nook and hidden cranny of thoughts and deeds the other veiled the criticism and soothed the wounds of vanity On this day however the sharp eyes grew a little less keen and somewhat wider while that smile was fixed rather by habit than inclination In fact his expression might be called a frozen kindness as he looked across the table to Father Victor About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
