McCarty,2006-07 The Future is a perennial topic of interest especially as it relates to the possible demise of humanity and this world we live in Join us as we peer into what the Bible says about a time of unprecedented natural disasters and plagues of disease Examine the instant disappearance of millions of people and discover the final destination of humanity In this book there are no wild notions or government conspiracy theories just a basic honest look at the future as it is spelled out in the

Bible Along the way we will find that knowledge of the future creates a responsibility in the present I have traditionally shied away from the subject of eschatology because it generally degenerates into endless arguments about things that can never be fully known Phil's work affords a different and refreshing perspective He offers a reasonable interpretation of end time material with a unique orientation toward present day application I believe you will find his work equally readable helpful and inspiring Pieter K Van Waarde Pastor Woodcrest Chapel Philip McCarty does a great job of taking a Book that has been deemed controversial and not comprehensible by the masses and made it very understandable and practical for day to day living I highly recommend this book Dr Randy Dignan Pastor Bible Baptist Church **Golden Riders** Ralph

The Children of Children Keep Coming Russell L. Goings,2009-01-13 The Children of Children Keep Coming is an awe inspiring contribution to literature A breathtaking form of poetic expression this unique work presents a riveting

chronicle of the African American experience in the United States The dramatic odyssey opens with two anonymous slaves running to catch the Freedom Train where at journey s end they hope to find liberation Along the way they encounter fields of laborers sowing seeds plodding hard under sun high and moon low working to end slavery The toilers are sustained by work songs that at one moment express the dreams and fears of the downtrodden and at another moment burst forth with unbound faith and optimism These determined travelers with dangerous crows circling around them roam through fields holding their dead step over graves of the once enslaved walk across beds of red white and blue flowers all for the opportunity to march on the green lawns of democracy Throughout their entangled journey they meet imaginary and mythological characters But it is down by the riverside where their belief that a time of change will come is affirmed by engagements with giants such as Frederick Douglass Billie Holiday Hank Aaron Sojourner Truth and Rosa Parks The Children of Children Keep Coming is strung seamlessly together by poetry and prose blues and gospel hymns and jazz work songs and prayers forcing the universal harmony of the cry for freedom and justice to reach an unforgettable pitch that cannot be ignored This astounding mosaic of voices is accentuated by the images of Romare Bearden The Dragon Riders
