Rider Of The White Horse:

Who is the Rider on the White Horse?. Jack Armstrong,1988 **The Rider on the White Horse** Theodor Storm,1917

The Rider on the White Horse begins as a ghost story A traveler finds himself caught in dangerously rough weather On an island just offshore he glimpses the specter of a rider on a white horse rising and plunging in the wind and rain Taking shelter at a local inn the traveler mentions the apparition and the local schoolmaster volunteers a story It is a tale of ambition of a young man Hauke Heien who is out not only to make a name for himself but to remake the world of love and family as Hauke and his wife try to come to terms with their late born child s mental retardation and of politics as the community fights back against Hauke s initiatives It is a story too about the crisis of faith of wanting and missing the presence of the divine and of the persistence of superstition It is an appealingly matter of fact picture of rural life a harrowing glimpse of spiritual isolation and a stark vision of the violence of the natural world Finally it is a story about the basis of civilization in the act of human sacrifice Anticipating Lord of the Flies and The Lottery Theodor Storm s novella limpidly translated by the American poet James Wright is not just the ghost story it first appears to be but an economical and gripping dramatization of some of the bloody questions that haunt the disenchanted modern world The Book of Revelation Leonard L.

Thompson,1997-02-13 About seventy years after the death of Jesus John of Patmos sent visionary messages to Christians in seven cities of western Asia Minor These messages would eventually become part of the New Testament canon as The Book of Revelation What was John s message What was its literary form Did he write to a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire In search of answers to these penetrating questions Thompson critically examines the language literature history and social setting of the Book of the Apocalypse Following a discussion of the importance of the genre apocalypse he closely analyzes the form and structure of the Revelation its narrative and metaphoric unity the world created through John s visions and the social conditions of the empire in which John wrote He offers an unprecedented interpretation of the role of boundaries in Revelation a reassessment of the reign of the Emperor Domitian and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province Throughout his study Thompson argues that the language of Revelation joins the ordinary to the extra ordinary earth to heaven and local conditions to supra human processes **A Better Understanding (Vol. 2)** G.

Ancel Killion,2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others In my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian churches I have tried to keep an open mind about those things that I have heard from the many ministers of

the churches that I have attended I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in another's hands I have come to believe there are many false ideas being taught by those ministers of the Christian belief I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right The things I have written are my opinion and one must decide upon reading if it agrees with your understanding For many years I have done extensive study of the scriptures and believe I have found a more truthful understanding of those scriptures I believe in what I have found so strongly that I feel I must tell others **Revelation**

German Fiction, 1917 *Ezekiel and Eschatological Violence* Alicia R. Jackson, 2025-01-07 This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence *An Introduction to Revelation* Gilbert Desrosiers, 2005-05-01 The interpretation of the book of Revelation has always aroused controversy and its use and abuse during periods of rapid change has often been a cause for great concern This volume is intended for students of biblical studies attempts a responsible reading of Revelation Desrosiers presents the reader with both the tools and the information required to understand the many approaches that may be taken to interpreting the book and leads the reader toward a sound interpretation **Rider's Resolve** Alessandra Clarke, She avenged her father She saved the tribes Now she just wants to be left alone in her misery to mourn those she's lost But Aran the new Daliph of the Toreem Daliphate has other plans He wants access to the Hidden City and the objects of power stored there And whether she wants to or not K lrsa is the only one powerful enough to stand against him In this thrilling conclusion to the Rider's Revenge Trilogy K lrsa must once again defend her people and defeat an evil that threatens their very existence But can she do so without succumbing to her own inner darkness *And On and On the Ages Roll* J. H. Bavinck, 2019-07-30 Scripture testifies that in the work of Jesus Christ the power of Satan sin and death has been broken Yet on and on the ages roll and wars rage humans destroy one another and themselves and natural evils such as earthquakes and tsunamis occur We seem to suffer what J H Bavinck calls the great delay still awaiting Christ's final victory In this illuminating survey of the book of Revelation Bavinck examines the status of the church and the world in

the times of the end but before the final finish Bavinck suggests the church is based on its mission to show the way of God and share his good news in the world This mission occurs in a world claimed by Christ's victory but still marked by the demonic and human hubris Revelation is a literature that discloses the church's perennial challenges in a time claimed and won by Christ yet still resistant to his lordship The book peels back the veil to expose a battle not only on earth but in the heavens and assures the sometimes faltering church that it is not forgotten and Christ's victory is certain Bavinck centers his account of Revelation in its chapter 12 the strange woman who is crowned and yet haunted and hunted driven to the edge of civilization He sees in this woman the bearer of a child a figure of the church that bears its child and Lord Jesus Christ Like the woman the church in these times between the times is both crowned as God's royalty and often scorned by the world
