Old Age Is Another Country A Travelers Guide:

Old Age is Another Country Page Smith,1995 Noted American historian Page Smith provides a travel guide to the unknown country of old age a collection of essays designed to show the young what lies ahead of them and stir them into changing society so that when they reach their golden years age prejudice and disrespect of elders will be a thing of the past

EBOOK: Working with Adults at Risk from Harm Margaret Greenfields,Roger Dalrymple,Agnes Fanning,2011-10-16 This important book brings together valuable resources and insights in a key area of practice which has often been overlooked and where disadvantage and discrimination are rife but which also deserves and demands serious attention of the kind offered here Roger Smith Professor of Social Work Research De Montfort University UK This comprehensive book uniquely acknowledges the overlap between different states of adult vulnerability within a range of health social care and community contexts The book looks beyond social work practice and legislative focus to examine the categories of at risk and vulnerable adults These include often forgotten groups such as homeless people prisoners and migrant workers Through a range of practical examples the book illustrates how professionals can usefully and effectively intervene to lessen the chance of a member of an excluded community becoming at greater risk of further vulnerability The book includes Explanations of core themes and implications for a range of professionals and service providers with a practical and accessible focus Case studies and practice examples from work with vulnerable groups Illustrative examples of how different states of vulnerability are frequently contingent upon one another Working with Adults at Risk from Harm is ideal for third year undergraduate students and Master s students in the fields of social work social care community health and education as well as staff working in public sector who will have contact with vulnerable individuals in their professional life Contributors Jill Aitken David Bailey Jennifer Burton Caroline Cole Jo Edwards Michael Farquharson Lalage Harries Tennyson Mgutshini Melanie Parris and Kate Potter

Social Structures K. Warner Schaie,Peter Uhlenberg,2007-03-23 Significant demographic changes are altering the structure of the American population Larger numbers of immigrants are entering the work force will become part of our aging population and increasingly are providing care for the elderly Family structures and communities are evolving as marriage childbearing divorce and cohabitation trends are changing The working population that supports the elderly physically and economically is also changing and will most likely become smaller and less able to support this growing population What does this mean for the well being of our aging population and our efforts to ensure the quality of life for our elderly now and that we will want to enjoy ourselves as we become part of this older population In this volume Drs Schaie and Uhlenberg and a host of leading scholars look at the current structure of the American population in an effort to determine the impact it will have on the lives of the elderly and those growing older with disabilities and chronic illness They examine the effects of the aging baby boomers on health care migration and immigration and how it can support or tax health care networks cultural issues regarding access to health care and changing cultural attitudes towards marriage and

family that are affecting the relationships between the elderly and their communities
