cold disease and exhaustion which finally consume him Physical pain and emotional woe hold him constantly at the edge of endurance Hunger tears Dawid's family apart turning his father into a thief who steals bread from his wife and children The wonder of the diary is that every bit of hardship yields wisdom from Dawid's remarkable intellect Reading it you become a prisoner with him in

the ghetto and with discomfiting intimacy you begin to experience the incredible process by which the vast majority of the Jews of Europe were annihilated in World War II Significantly the youth has no doubt about the consequence of deportation out of the ghetto Deportation into lard he calls it A committed communist and the unit leader of an underground organization he crusades for more food for the ghetto s school children But when invited to pledge his life to a suicide resistance squad he writes that he cannot become a professional revolutionary He owes his strength and life to the care of his family
